Your family background

My mom is French and my dad is Polynesian from Tahiti

How they help you in modeling career

Everyday I'm thankful for them and for giving me the body I am proud to show off.

Any special childhood prank or memory

Yes absolutly...my brother who is 6 years older than me. So I let you imagine all the pranks I got.

Educational qualification

BA in Business Management and Marketing

How you became a model ?

I live in a middle of agencies, models and photographers just walking everywhere. One day I was on my longboard "yes I longboard" and stoped as usual to watch people and someone sat next to me "my english wasn't the greaest back in the day" and told me he needed models for his new model agency but obviously I did not know what he was talking about, never thought I'll do modeling in America, I was a banker, an office person. Long story short he told me to send him pictures and will see.

I started building my portfolio and just loved being behind the camera and TahitiCora was Born in the modeling Industry.

My first modeling experience was a lot of fun, the photograpger "Splashdownmodels" very professionnal, showed me aspect of me I didn't know I had. I looked at my pictures for hours after that so proud of what I'd done

Why did you choose this line ?

I love being behind the camera, change outfit and character. Traveling is a must in this carreer and one that I won't complain about it.

Your inspiration

I would say Coco/Ice T, Rosa Costa, Denise Milani

Projects you have worked in

I have been published in Many magazines like MAXIM, FHM UK-Philippines, American Curves, Planet Muscles, Show magazine etc. I was a REEF model/ Calendar in Tahiti I have been in many fashion shows for all kind of designers I've also been in Pageants as well back home and all around the world

I HAVE SUPER POWERS

What would want in the afterlife?

I hope to see the Truth where we've all really come from... WWooooo

If not modeling ,what would u hv done ?

I am an entrepreneur, probably own a Business of some kind.

Wild dream

Here you go... I have super powers, all of them, you name it. Now just imagine all I can do ... EVERYTHING !!!! John Carter Jumping, fly, Immortal, Beauty, Money.

Hidden fear

I can't wait to find out

Hidden talent

Fast learner in all sports

What is the sexiest part of your body ?

My thighs

Your first kiss ?

I was 14, me and my friends were in Summer vacation so we were spending all day at the Beach and I met this American boy 14 as well sailing throughtout the South Pacific with his Parents and even without speaking the same language we connected and one day we went far far in the Ocean on a float and kissed for 5 hours lol. We came back to shore Burned, then I met with him again the following day and told me he was leaving to continue his journey, I never saw him again.

Frst crush/love ?

He had the most beautiful Eyes I ever seen, we kind of dated for 2 years lol the closest we ever got was siting next to each other on a bench and holding hands THAT'S IT. Oh well

He was writing me letter, he was such a poet , with red candle wax to close the envelope

A full-page photograph of a woman with long dark hair, wearing a pink and black leopard-print bikini top and a black string bikini bottom. She is posing in a pool at night, with her hands on the edge. The background is dark with some lights.

Define LOVE in your words .

Profound emotion that fills up your entire body, like been full of Uranium and you can't move an inch , your heart is pounding so loud you think everybody can hear it . And all of that only because you just saw the person you love or kissed him.

Message for freshers in this line

Build a Strong Portfolio it will pay Off later TFC is fine to start but get all your pictures on a CD and make the photographer sign a release form were you are both agree on terms.

Don't be a Diva no one will book you again, yes you are pretty but thousands other are too.

Have Fun and become a sucessfull Model, Good luck.
