INDUSTRY IS CONSTANTLY CHANGING

Ø CURRENT CITY - EDMONTON

I chose

to model because I love that this industry is constantly changing and the jobs from project to project can vary immensely. You get paid to work in beautiful locations and meet amazing people, where as most other jobs don't offer that luxury.

Quick Questions

Ø Your inspiration - Are all the VS angels! But if I had to choose just one it would definitely be Canadace Swanepoel.

Ø what would you want in the afterlife? Cupcakes & Firefighters

Ø If not modeling ,what would u have done ? Stock Broker. I love how it is constantly changing and how one day can vary a lot from the next. There is lots of risk involved in stocks so I think every day would very be interesting to see how it turns out.

Ø hidden fear..... Public speaking

Ø hidden talent..... Snowboarding

Ø what is the sexiest part of your body ? Smile

Ø your first kiss ? Grade 7.

Ø first crush/Love ? First love when I was 16. We dated 4 years but it ended and I have now moved onto my next. J

Ø Define LOVE in your words .

LOVE ISWhen you sit and the phone for hours talking about nothing just to hear their voice. It's that feeling you get when someone mentions their name.

It's being able to say something stupid and not having to worry about it... It's when you can honestly just be yourself. It's when you're in their arms and you never want the moment to end. It's the smile that you can't help getting on your face when you look at them.

It's the feeling of excitement you get when you know you're going to get to see them soon. It's when you know that there's only one person that you have true feelings for. When you're in love the world seems brighter and possibilities feel endless.

Ø Message for youth n freshers in this line ? Fake the confidence until you have it.

Lastly, what do you think of Modelz View Magazine n Modelzview.com ?

You guys are rock! Lots of interesting articles and are always featuring the hottest new trends!

KIWI GIRL

LAUREN ASHLEY CARTER

165CM || 32C-24"-29" || CLEVELAND, AUSTRALIA

PHOTOGRAPHER : ROCKY BATCHELOR

Where are you from, and how would you describe your life growing up?

I am from a very small country called New Zealand & I grew up on a farm! It was very outdoorsy, I was such a farm girl at heart! It's funny how things have changed now!

How did you find your way in front of a camera, modeling?

I was always very interested in modelling from a young age. I was actually scouted through Twitter for my first ever paid shoot!

What do you like best about being a model?

Receiving so much love and support from my fans!

Besides modeling what is the most important thing in your life?

Do you have any unusual talents?

Aw! I am a huge animal lover so animals are very important. My unusual talent I would say would have to be flexibility!

We all need support in life. Where do you get your support? What or who inspires you?

Most definitely my boyfriend & my number one photographer Rocky!

What do you think is the most challenging thing about modeling and what advice would you give to new models?

Definitely the hate that comes with it can be hard to deal with. Advice would be only shoot with quality photographers, there are so many amateurs out there that make a mess of photography!

What is your favorite way to relax? What do you do for fun?

I love to take naps! Sun bathe, watch movies and cuddle up.

You look amazing. What do you recommend for those wanting to keep in shape?

Everything in moderation.

What would you consider your sexiest, strongest attribute? What do guys compliment you most on?

My natural boobs, people even accuse me of them being fake! LOL

What do you think is the sexiest thing about a man?

The way he kisses you :D

Anything about your heritage, ethnicity, or nationality that you feel people would like to know?

Not really, I am just a New Zealand European Kiwi Girl!

Share something about yourself that may surprise others. What is the most adventurous thing you have ever done?

Getting naked on a Hotel roof in Las Vegas in peak hour traffic in order to take an epic photo! Security came knocking on our door shortly afterwards lol they were not happy!

GETTING NAKED ON A HOTEL ROOF

Guys want to know, what do you normally sleep in?
 Nothing, I rarely wear clothing at all at home actually especially not while I sleep!

If you were in a magical machine that could transport you to any place and time imaginable, where would you love to be? Why?
 I would love to go back in time and see how the world use to work with no technology!

Are you a naughty girl, or a nice girl ;) ?
 Very naughty! ;) But nice when I need to be.

Please share a guilty pleasure with us. Your naughtiest fantasy?
 To naughty to share ;)

What's one thing about yourself that everyone should know?
 I think that I can see sprits!

Do you go to college? What do you study?
 Not college but I have studied done a beauty therapy course.

Do you have any favorite quotes that you would like to share?
 "sometimes i pretend to be normal.. when it gets boring i go back to being me"

What does being published as cover girl of Modelz View magazine mean to you?
 I am so excited! The is my first ever cover and I believe I am your very first cover girl from New Zealand! Very excited and honoured.

How and with whom you are celebrating Valentines Day ?
 I am not sure how but I will be celebrating Valentine's Day with my love. Maybe we will go for a walk at the park and feed the ducks!
