## quick quest

**-How you became a model, how did you experienced the first job you did as a model?** I actually started out working at Hooters. While working there, I met a professional photographer. We shot for a few calendars; from there it became history!

**-Why did you choose this line:** Honestly, I can't say I chose it. It just was kind of natural for me.

**-Your inspiration:** My biggest influence isn't anyone famous; it's actually my great grandmother. She always told me to reach for what makes me happy and never listen to what others think, that only you can create your own happiness and no one can take that away from you.

→ **Recent projects:** I will be having a role on the Web TV Series Johnny Dynamo.

→ **Put these factors in order of importance for becoming a successful model:** The right looks, hard work, luck

→ **What would want in the afterlife?**

**My family**

→ **Hidden fear . :** Snakes and Spiders .. eeeekkkk!!!!

→ **Your first kiss ?** A lady never kisses and tells!

→ **Message for youth n freshers in this line ?** I was never the prettiest girl in school, I was outgoing, yet quiet. I had everyone telling me I could never make it, but I didn't let me stop me. I've stayed true to myself and kept pushing, using it as fuel. I see a lot of cyber-bullying nowadays; it makes me sick, kids are killing themselves over it. I want them to know they are not alone, even I deal with it.

**Tell us something random about yourself:** I am a HUGE tomboy! I lost count at 12 on broken bones and dislocations! Since I started modeling I had to start taking care of myself though, they don't seem to like it when you show up with a cast on your arm or foot!!!

## QUICKQUEST

- **Your family :** We're just a bunch of rockers.
- **How they help you in modeling career :** They help me in so many ways! I love them for it, verbal support etc.
- **Any special childhood prank or memory :** When I was a child, I won Funniest Home Videos with my friend. We had a video called "Baby Pizza."
- **Educational qualification :** I finished my first year of Nursing School-I recently took off to travel for modeling. I belong on the west coast-I plan on attending school out there.
- **How you became a model, how did you experience the first job you did as a model?** It wasn't necessarily the first job I ever did, but it was the first casting call I ever went to that made me realize I wanted to get into modeling. I attended a Playboy casting call in Ohio when I turned 18. About twelve other girls and myself were chosen for any online voting to pick Miss January- I did not get it, but it was a great experience none the less.
- **Why did you choose this line :** If you got it flaunt it ;) Modeling is a lovely way to express yourself.
- **Your inspiration :** My inspiration is my mom; She's a strong woman- being strong can get you a lot of places.
- **Projects you have worked in :** In the past year or two since I've started, I worked with Playboy, for Playboy Miss Social December photoshoot for the iPhone app, as well as traveling for photography workshops and competitions.

- **Recent projects:** Recently, I am again traveling for competitions as well as photo shoots; I am working on a main goal for 2014, but I am going to keep that one a surprise.

- **Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck :** Hard Work, the right looks, luck- luck being last because you shouldn't depend on that. Your hard work should get you what you want.

**cover girl**

MODELZVIEW MARCH 2014 PART - II

A blonde woman with long, wavy hair is posing in a red, crocheted bikini. She is standing outdoors, leaning against a white pillar. Her right arm is raised, and she is looking towards the camera with a slight smile. The background is a blurred outdoor setting with green foliage and a wooden structure.

→ **What's been the best moment of your life ?** I'm still waiting for that moment!

→ **What would want in the afterlife?** I like to keep things mysterious.

→ **If not modeling ,what would u have done ?** I don't like to think of it as what would I have done-I would be doing the same things as I am now, working, modeling- just trying to fit everything I've always wanted to do in this one life time. Modeling is the start for my journey....

→ **Hidden fear :** I'm afraid of the dark, but not all the time- only if I were outside alone. I live in a rural area-I'm surrounded by woods, you never know what could be in those woods when it's dark outside....

→ **Hidden talent :** Trick hula hooping! It's so much fun! Also, a great workout ;]

→ **What is the sexiest part of your body ?** Personally, I like my stomach.

**cover girl**

PART - II

MODELZVIEW MARCH 2014

- **Your first kiss ?** My first kiss was in the rain (very cliché); the boy had blue hair and it was shaved into a mohawk. Wanna ask me what types of guys I'm into next ? :) haha

- **First crush/love ?** My first crush was definitely Ashton Kutcher! So so good-looking.

- **Define LOVE in your words.** Constantly getting butterflies- the ones that never stop.

**cover girl**

MODELZVIEW MARCH 2014 PART - II

## FAVOURITES

**fav song – Too many songs out there to just name one**

**fav movie- The Notebook**

**fav dance form- belly dancing**

**veg or non-veg- non veg**

**fav color- Pink**

**fav brand- Pink Floyd**

**fav car- Challenger SRT-8**

**fav place 2 spend holidays- Anywhere there is spiked egg nog ;)**

**fav fruit- Apples**

**fav flower- Roses**

**fav cold drink- Green Tea**

**- Message for youth n freshers in this line ?** Going back to when I had my first experience with modeling at my Playboy casting call; I was scared, nervous, and shy in the beginning, but when I let my guard down and had fun with it, that's when I realized I wanted to model. Don't let anyone, even yourself discourage you from what you want; live free and go out on a limb.

**Lastly, what do you think of Modelz View Magazine n Modelzview.com ?**

**I think Modelz View is a great way to showcase and get to know some of the hottest glamour models from around the world.**
