AQSTRA QUEST

Q Your family background: I'm Italian, Irish, and Hungarian. An Only child to a small immediate family.

Q How they help you in modeling career? My family has always been very supportive of my dreams!

Q Any special childhood prank or memory: I was always a good little girl so not really into pranks hehe

Q Educational qualification: Graduated high school in 2008. Obtained my EMT license, and also got my Fire Science associates degree.

Q How you became a model, how did you experience the first job you did as a model? I was always told I was ugly when I was young, so when I came around local wrestling companies and a photographer offered me a chance to shoot I said sure! From there the feedback I was getting was great, so I overcame the ugliness feeling and started to soar! J

Q Why did you choose this line ? Because I love it! But mostly because everyone always put me down so it was my way to prove them wrong and show that I am beautiful!

Q Your inspiration: My inspiration comes from me just wanting to showcase beauty and show that not all women are one way that they can be little sweethearts like me!

Q What's been the best moment of your life ? Buying my own home, and my own car. Also meeting my other half J

Q what would want in the afterlife? Just simple happiness and to be the best person I can be..

Q If not modeling ,what would u hv done ? Firefighting or wrestling, both I'm extremely passionate about.

Q Hidden fear.....?? Something bad happening to people I care about

Q Hidden talent.....?? I'm VERY artistic. Great at painting and drawing J

Q what is the sexiest part of your body ? I'd say it's a toss up between my bootay and eyes :) J

Q Your first kiss ? Was my first boyfriend in the back of my house in second grade-had no idea what I was doing..lol

Q First crush/love ? I'd have to say I had some odd crushes early on so I don't know if it was one of my dads coworkers or a wrestler lol.

Q Define LOVE in your words . When you feel so strongly about something or someone that you cant live without them or it. Something that completes you.

Q Message for youth n freshers in this line ? Stay true to who you are and what you want to be, don't let anyone tell you otherwise or try and change you, because they will try!

Lastly, what do you think of Modelz View Magazine n Modelzview.com ? its beyond amazing, and excellent quality!

AQSTRA QUEST

YOUR FAMILY BACKGROUND:

I grew up in a family of 5. I have 2 older siblings; my brother Jerry who is 38 and my sister Shelly who is 30 and is married with 3 kids of her own. We were not brought up to be religious, but we were brought up to be fairly conservative (not talking about political views here). My sister and I were very much daddy's girls. My mother is in remission from breast cancer, and my father passed away 3 years ago in March from lung cancer. A few short months later, my sweet blind 9 year old American Eskimo and best friend, Buddy, also passed away. He has since sent me two new rescue kitties to help cheer me up, though. I have two girls; Sophie who is super sweet and gentle, 9 years old, and has one eye; and Xena who is 4 and has a sweet but sassy personality.

Ø HOW THEY HELP YOU IN MODELING CAREER ?

I have an extremely supportive mother. She has helped me and encouraged me every step of the way since I was a little kid. I also believe that my dad is helping guide me in the right direction in some weird spiritual way, even if he has to close his eyes when I'm modeling swimwear or lingerie, LOL.

Ø ANY SPECIAL CHILDHOOD PRANK OR MEMORY:

Almost every year on April Fool's when my sister and I were younger, we thought it was hilarious to "toilet paper" our parent's bedroom before they got home from work. Most of the time, they would just

PHOTOGRAPHY : AUSTIN LINDSAY

..... laugh it off and threaten to ground us as an April Fool's joke. But one year, my dad decided to be a little more creative. While I was at dance practice one night, he had my brother-in-law take my dog on a walk just a few minutes before I was supposed to get home. When I got home from practice, my dad told me that my mom accidentally let my dog out when she answered the door and that they have been unable to find him for a few hours. After I broke down, cried, and screamed at my mom for a good couple of minutes, they brought my dog back to me safely and explained that he just went for a walk around the block. They got me good.

Q EDUCATIONAL QUALIFICATION:

Completed 3 years of college.

Q HOW YOU BECAME A MODEL, HOW DID YOU EXPERIENCE THE FIRST JOB YOU DID AS A MODEL?

I dreamt of being a model ever since I was little. When I was 14 years old, I finally got signed with an agency and started doing a little bit of both modeling and acting here and there. It was when I was 18/19 that I started pursuing modeling more seriously and consistently. My first few modeling gigs were definitely major learning experiences that have helped me break out of my shell a little more, since I am naturally an introvert.

Q WHY DID YOU CHOOSE THIS LINE?

As a kid, I was probably more drawn to the "glamorous" side of things. As I got older and more mature, I have found many other reasons I am drawn to this industry. It definitely forces me to come out of my shell and put myself out there more which has led me to meeting some incredible people in my life. Also, since I am such a HUGE animal lover, it is my dream to establish myself as a model and use that "status" to help draw attention to special causes that are important to me, like raising awareness for animal rights.

Q YOUR INSPIRATION:

I admire successful women who are strong, independent, and have a positive and humble attitude no matter what life throws their way and never act like they are entitled or better than anyone else.

Q WHAT'S BEEN THE BEST MOMENT OF YOUR LIFE?

Anytime I help rescue an animal in need is extremely rewarding and brings happy tears to my eyes.

Q WHAT WOULD WANT IN THE AFTERLIFE?

Pure peace and love.

Q IF NOT MODELING, WHAT WOULD U HV DONE?

I would be dedicating even more time to helping animals.

Q WILD DREAM:

Ha, I don't think anybody wants to hear about the crazy vivid dreams that I have, unless you like extremely scary movies.

Q HIDDEN FEAR.....??

Inferiority.

Q HIDDEN TALENT.....??

I sing country J

Q YOUR FIRST KISS?

Cory Jeffs, age 15.

Q FIRST CRUSH/LOVE?

Jesse McCartney. He doesn't know this but he was my boyfriend for at least 12 years. Lmao.

Q DEFINE LOVE IN YOUR WORDS.

I don't know how to define "love" in words, but I would be happy to describe how I feel about my boyfriend of over 3 years. For me, I love that I am both crazy about him but incredibly comfortable around him. He is absolutely my best friend, but also my lover. We have an unconditional love for each other and desire to be together even when we drive each other crazy. For me it was about finding someone who is not only my best friend, but is just as crazy about me as I am about them, and I believe I have found that. J

LASTLY, WHAT DO YOU THINK OF MODELZ VIEW MAGAZINE N MODELZVIEW.COM?

I think it's an awesome opportunity for models to get noticed! I have seen many models that I look up to blow up after being published with ModelzView. J

Q Educational qualification: College student studying business management and marketing. I have great communication skills and I am bilingual in Spanish and English. I plan on opening my own dance and modeling agency/company in the next few years.

Q How you became a model, how did you experience the first job you did as a model? I contacted a photographer through a friend that was interested in shooting models with some to no experience. My first time being photographed was brief and simple. I remember loving it and having a lot of fun while working. It was a learning experience for me and this only made me want to work harder for future photoshoots.

Q Hidden talent.....?? My hidden talent is making outfits for festivals and nightclubs

Q Define LOVE in your words: Love to me is simply being in complete silence and still having a great time. It is the caring you see in their eyes and the appreciation of being with you. It is understanding each other and supporting one another in whatever they do (imperfections, dreams, and goals). It is knowing you can count on them no matter what and knowing you can share precious, unforgettable moments with them.

Q Message for youth n freshers in this line ? No matter what anyone says ignore all negative thoughts and feelings. Q Your family background: I am not married. I have a smart, loving, generous, supportive family, who are always there for me.

Q How they help you in modeling career? My parents are supportive of everything and anything that makes me happy. My mom never misses an event, and does everything she can to assist in everything I do.

Q Educational qualification: I am a Senior at Florida Atlantic University, graduating Spring 2015 Summa Cum Laude.

Q How you became a model, how did you experience the first job you did as a model? I have been modeling since I was a baby. Q Hidden talent.....?? Bowling! It is always a surprise to my friends when I make a Strike and win the game!

Q What is the sexiest part of your body? My eyes.

Q Your first kiss? My first kiss was in the 4th Grade in the back row at the movie theater—it seemed like such a big deal at that age and was SO awkward!
