### Q HOW YOUR FAMILY SUPPORTS YOU IN MODELING CAREER ?

My family supports me with love and encouragement. They are very proud of how far I have come and push me to continue to fulfill my dreams. Sometimes they even buy me outfits or pay for travel for my shoots.

### Q HOW YOU BECAME A MODEL, HOW DID YOU EXPERIENCE THE FIRST JOB YOU DID AS A MODEL?

A friend needed a model for a shoot and since all of his usual models were bailing on him, he asked me if I would be interested. I never thought of myself as particularly photogenic, but it turned out to be really great for my self esteem! I saw myself in a completely different way and discovered that I love being in front of the camera. I have been modeling since then.

### Q YOUR INSPIRATION :

Exploring new sides of myself and creating beautiful images inspires me to continue modeling. I have a drive that pushes me to do the best I can at everything that I do and that keeps life exciting.

### Q PROJECTS YOU HAVE WORKED IN:

I recently did a zombie pin-up shoot in which a makeup artist painted my body green and gave me a lot of cool looking injuries. The final image was me in black lingerie sitting on a classic car. It's pretty sweet and you can check it out on my instagram.

### Q PUT THESE FACTORS IN ORDER OF IMPORTANCE FOR BECOMING A SUCCESSFUL MODEL: THE RIGHT LOOKS, HARD WORK, LUCK :

Hard work, the right looks, luck

### Q WHAT WOULD WANT IN THE AFTERLIFE?

My family, friends, and lots and lots of food.

### Q WHAT IS THE SEXIEST PART OF YOUR BODY ?

Most men seem to think it is either the ladies or my smile.

### Q YOUR FIRST KISS ?

It was a guy I dated in fifth grade. It was one of the more awkward moments of my life. I'm so glad kissing gets better! haha

My first love was a guy from another local high school. We dated for about six months but broke up when he travelled after high school. It broke my heart at the time but I am so glad that it didn't work out! He had major Mommy issues.

## 0 DEFINE LOVE IN YOUR WORDS.

Love is finding the person that you don't mind having around when you want alone time. The person who you can talk to about everything or nothing at all. The person who sees through all the fronts you put up for the rest of the world. The person you love can make you smile during the worst of times and usually with a very awkward and inappropriate joke.

## **YOUR FAMILY BACKGROUND :**

I am the middle child with 2 older brothers and a younger sister. I grew up in Des Plaines, IL.

## **HOW THEY HELP YOU IN MODELING CAREER ?**

They are not involved with my modeling or acting .

## **ANY SPECIAL CHILDHOOD PRANK OR MEMORY .**

When I was a child, about 10 years old or so, I had Halloween makeup and made a stab wound on my arm. My brother was with me and we agreed that I would scare my dad who could have a very bad temper and was working outside. I was able to make myself cry on point and with my bloody arm I ran outside crying and screaming about being cut with my brother's pocket knife. However, this prank lasted only a few seconds after seeing my dad's face.

## **EDUCATIONAL QUALIFICATION :**

I was a dental assistant and going to community college when I got engaged and stopped going to school in order to start a family. I became a stay-at-home mom and went on to have seven children.

## **HOW YOU BECAME A MODEL, HOW DID YOU EXPERIENCE THE FIRST JOB YOU DID AS A MODEL?**

After filing for divorce which was very difficult for me to accept after 14 years of marriage and with having so many children, I needed to discover who I was as an individual and decide what to do outside of the home with my life and for my children. I went to an over-30-year old model casting held by Wilhelmina which I did not win but it opened up my mind to the possibility of getting involved with modeling. Modeling had been suggested to me by people here and there throughout my life but was never anything I seriously considered pursuing except in recent years. I was also very involved in church and my faith from age 18-34 and thought modeling would be vain and selfish. I believed it was focusing only on a person's outer appearance and giving no worth to their spirit, mind and heart. But when I was approached by a photographer at a 4th of July festival in my town who asked me to let him shoot me I said ok and doors started opening for me.

This was my first photo shoot and was actually a very bad experience. This photographer wanted to be my manager and I said no. This made him angry and he refused to give me any of the pictures he had taken. Nevertheless, I remained positive and I got an account on Model Mayhem and started getting contacted by other photographers wanting to photograph me. I also started going to castings for fashion shows and started submitting for extra work in tv and films. I have done print, promotional and runway modeling as well as acting. I have had many incredible experiences and opportunities while meeting very talented and wonderful people. I discovered my love is acting and I enjoy modeling very much. I am truly grateful and honored to be asked to model so often and for some terrific projects after having seven children.

## **WHY DID YOU CHOOSE THIS LINE ?**

I was approached with the opportunity to model and discovered it was a fun way to be creative and express myself. I love different styles and watching the outcome of a creative team. A beautiful photo can be the result of a talented make up artist, hair stylist, wardrobe stylist, fantastic photographer, great lighting, editing and a model who understands posing and camera angles. I feel that a great photo truly expresses a feeling so for me modeling, in a way, is also acting.

### YOUR INSPIRATION ?

I would say my kids and life itself are my inspirations. I do not believe we have to act a certain age or in a certain way and my kids keep me feeling and acting young. I am thankful to God that, after having children, I am and look very fit; I want to encourage other women and moms to feel beautiful! With every breath of life, I want to hope and dream and believe. I want to believe that all things are possible. If you desire to do something great, then be great! Be creative! And as I always tell my kids and believe for myself, " Why can't it be YOU? Why can't YOU be the one that does it?" Whatever "it" is for you. The world needs us..... the world needs YOU. Each individual has gifts, strengths and talents. Let's use them to help each other and build strong communities and a compassionate world.

### PROJECTS YOU HAVE WORKED :

Fashion shows (too numerous to mention all), promotional and print modeling, Tv/Film/Radio acting and modeling appearances

### RECENT PROJECTS :

Small acting parts on Chicago PD and Chicago Fire; about to film; Red Carpet Concierge International and trade shows are recent work

### WHAT'S BEEN THE BEST MOMENT OF YOUR LIFE ?

Have I had it yet? lol..... So far, each birthday of my kids and the day my divorce was finalized in court

### WHAT WOULD YOU WANT IN THE AFTERLIFE?

To be in heaven.

### IF NOT MODELING, WHAT WOULD U HV DONE ?

If I had not been a stay at home mom for almost 14 years and then began modeling and acting I believe I would want to have pursued an MBA and a career in business. wild dream - Being nominated and even winning an Academy Award

### HIDDEN FEAR:

I don't have hidden fears. I am totally open and will share my insecurities and vulnerabilities with those that ask. I believe we all have fears and can be a great comfort to one another as we share them with one another.

### HIDDEN TALENT :

horseback riding, tae kwondo

### WHAT IS THE SEXIEST PART OF YOUR BODY ?

I hear the sexiest parts of my body are my eyes, legs, lips

### YOUR FIRST KISS ?

In middle school a boy kissed me and I remember thinking how gross it was and why would anyone actually want to do it. My feelings have changed lol.

### FIRST CRUSH/LOVE ?

I was a teenager and remember feeling like this boy was my best friend, like we could do anything and everything together. We were not very physical and I believe that's why my heart was so attached to him. Because he made me feel like he loved me for who I was.... not just what I looked like.... which was far from impressive back then. This, btw, is what all girls and women are longing for..... true love, someone who will protect their heart and be their trustworthy best friend and comfort throughout life.

### DEFINE LOVE IN YOUR WORDS :

Willingness to sacrifice and put others before oneself, patience, understanding, compassion, compromise, being considerate, enduring, forgiving, truthful

### LASTLY, WHAT DO YOU THINK OF MODELZ VIEW MAGAZINE N MODELZVIEW.COM ?

It's a magazine filled with beautiful women and I would be honored to be included with them.
