WHEN MY OLDER BROTHER TOLD ME

SANTA

VALERIE HALEY

”

PHOTOGRAPHY : STEVE UNDERHILL

If Santa doesn't have to age, then why has he become old ?
Santa will never become old as he lives in our imagination forever.

Why do we wish people a 'Merry Christmass' instead of 'Happy Christmas' ?

Because christmas is a time to come together with friends and family to eat, drink and of course be merry

How many gifts can Santa Claus's bag hold ?

Santa's bag can hold an entire worlds presents because its magic you see.

Is there really a Mrs. Santa Claus ?

Yes there is a Mrs. Claus, she keeps Santa smiling.

Why do we hear so many bells at Christmass time ?

Because it's a christian festival celebrated in church, the church bells are rung to call the congregation to church.

Why do so many people ring bells at Christmas time ?

Because they make such a beautiful sound.

What do you think you're going to get for christmas?

I know what I will be getting, thats lots of love and appreciation from my children when they see what I,ve (opps Santa) has got them.

Have you already get some presents for others?

Yes but I have nowhere near enough room to write them all here, but my sons main presents are a new bike each.

How was your chrstimas last year?

Christmas every year with me is so special, hopefully I will be spending it with that special someone this year.

At what age did you stop believing in Santa Claus?

I must have been about 5 years old when my older brother told me Sants was not real, I cried.

PHOTOGRAPHY : STEVE UNDERHILL

What do you usually do on Christmas Eve?

Christmas eve I get the kiddies off to bed early so can wrap their pressies, then give that special person a christmas present he won,t forget, and then back to bed after leaving a mince pie and sherry for Santa and carrots for the reindeer.

Do you have a christmas tree at yours?

Yes, I have a stunning chocolate brown and gold one to match my living room.

✘ **Your family background ?**

I lived with my mom, and stepdad growing up, as well as my brother, and step brother for a little bit. Right now, it's just me and my family. :)

✘ **How they help you in modeling career ?**

My boyfriend, ironically is the biggest supporter of my modeling career. Without him it wouldn't have happened. 95% sure it wouldn't have.

✘ **Any special childhood prank or memory ?**

Too many to name. Although, I don't know if you could call them pranks. Lol. I was a wild child, lol. But my experiences were always fun. They made me who I am today.

✘ **Educational qualification .**

Some college. Finished at Nashville State Community College, ready to transition to Western Kentucky University. I have one class left, then plan on applying for Dental Hygiene

✘ **How you became a model, how did you experience the first job you did as a model?**

I was found over MySpace by John Donegan several years ago, but didn't really DIVE into it, until this year. It was always just a side thing for extra money. I honestly, felt it was awkward the first time modeling. So glad that is over with! Lol. The paranoia women have over their bodies is unbelievable. And you don't realize that until you have to accept your body, and move on. Everyone has something they don't like about themselves. But women really take the cake with that one, and self-judge too much.

✘ **Why did you choose this line ?**

Always wanted to do it! I always knew what I wanted to do. And to do it, is just an incredible thing. It's a blessing to get to do what you want in life

✘ **Your inspiration ?**

Several models in the industry, too many to list lol. Right now, I think it would be everyone's favorite, Miss Khloe Terae

✘ **Projects you have worked in ?**

Several magazines lately. I also, have a project in the works for an art gallery in Paris.

✘ **Recent projects ?**

Magazine features, Bikini Magazine 2015 Bikini Calendar, art work

✘ **Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck .**

Hard work, the right looks, luck

✘ **What's been the best moment of your life ?**

Being published this year for the first time lol

✘ **What would want in the afterlife?**

Love, always at the top of my list. I'm a sucker for the fairytales. As long as I have that, I'm fine. Sounds like a nice cliché but it's true. Pretty sure money doesn't apply in the afterlife anyway, so...lol

❑ **If not modeling ,what would u hv done ?**

I have NO IDEA lol. Acting? Other than that, I have no idea, lol, honestly.

❑ **Wild dream**

Skydiving, before I die. Im afraid of heights, so I will do it! LOL

❑ **Hidden**

fear.??

Losing

lol.

❑ **Hidden**

talent.??

I

❑ **Young One/Kiss ?**

A middle school dance I believe

❑ **First crush/love ?**

Let's move on from that story. Funny part is, I outbeat him on all levels now.

❑ **Define LOVE in your words .**

It's a feeling. Commitment is the biggest part, and just an overall, of wanting to be together. You BOTH have to want to be in the relationship. And you make a choice every day to stay.

If Santa doesn't have to age, then why has he become old Stress? LOLLLLLLLLL

Why do we wish people a 'Merry Christmass' instead of 'Happy Christmas' ?

Because you should be MERRRRRRRRYYYYY. I guess LOL

How many gifts can Santa Claus's bag hold ?

Enough for the good girls and boys lol

Is there really a Mrs. Santa Claus ?

Nope

What do you think you're going to get for christmas?

A lump of coooooaaalllllll. Lol

Have you already get some presents for others?

Yes, my kid, always gets spoiled rotten around Christmas time. I've eventually had to stop that. But its still TOO much

At what age did you stop believing in Santa Claus?

I cant even remember, lol. Young I guess. About the average age ppl stop believing in that stuff

What do you usually do on Christmas Eve?

Sleep! Lol. I party the weekend before lol

Do you have a christmas tree at yours? Yes I do

Lastly, what do you think of Modelz View Magazine n

Modelzview.com ? Awesome, classy. Beautiful, beautiful women. The ppl seem nice so far, and I hope to keep in touch and work on future projects together. A great way for new models to get exposed.

☒ Your family background:

I come from a small family where we all of us have gone in different directions following our own inspirations. I've always been the one to take off and go the most unorthodox way, which has made for an adventurous life so far.

☒ How they help you in modeling career:

Everyone has been really supportive and has challenged/pushed me so far in my exploration into modeling.

☒ Any special childhood prank or memory?

Hmm, a favorite childhood memory? Playing with the ducks that used to come and bathe in my turtle pond when I was a little girl. I loved talking to the animals. I still talk to them...I love squirrels. They're soooooo cute.

☒ Educational qualification:

I have my BA in International Journalism and a double minor in Advertising and Multimedia. Some day I would love to work for National Geographic or some other agency that would let me write and travel the world.

☒ How you became a model, how did you experience the first job you did as a model?

I think I decided one day it was something I wanted to try out, so like everything else I decide might be fun, I made it happen & the rest has just worked out amazingly.

☒ Why did you choose this line?

Well, I would love to do promo work for Harley Davidson so I think having a goal helps to create a reason & push to keep going. It's an excuse to stay healthy and eat right also, which when you're in your mid-twenties sometimes that is harder than it sounds.

☒ Your inspiration:

my mother. She is the hardest working, most dedicated, strongest woman I've ever met.

☒ Recent projects:

I haven't really done much since I moved to Colorado. I've been training for a marathon and working like crazy but I'd like to get back into the modeling after my race.

☒ what's been the best moment of your life?

I'd say the best moment of my life was when I was in the Galapagos a few years ago. I got into the water to snorkel on this remote island and once my face went into the water there was penguins and sea lions everywhere. Baby sea lions followed me blowing bubbles in my face. It was the most surreal, magical moment of my whole life. I felt like a mermaid...and if I could be anything at all I'd be a mermaid.

☒ what would want in the afterlife?

To travel before humans polluted the earth and see what it was like long ago.

☒ If not modeling, what would you have done?

I would probably eat a lot more sweets, ha ha. But really, if I wasn't modeling, I'd say I'd spend more time traveling.

PHOTOGRAPHY: RICHARD GARWELL

☒ Wild dream:

I have this reoccurring dream where I am drowning and this beautiful man comes up and blows air into my mouth and air that I can breathe under water. The best part of the dream is the first breathe I take, the cool water that goes into my throat and nose, that fills my lungs like a deep gasp of fresh summer air, it always feels so great and everything else that follows it,

the fish, dolphins and coral...it's always

amazing.

☒ Hidden

fear.??

Drowning

Either my freckles or my smile.

☒ your first kiss?

It was in second grade. He was ironically the first guy I showed my boobs to in middle school too.

☒ First crush/love?

I've had a lot of crushes but I've yet to fall in love.

☒ Define LOVE in your words.

Love is being selfless, dedicated, honest and above all, there for the other person when they need you, however simply or in\mately that may be.

Lastly, what do you think of Modelz View Magazine n Modelzview.com?

You guys are an awesome magazine! Thanks for giving models like me a chance to get my pics out there!

If Santa doesn't have to age ,then why has he become old ?
Because he is immortal and magical, who else can fly around the whole world in one night?

Why do we wish people a 'Merry Christmass' instead of "Happy Christmas" ?

Because Christmas isn't about giving gifts, and being "happy" per say. Christmas is a time to be "Merry" because I believe Christmas is a time to spend with your family.
