Your family background

My mom is a teacher and my dad worked at embassy for the most part of his life so we had to travel a lot when i was little.

How they help you in modeling career

My parents are very supportive in everything that i do including modeling. I think i have the best parents in the world :)

Any special childhood prank or memory

I play on the piano have 7 years in music school

Educational qualification Bachelor degree from Law School, Private Investigator.

How you became a model, how did you experience the first job you did as a model?

When i was in high school i was approached to be a part of pageant event where i earned title "miss youngest" - i was 14 :) It was my first runway show for a designer. My dad videotape the event because it was on TV. I'm sure we have the tape somewhere hidden at home :) And thats how i start :) Once i got accepted to law school i took a break from modeling. After i moved to my dream country USA it was time for me to achieve my dreams in modeling :)

Why did you choose this line ?

Because i love it !!!:)

Your inspiration ?

My family is my inspiration without them i wouldn't be where i am now

Projects you have worked in ?

2013 started pretty good i have worked for ECCOCI catalog, featured at a modeling magazine, featured at Kate Swim - their swimsuits are in 2012,2013 Sports Illustrated and more to come i just can't mention anything yet.

Recent projects

Going to California to shoot with amazing photographer this saturday stay tuned new HOT photos are coming and of course new projects with it :)

Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck

Hard work,Luck,Right look however i would say that all those factors have to work together at the same time to achieve success

What's been the best moment of your life ?

My childhood i was a lucky kid :)

What would want in the afterlife?

Peace

If not modeling ,what would u have done ?

I wanted to be an actress and i'm still going to try :)

Wild dream

Go to France,Italy,Germany,Greece :) I love to travel and the world is so beautiful so i have lots to see :)
