- **Your family background:** Mutt
- **How they help you in modeling career:** My moms dream was to be a model, she got pregnant at the age of 16, and she chose to be a mom instead. She would bring me with her to her casting calls and sparked my interests.
- **Any special childhood prank or memory?** I would always wear boy overalls and a backward hat. I loved my tomboy memories, getting dirty, catching reptiles and climbing trees.
- **Educational qualification:** Went to H.S school for Dental Assisting, graduated 10th in my class, and attended 2 years of college. In the meantime I was taking classes through my agency including makeup, wardrobe, t.v/commercial and lots of other necessary application classes.
- **How you became a model, how did you experience the first job you did as a model?**  
I got involved at a young age because of my mom. I got signed by an agent after I won my first runway/fashion show competition. My first job, like any job was very exciting, I remember I brought everything I needed and about 10 times more then that, I had 4 large bags including a suitcase. After my first shoot, I was addicted.

- **Your inspiration:** My nana taught me to be the mentally strong
- **What's been the best moment of your life ?** I got guardianship of my little brother early Summer of 2013. It was a very tough time but I am so thankful that he's here with me, Healthier then ever and now he's getting almost all A's, student of the month awards and he's his own individual.
- **What would want in the afterlife?** No regrets from this life
- **If not modeling, what would u hv done ?** become a plastic surgeon

## X MASS QUEST

**If Santa doesn't have to age ,then why has he become old ?**

He started being Santa when he was older and now he's done aging but unfortunately he's already old...

**Why do we wish people a "Merry Christmass' instead of "Happy Christmas" ?**

Because we over use the word happy so its time to get MERRY and switch it up.

**How many gifts can Santa Claus's bag hold ?**

Hmmmm 1000000000000000000

**Is there really a Mrs. Santa Claus ?**

Obviously, who do you think takes care of Santa. He's a man and lets face it every man needs a side kick.

**Why do we hear so many bells at Christmass time ?**

It's the christmas instrument. So it only makes sense to jingle.

**Why do so many people ring bells at Christmas time ?**

To annoy everyone else

**What do you think you're going to get for christmas?**

I hope a diamond ring ;)

**Have you already get some presents for others?...If so what! WE want to know everything!!!!**

Yes I have but if I told you then I'd ruin the whole surprise DUH

**How was your chrstimas last year?**

amazingggggg. I got everything I wanted!

**At what age did you stop believing in Santa Claus?**

Are you trying to tell me he's not real?!

**What do you usually do on Christmas Eve?**

Open 1 gift with my sisters and eat lots of snacks!

**Do you have a christmas tree at yours?**

No I'm moving so just at my parents this year.

PHOTOGRAPHY -JAVIER HERNANDEZ ( INLINE PHOTOGRAPHY).

☒ **Your family background:**

Growing up I moved around a lot. My dad was in the Marines so I never really got to stay in one spot until we moved back to his hometown in Michigan. My family isn't your normal group of people. My dad's a crazy retired marine and my mom is often too much to handle but their mine and I wouldn't change them for any other family. I have two younger sisters that look up to me and I try my best to make them proud.

☒ **How they help you in modeling career ?**

A downside to modeling is I'm away from my family a lot. Traveling back to Miami and LA frequently I tend to miss out on dinner dates and sleep-overs. It gets hard at times to see my sisters getting bigger and me not there to help them in their teenage years as much I'd like too but we make it work. They help me by sending me cute texts throughout the week or silly pictures they found on pinterests...oh and I cannot forget all the puppy pictures I receive. Those are by far my favorite. Now as far as the support goes my mom has definitely had to learn how to be cool about seeing her daughter half naked lol. It's tough being so short I don't have the opportunity to be a runway model I'm placed in the category of swimsuit and lingerie. She's getting better though ;) LOVE YA MUDDER!

“ MY MOM HAS DEFINITELY  
HAD TO LEARN  
HOW TO BE COOL ABOUT SEEING  
HER DAUGHTER  
**HALF NAKED LOL**”

PHOTOGRAPHY -JAVIER HERNANDEZ ( INLINE PHOTOGRAPHY).

☒ **Any special childhood prank or memory:**  
I think my favorite childhood memory was going to Camp Dearborn. Our family was close and playing with my cousins had never been more fun. My dad embarrassing me over the boy I secretly liked and my sister Mikaela using words she didn't know what the meaning was. Yes...those were the good ol' days.

☒ **Educational qualification:**  
I'm currently a Senior at Wayne State University studying Radiation Therapy.

☒ **How you became a model, how did you experience the first job you did as a model?**  
Going into my Junior year of high school it was time to find a senior picture photographer. Now of course I choose the baddest one in the state of Michigan Mr. David Humphrey at Masters Photography. My first shoot was with him in the old Detroit Train Station. Almost got arrested that day... OOPS. Guess it doesn't if you're in Detroit or not you just can't go breaking into abandoned places! So after this experience I decided that I had not only the look but I was driven to see how far I could get. I come from a 1 stop sign town and not many have a passion to be a well known model. I'm still so young and have a lot of time left to reach my dreams in this profession.

☒ **Why did you choose this line ?**  
I always wanted to be a pageant girl but that was too expensive growing up and when I was old enough to understand what I wanted by hobby to be there was no doubt I loved the camera!

☒ **Your inspiration ?**  
My inspiration is my grandmother. She passed away when I was in elementary but that lady was my best friend. I rode my bike everyday to her house after school to sit and listen to her and of course eat all her food! But along with her silly advice she had some good ones too. Like don't ever get married and don't let anyone come between you and your dreams She was one of the strongest women I'll ever know and I know she's the reason my shoulders always hurting...she's sitting on it talking in my ear.

☒ **Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck**  
HARD WORK, right looks, luck

☒ **what would want in the afterlife?**  
PUPPIES, gourmet food, and netflix!

☒ **If not modeling ,what would u hv done ?** Finished school right away and had your average boring life.

☒ **Wild dream:**

Sail away with the love of my life and our puppy and just be free.

☒ **Hidden fear.....??**

Well its not really hidden but i hate the light. Like you turn on the light i will run out of the room.

☒ **Hidden talent.....??**

I can put my feet behind my head? Is that a talent haha

☒ **What is the sexiest part of your body ?**

My boyfriend would say my booty but i think my feet are cute.

☒ **Your first Kiss ?**

I can't remember his name but i was in first grade and my mom beat me.

☒ **Define LOVE in your words .**

Love is when they leave for the day and you already wish they were back. You get exciting news and their the first person you call. I knew I was in love when everything I did I wanted him there to experience it with me. Being in love with your bestfriend is absolutely the best feeling in the world. Being comfortable, silly, and lazy and having the best time possible just because it's them.

☒ **Message for youth n freshers in this line ? DON'T GIVE UP AND DON'T GET DISCOURAGED!**

You have to give it your all before it gives you anything back. So bust your ass and get working!
