If Santa doesn't have to age ,then why has he become old ? He knows wisdom comes with age. Santa is a wise man! Why do we wish people a "Merry Christmass' instead of "Happy Christmas" ?

#### I believe back in the day Merry meant "peaceful" or blessed". We are really wishing people a blessed Christmas.

How many gifts can Santa Claus's bag hold ? Endless amounts I'm sure

is there really a Mrs. Santa Claus ? Definitely! Santa is a busy man, he needs a woman around to help keep him organized.

Why do we hear so many bells at Christmass time ? People hear Jingle bells and get inspired ;) What do you think you're going to get for christmas? I'm training for a marathon at the moment so I'm hoping for a new pair of running shoes!

Have you already get some presents for others?...If so what! WE want to know everything!!!!

I lived in India for a few months earlier this year and bought so many gifts out there! A lot of pretty jewelry and trinkets. **How was your chrsitmas last year?** I spent the day relaxing at my parents house with my siblings

I spent the day relaxing at my parents house with my sibling and my dog. My favorite way to spend it! At what age did you stop believing in Santa Claus? I believe I was around 10 years old

What do you usually do on Christmas Eve? I go to church with my family and then we go home and watch

Elf. <mark>Do you have a christmas tree at yours?</mark> Of course! I love when my home smells like a Christmas tree!

#### Ø Your family background ?

l am very close with both of my parents and younger brother and sister. They are all my best friends! Ø How they help you in modeling career?

My family is very supportive of everything that I chose to do. My mom is the first person I call when I book something exciting.

Ø Any special childhood prank or memory:

A favorite memory of mine was when I performed in my first music video at 12 years old. It was a Raven Symone video and at the time "That's so Raven" was my favorite show. It was surreal!

Ø Educational qualification.

I started working as a dancer when I was 16 so I decided to skip the college route and continue living my dreams! Ø How you became a model, how did you experience the first job you did as a model?

I started as a dance model for catalogues and advertisements when I was a kid and as I got older branched out into other styles.

Why did you choose this line of work?

It sort of chose me I suppose. I am a dancer 1st and have been since the age of 3. My modeling started with my dancing and I sort of unintentionally booked other jobs from there.

> Naughty or NICE?

13 Milmar, End

#### Ø Your inspiration:

My close friends, family and co workers. I choose to surround myself with people who inspire me to be better in one way or another.

#### Ø Projects you have worked in:

I have been very fortunate to have worked in as much as I have. Some of my favorite print work has been for Disneyland and Disney Hong Kong.

Ø Recent projects:

Earlier this year I lived in India for a couple months while dancing on a television show out there. It was the best experience of my life!

Ø Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck. Unfortunately the right look is first. It doesn't matter how talented you are if you don't fit the look that they need. And I don't believe in luck. Everything that I have ever booked has come from the result of something I have done.

Ø What's been the best moment of your life ?

**Definitely** winning 1st place at a world-wide dance competition when I was 18.

Ø If not modeling ,what would u hv done ?

I work as a personal trainer/corrective exercise specialist part time and I love it. If I didn't model and dance I would have probably become a physical therapist.

Ø Wild dream?

I've always wanted to be a professional hockey player. No, I've never actually played hockey lol

Ø Hidden fear

Becoming injured or sick in a way that I am not able to dance anymore.

Ø Hidden talent :

I'm a pretty good baker

Ø What is the sexiest part of your body ?

l love my back .

Ø Your first kiss ? At my junior prom! It was our 1st date and we ended up being

together for 3 years Ø First crush/love ?

That same boy who gave me my first kiss ;) Ø Define LOVE in your words .

Caring for something/someone more than yourself.

If Santa doesn't have to age ,then why has he become old 2

Well since we know that the North Pole is basically an icy dessert. The extreme cold and dry atmosphere at that the North Poles would cause Santas skin to be dry and forcing his skin to wrinkle, so part of the aging can be blamed on the harsh weather conditions. Chronic stress is another factor when it comes to aging. If you had to deliver toys to billions of children once a year all in one night, you would probably be pretty stressed yourself. Perhaps all the stress has caused Santa to smoke cigarettes and drink alcohol? That would also increase the premature wrinkling of his skin. We can all assume by Santa's obvious weight issues that he doesn't take very good care of himself. So one could only speculate, but I would recommend Santa invest in a good facial moisturizer. Perhaps hit the gym and learn yoga.

Why do we wish people a "Merry Christmass' instead of "Happy Christmas" ?

Honestly I have no idea why. I just know I say Merry Christmas because it rolls off the tongue better. How many gifts can Santa Claus's bag hold ? I could only assume that it is probably about double or triple the number of nice kids on the planet? Is there really a Mrs. Santa Claus ? There has to be. I don't believe that Santa can organize everything he has to do without the help of his wife. Why do we hear so many bells at Christmass time ? Because so many people are ringing hells. Why do so many people ring bells at Christmas time ? Because they hear bells ringing.

What do you think you're going to get for christmas?

I don't know what I am going to get, but I hope I get Mario Party 1 & 2 for N64. Iol Have you already get some presents for others?...If so what! WE want to know everything!!!!

I have not! I am a huge procrastinator! I do however plan on taking care of the people who are important to me.

How was your chrsitmas last year? It was ok. Last December I bought my own business with my best friend and had a pretty stressful holiday. I wouldn't trade it though, it has been one of the best business ventures in my life!

At what age did you stop believing in Santa Claus?

#### I would say sometime after 12?

What do you usually do on Christmas Eve?

I don't really have any Christmas eve traditions or anything. It is usually different from year to year.

**Do you have a Christmas tree at yours?** Not a real one. I have like a 12in pre-lit fake tree that sits on my coffee table.

Wanna Say something to all the models,photographers n readers of Modelz View ? I just want to wish you all a Merry Christmas and a Happy New Year!

Ø How you became a model, how did you experience the first job you did as a model? All of my modeling experiences have been amazing so far! I look forward to whatever the future has in store for me.

Ø Why did you choose this line ?

I have always felt like the ugly duckling growing up. People can say they are different from the norm, but I actually am. I want to see more of my people in the lime light.

#### Ø Your inspiration :

My inspiration in life would be my parents. They are the strongest people I know. I had always admired my father's modesty. He taught me to not give a fuck what people think of me, and it's the best thing I have learned in life. He's the kind of man that will help you even if he has nothing. It inspires me to want to go as far as I can, in hopes to help as many people as I can.

Ø Put these factors in order of importance for becoming a successful model: The right looks, hard work, luck .

They are already in the correct order. Ø What's been the best moment of your life ? Owning my own buisness.

Ø What would want in the afterlife? Knowledge about the universe & our true

origins. Ø If not modeling ,what would u have done ?

Worked a soul sucking job that I'd probably hate.

Ø Wild dream :

I want to be an astronaut. Ø Hidden fear : I fear I'll never get out of this small town. Ø Hidden talent : I can sing & act! Ø What is the sexiest part of your body ? My booty! Ø First crush/love ? Eminem Ø Define LOVE in your words .

Love isn't true, it's just something that we do. Ø Message for youth n freshers in this line ? Don't let anyone tell you who to be or how to be.

If Santa doesn't have to age ,then why has he become old ?

Because he's the biggest baddest hippest lumberjack o them all with a burly white beard to top all the wimpy hipsters' wannabe beards!

Why do we wish people a "Merry Christmass' instead of "Happy Christmas" ?

It sounds better in carols? How many gifts can Santa Claus's bag hold ? Infinity!

Is there really a Mrs. Santa Claus ? I think there are several Mrs Clauses that stay under

the radar. Why do we hear so many hells at Christmass time ? It's supposed to let us know Santa's 8 reindeer are on their way J

Why do so many people ring bells at Christmas time a

Many are pan-handling or simply spreading cheer in the streets.

What do you think you're going to get for christmas? Hopeully some nice sexy lingerie from my amazon wish list!

Have you already get some presents for others?...If so what! WE want to know everything!!!!

Yeah I got some necklaces for my sisters and a few rings and bracelets for friends rom Italy. How was your chrsitmas last year?

Last year I was in San Diego and my dad came down or Christmas. We made 7 crockpots of chili with my boyfriend and his mom to feed homeless people! At what age did you stop believing in Santa Claus? Probably 7 or 8

What do you usually do on Christmas Eve? Hang out with family members, exchange gifts, chat, reflect on our pasts. Do you have a christmas tree at yours? I do not.

Thank you so much! Right now I am most excited about my 2016 calendars, they're really polished and high quality!. It's fun and sexy, and totally perfect to hang in the kitchen.

Vhat do you enjoy most about your profession?

I most enjoy the freedom of my schedule, and the confidence and creativity travelling modeling has empowered me.

What do you believe is the key to success for a model? What qualities does one need to succeed?

#1 is be reliable, If you're a flake you will TANK in this industry. Secondly, lose the negative attitude, no one likes working with a bitch! And of course, thick skin is needed to move past the creeps and shaming comments from those who are jealous.

What do you find the most challenging part about working in the fashion industry?

The height requirement, so I don't work within the "fashion" realm. I do get some commercial work for catalogs and occasional underground runways, but most of my modeling is on the creative or glamourous side.

What is the best advice you have ever been given? "Once you can drop the partying and focus on your

goals, you can become a serious model" What's your favorite / most memorable direction a

photographer has ever given to you? "Take this sledgehammer and smash that television

set with all your might!"

What's the first thing you do when you arrive in a foreign country? Do you ever act like a tourist?

I always want to eat some local food that I can't get back home, go to the market, and see what underground shops there are to score neat clothing at. Yeah, I take selfies everywhere, but I don't use a selfie stick!

When traveling what are the five items you must bring?

Headphones, bag of nuts, laptop, baggie of instant coffee, video camera.

Do you have a skin care routine?

Yes, I wash my face with stridex wipes in the morning, then use a 20spf moisturizer. At night I use a nightly moisturizer.

If you had to wear only one designer who would it be?

Ugh I hate labeling myself, I'd rather be naked!

Which person do you admire the most ? My mom, she makes a ton of money working her ass off as a loan officer at the bank, doesn't judge me for my sexy life career, and she throws the greatest family dinners!

What models do you like to hang out with ? I don't get to hang out with many models, as we are always travelling, but I do get along well with Stephy C, Kira Distler, Ella Eray, Nadia Ruslanova, Julie Ernes, Kay Jay, Justine Marie, Amelia Simone, Chrissy Marie, Tilly McReese, Bella Burke, Nicole vaunt, Ashley Adams, Christine Adams, Jin N Tonic, and so many other girls out there I already feel guilty for not injecting from the top of my mind!

Would you ever want to get into acting ? Yeah I have done some acting, it's great but

not my passion. What's something you haven't achieved but hope to?

Eventually I want to become a bikini fitness competitor, then a fitness instructor and motivational coach J

Wanna Say something to all the models,photographers n readers of Modelz View ?

Yes, Christmas is not about presents, it's about connection to each other. Family is the most important thing to me, and I hope you all have love for your families and close friends as well. It took me a long time to understand this, but wealth is in the heart, not in your pocket.
