## MV quest

**Q How you became a model, how did you experience the first job you did as a model?**

I used to do promotional modeling in my early twenties. In the past 2 years I've jump back in the industry. I am definitely more comfortable in my skin now, which has given me the opportunity to try different things.

**Q Why did you choose this line ?**

I think modeling is a blast! What girl doesn't like to get dolled up and jump in front of a camera!! I have met some really amazing models, photographers and makeup artists, some of them I consider good friends.

**Q Your inspiration :**

I think Marissa Miller is one of the most beautiful women in the world. I swear she doesn't age J

**Q Projects you have worked in :**

I have been featured in a few local bridal blogs/projects. I had my first shot on the runway last year. I am also a regular model for a vintage clothing store. I work closely with a few photographers here in Iowa on different projects as needed.

**Q Recent projects :**

My most recent project was being featured in The Chive's 4th of July shoot. It was an absolute BLAST! I also just had the pleasure of being published for the first time!

**Q Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck.**

Hardwork, right looks and then luck. Your look isn't always going to be what a photographer has in mind for a project. Especially living in Iowa, luck doesn't really have a play in the list J Iowa isn't exactly the modeling mecca of the world. You definitely have to work hard to get your name out there.

**Q What's been the best moment of your life ?**  
Going to get all sappy on this one but marrying my best friend.

**Q If not modeling ,what would u hv done ?**  
Probably what I'm doing now J I have my full-time job that keeps me pretty busy during the week. I usually end up scheduling shoots at night or on the weekends when I have free-time.

**Q Wild dream:**

I would love to take a month off and island hop in the Caribbean. Nothings better than clear blue water and a bikini.

**Q Hidden fear :**

I wouldn't say it's hidden...I HATE spiders

**Q Hidden talent :**

I like to rap J

PHOTOGRAPHY : DAVID SCOTT

**Q What is the sexiest part of your body ?**

No question, my smile. You can have all different kinds of smiles J

**Q Your first kiss ?**

It was in a church parking lot!

**Q First crush/love ?**

Jonathan Taylor Thomas J

**Q Define LOVE in your words .**

Love can come in so many different forms. Love for a significant other, pet, family member, friend, etc. I am a firm believer in always telling someone you love them anytime you get a chance. You never know what tomorrow will bring.

**FAVOURITES**

**Fav song –** Anything that you can dance to!

**Fav movie-** That's a tough call. I'm a total action junkie. I love Bad Boys II but you can't beat the Transformer movies, well all of them but the last J

**Fav dance form-** I don't have much rhythm but I love watching the hip-hop dances on the different reality talent shows.

**Fav color-** Pink, how's that for being a total girly girl

**Fav brand-** I've got a thing for Hervé Léger lately. Love the way the material and style hugs your curves.

**Fav car-** Lexus RX

**Fav place 2 spend holidays-** I'd like to say at home relaxing but that usually doesn't happen. Holidays are a time to spend with family.

**Fav fruit-** Any and all...I don't discriminate

**Fav flower-** Lilac! It's technically a shrub/bush but I LOVE the smell of the flowers.

**Fav cold drink-** Beer J

**Q Message for youth n freshers in this line ?**

Have fun with it! Don't be offended if you aren't picked for a project. Different looks are required for different projects. Just because you are not 6ft doesn't mean you can't put your stamp on this industry. Petite girls can rock it too J

**Lastly, what do you think of Modelz View Magazine n Modelzview.com ?**

I love this magazine, I was super excited for the chance to submit. The girls you feature are absolutely gorgeous! I love the layout of the magazine too. I really enjoy perusing the website also, the behind the scenes videos are really neat.

**lets start from your family ,how they helped you in their modelling career:**

# INNOCENT<sub>AND</sub> HARD<sup>TO</sup> GET

KALA JEAN

PHOTOGRAPHY : BEANSFOTOS

# MVquest

**Where are you from, and how would you describe your life growing up?**

I'm from Louisiana. My life growing up was very simple and carefree. I was definitely brought up with all of the qualities of a southern belle.

**How did you find your way in front of a camera, modeling?**

I've always admired Beansfotos work and had a strong desire to be in front of his camera. All of his models are flawless, and I wanted to be one of them. After booking and doing my first shoot with him, I immediately knew that I loved doing it!

**What do you like best about being a model?**

The feeling I get in front of the camera is amazing. I feel sexy, and I'm always anxious to see the finished photos. The opportunities are endless.

**Besides modeling what is the most important thing in your life? Do you have any unusual talents?**

The most important thing in my life besides modeling is my family and friends. Everyone has a hidden talent, but not all of us have the pleasure of knowing what they are or they just haven't found it yet.

**We all need support in life. Where do you get your support? What or who inspires you?**

I get most my support from my friends. They are always excited to hear about the new and upcoming things I'm working on. Other models inspire me the most.

**What do you think is the most challenging thing about modeling and what advice would you give to new models?**

I think the most challenging thing about modeling is finding your comfort zone, but once you learn to own the camera, you got it! Embrace your inner sexy and always push yourself to want to do more.

**What is your favorite way to relax? What do you do for fun?**

The best relaxing time for me is Netflix, my bed, and rockin a tee and panties all day. Why not keep it comfy? ;)

For fun, I like anything outdoorsy like camping, fishing, and four-wheeler riding. I'm not scared to get a little dirt under my nails. ;)

**You look amazing. What do you recommend for those wanting to keep in shape?**

I don't really have any secrets to staying fit. I just move around and stay active as much as I can. I eat all the foods I love and want, I just don't over eat. But the one secret I will say that burns a lot of calories.... Have lots of sex!! ;)

**What would you consider your sexiest, strongest attribute? What do guys compliment you most on?**

Guys compliment my legs the most. I have super long legs. They come in handy in the bedroom for sure! ;)

**What do you think is the sexiest thing about a man?**

There is nothing sexier than an intelligent man with a sense of humor. I love being able to hold a conversation and have good laugh. Oh, and I forgot to mention...knows how to please! Now that's the full package!

**Anything about your heritage, ethnicity, or nationality that you feel people would like to know?**

I'm from the south, I'm a Cajun girl! You can't really get any better than that.

PHOTOGRAPHY : BEANSFOTOS

**Guys want to know, what do you normally sleep in?**

Most of the time I sleep in panties and a tank, but on occasions I like to cut loose and sport my birthday suit under the sheets. Haha

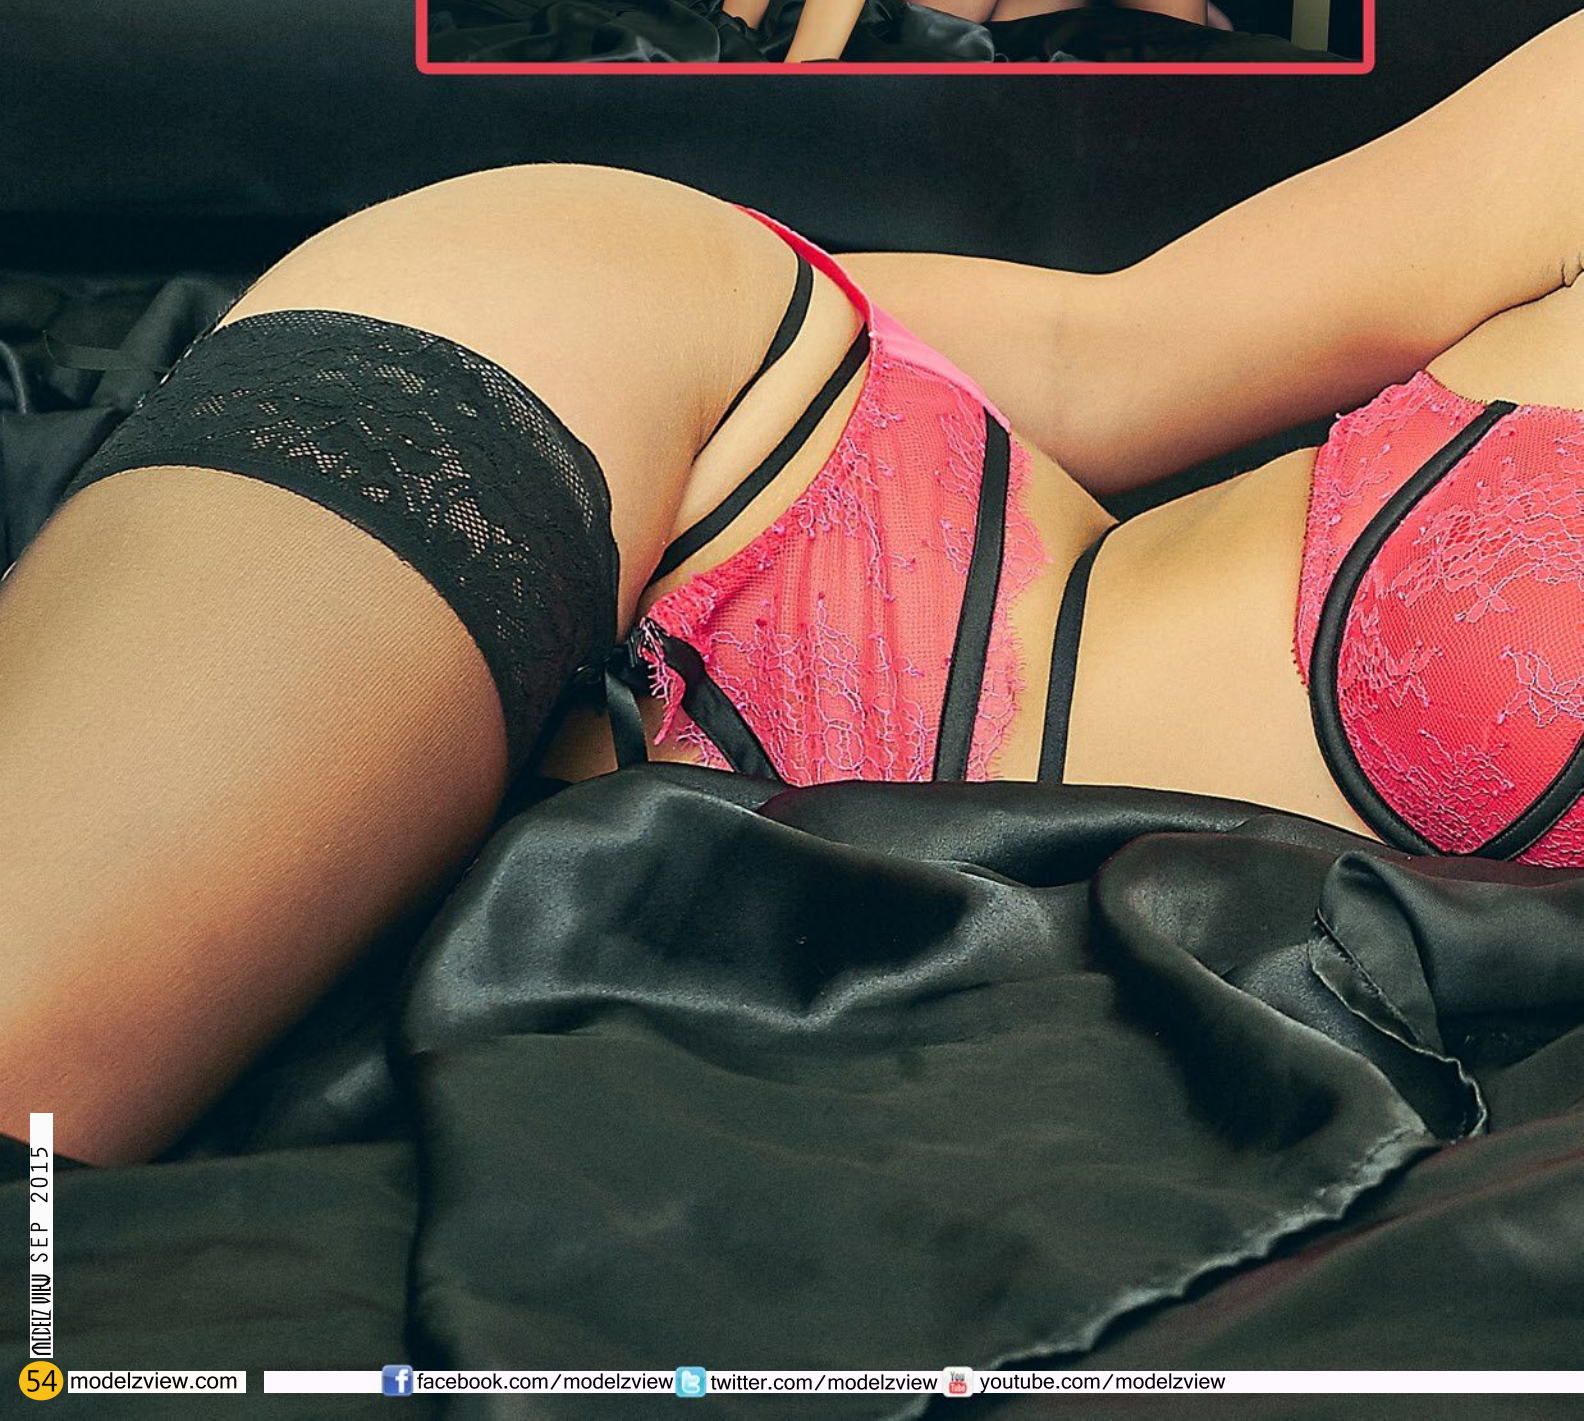

**What are your dreams and goals and ambitions?**

My dreams have already come true (even though it's not over by far) by being a model and being published. With hard work, my goal is to get my name and face known throughout the entire modeling industry, and keep bringing the sexy to all of you. I

**If you were in a magical machine that could transport you to any place and time imaginable, where would you love to be? Why?**

I would by far want to travel back to the 1920's. That was the decade of the Flappers. That decade was like new breeds of women were created. They wore short skirts and makeup, danced to jazz music, and flaunted their selves for what was considered acceptable back then. I've always been intrigued by them.

# COVER GIRL

**Are you a naughty girl, or a nice girl :) ?**

Well... I would say I'm a naughty girl, but sometimes it's fun to play innocent and hard to get :)

**Please share a guilty pleasure with us. Your naughtiest fantasy?**

My naughtiest fantasy would be to be approached by two gorgeous men. Blindfolded and handcuffed. Pushed up against the wall while being teased, controlled, and spanked.

Hey, a girl can dream right? :)

**What's one thing about yourself that everyone should know?**

I'm originally a blonde. They say blondes have more fun, but they obviously haven't experienced THIS brunette. :)

**Do you have any favorite quotes that you would like to share?**

"Imperfection is beauty, madness is genius, and it's better to be absolutely ridiculous than absolutely boring"  
- Marilyn Monroe

**What does being published in this Modelz View magazine mean to you?**

I'm honored to be a part of Modelz View magazine, because it's given me the opportunity to tell you a little bit about myself and share myself with you. It makes me feel accomplished to know I was in a magazine that publishes all of the hottest ladies!
