MARCH 2013

For youth n freshers in this line ?
My recommendation is to start by
finding the best photographers for your Port-
folio. Talented people will bring you
experience about modeling, and also how
to do your first shoot, focus on getting
a Portfolio that you will present to
a bit of everything. Open a facebo-
ok account, networking is very impor-
tant to be a model. you can get a lot of
jobs thru the net. Don' t sign
with any agency unless they can provi-
de to make a living. (They will promise
the best is to work with a talent agency,
casualy. This way you will get more cas-
