BOOKING INFO: pretty.miss.august@gmail.com

My name is August Dame, aka The Petite Bombshell. I am a very small-framed woman and people tend to be under the impression that small women do not have figures. I'm here to change all that and represent all the sexy petite woman. I am 27 years old, born and raised a Southern Cali girl, but recently moved to Las Vegas, NV. I come from a proud heritage of Hebrew, Native American, and Irish. I am a promo model working on getting into print, but most importantly I am a student majoring in the field of science. I am a space geek and love to learn and gain knowledge, you can say I'm Saposexual. There is something about an intelligent man that I find extremely sexy; I want my mind stimulated. I can be very spontaneous and enjoy company of risk takers. If I had to categorize myself I would say I'm a free spirit/ gypsy/ with a little bit of old soul all in one, I believe in Karma and energy. I like to surround myself with sexy and intelligent people with positive energy.

What stimulates you intellectually?

I love when a man is articulate, a man that speaks well and can hold a conversation without trying to run game is the best. I find it interesting to hear how much you know rather than what you can do to my body.

What makes you a "bombshell"?

Well by definition a bombshell is something or someone having a sudden sensational effect, I'd like to think that I have a sudden sensational effect on others, whether it is pure arousal or positive energy.

What is your most guilty pleasure?

Lol I kinda have two, they go hand in hand, a bottle of wine and The Weeknd on repeat.

Hey guys! My name is Kayla and I am from Los Angeles, California. I am biracial but because of my exotic look, people always guess every other race. I enjoy fitness and maintaining a healthy lifestyle. I would describe my figure as one that is fit, with a curvy physique. Modeling is something that I became interested in a few years ago and I am now gracing the pages of Show magazine. I will also be featured in Stack Models magazine for an issue that will be released in June. I am grateful to be blessed with the opportunities that have come my way and I am excited to see what the future holds for me.

What things excite you about the modeling industry?

Working with amazing talent and expressing creativity.

Top thing you want to accomplish in 2015?

To purchase my second property, increase my income and be able to give back more to my family.

How many tattoos do you have?

I have one butterfly tattoo on lower back.

What are your 5-year goals?

To continue to better myself in all aspects of life, meaning financially, spiritually and physically. I want to build a successful modeling career in which I can travel to other parts of the world and learn more things to be inspired by. I would love the opportunity to be internationally published and go out for more than just print work.

What would you consider your best assets?

I would have to go with my smile, dimples and full lips.

Miss Kaeo Black is back! I am a whopping 5'2" with measurements, 32F-26-40. I took some time off to finish school and deal with some personal family affairs. But since I've been gone, I graduated Magna Cum Laude from California State University Los Angeles, with a bachelor's degree in Liberal Studies, and double minors in Women's & Gender Studies and Pan African Studies. I am currently in the process of applying to graduate school. My goal is to get my PhD in American Studies, focusing my research on popular culture and its effects on today's youth.

I love cats, reading, hiking, working out, and coffee. So when I'm not at work, you can find me with my head in a book at my neighborhood Starbucks, or hiking at Runyon Canyon with my friends. I love life and I will continue to live it to the fullest, filling my days with positivity, love, good food and good people.

What are your personal interests?
I have so many personal interests one of biggest that a lot of people don't know about is Art. I really love paintings and I want to learn myself. I really like finding things of interest that help me express myself. Real Estate is one; I'd like to one day build my own home, as well as flip homes and design them. I use to write poetry I haven't in a long time but I am starting back, I actually just wrote one not to long ago.
