A Word From Our Publisher

I totally love this time of year. Winter is almost over, Spring is almost here, and that means things are going to get a lot warmer soon enough. If this issue of **GENESIS** is any indication, the heat will be here before you know it. But even if we do have to wait a bit longer for the temp outside to rise, the mercury is climbing inside with this issue. We have put together a sizzling collection of porn star cooze such as Kayden Kross, Gianna Lynn, Bree Olson, Gina Lynn, Jenna Haze, Kylee Reese, Brea Lynn, Lela Star, and more. **GENESIS** also made the pilgrimage to Sin City for the Adult Entertainment Expo and AVN Awards and we have all the inside info on these two porno-tastic events. Speaking of events, we also got a behind the scenes look at the making of Hillary Scott's *ICON*, a candid sit down with alt-porn princess Kimberly Kane and lots more, so let **GENESIS** help that boner of yours bloom!

Love & Lust,

This tattooed Asian goddess exploded onto the XXX scene in 2005, and her amazing and decadent dirty deeds quickly made her a star on the rise. A 2007 appearance on "Miami Ink" scored her some crossover points and her recent roles starring opposite Stormy Daniels in the dirty Wicked Pictures blockbusters, *Predator 2: The Return* and *Operation Tropical Stormy* are sure to help put Gianna on the fast track to superstardom.

LOOKS CAN BE DECEIVING

Last weekend I was hanging out with a group of friends and as the night went on, the conversation turned to turn-ons and turn-offs in our sex lives.

One of the girls in the group, Shawna, is kinda prudish, or at least that's how she always comes off. She's hot as fuck in a

plain Jane sorta way. She's seemingly always single, and isn't the first one you think of as being a real whore behind the scenes, or should I say between the sheets.

Anyway, as our little discussion became more involved, it obviously became pretty graphic. I'm never one to mince words, so I was very free in my speaking about my

sexual convictions and ideals. Shawna seemed pretty shocked at my candor and couldn't believe how easily a few of the women in our discussion openly discussed their techniques and loves of sucking cock. I found the whole convo pretty amusing and even felt my prick stiffen a few times when some of the girls were

'She lowered her mouth over my cock and gently sucked at first, then rhythmically increased the pressure and friction until my cock began to twitch.'

giving each other pointers on working the cock and balls in unison.

Shawna seemingly got a little embarrassed and left the group and went into the house. Not wanting her to be offended too much, I thought I would put out the fire and see what she was thinking. "Are you okay?" I asked when I saw her inside.

"I'm fine," she answered. "I just prefer to keep this all personal. See, to me, giving a guy a blowjob is the ultimate in sexual gratification. Not only is it sexually and sensually fulfilling to him, but a major, dripping wet pussy experience for me."

I couldn't believe what was coming out of her mouth and had to hear more. She continued. "I think I like the idea of being in control of a situation and having my guy at my mercy, so to speak. I find nothing better than being with a guy who perhaps may think he is pretentious and full of himself, grabbing hold of his swollen cock, playfully stroking it until a small bead of liquid escapes, wetting my finger with it, massaging his juices back into the head of his cock, soon ending up with my mouth surrounding his rock hard mass, finally listening to his low moans of pleasure that escape him."

My prick was now standing at full attention at her graphic descriptions, and she could tell. "Would you like me to demonstrate on you?" she asked, and didn't have to ask twice. I immediately dropped my drawers right there and she started sucking me as advertised.

Shawna came up for air and said, "I love watching your facial expressions as I lick your cock slowly and slide my tongue around the head of your shaft." And she did. Then she kept going.

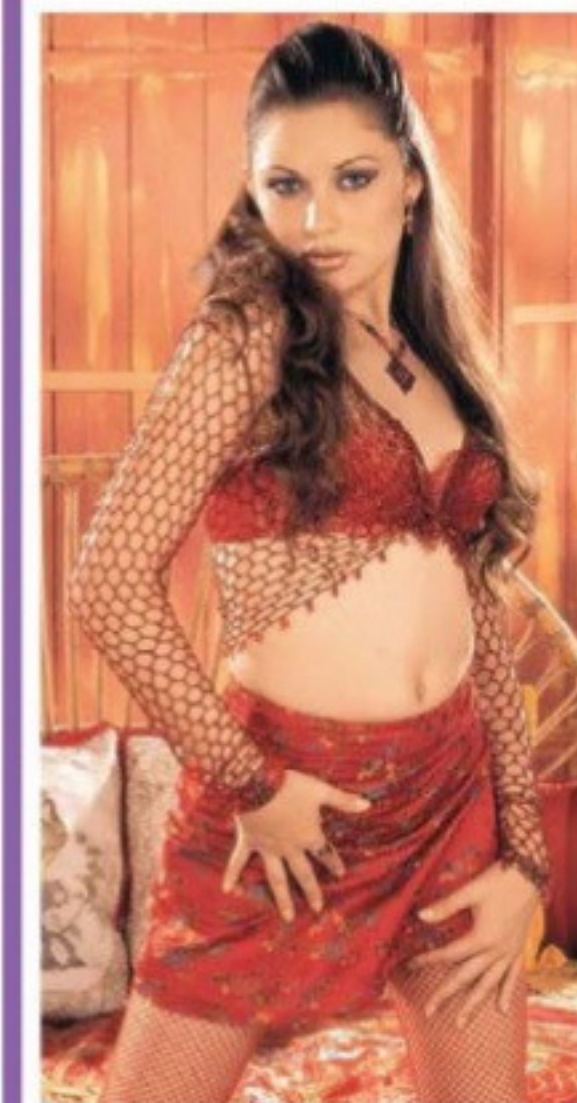

She lowered her mouth over my cock and gently sucked at first, then rhythmically increased the pressure and friction until my cock began to twitch.

"I get crazy listening to the noises of my spit moving around your meat," she said, and went right back to work. "All this is making my cunt so fucking wet," she explained, then reached under her skirt and started finger-banging herself as she continued to suck me off. It wasn't even two or three more minutes that we were both cumming in unison.

Now, I'm not saying that I don't enjoy a good fuck, but there is nothing, and I mean nothing, like an amazing blowjob!

LOST & FOUND

A few days ago I had to spend the day at one of our troubled branches out of town. On the way back to my hotel I got lost. I was so stressed out about the day's events I had completely lost my way. I pulled over to the side, hoping to find a map in the car, but couldn't find one. What I wouldn't have done for a GPS!

There was a seedy looking bar on the corner. I figured I could ask for directions inside, though I thought twice, and went in. The place was a dump. Dim lighting. Neon beer signs on the walls. A bunch of guys sitting at the bar. There I was, dressed in a navy blue jacket and skirt, with a sheer white blouse, and high heels, standing in front of the bar, asking the

Okay guys, I guess all your clamoring had an effect, because after a year-long hiatus from feature dancing in some of the finer gentleman's clubs around the country, I am back!

Teravision

'For porn stars like my girls Stormy Daniels or Jenna Haze, feature dancing is much like a rock band going on tour.'

Possibly the most fun part of my career is featuring! I generally visit a different city and club each time and usually appear three nights over a weekend. I have appeared in all of the top clubs all over the country. There are far too many to name, but each and every one was a great time! I perform a super slow and sexy striptease show that is suitable for the local clubs and laws, so whether it is in bikini, lingerie, topless, or even fully nude, I'm ready, willing and able to tease and please. What can I say? I am a true exhibitionist. I move very slow and sensually, and sometimes I even perform a little girl-girl show live on stage if the clubs allow and there are girls who I find super hot and sexy. I am really submissive sexually, so I need a

20257

21094

girl who will take charge and just take me! I'm a rocker at heart and love to dance to music like Marilyn Manson, Nine Inch Nails, Alice in Chains, Linkin Park, Korn, and lots of other harder tunes. But sometimes I take it off to pop like Beyonce, Gwen Stefani, or even some hip-hop. During the first song I kinda parade around, and pose a lot, spin on the pole, and take off a garment or two. During the second song I generally unveil my big, firm round breasts, and I get so turned on to hear the crowd go wild. My manager told me that I am the top feature attraction for over five years now, so it is usually sold out like a rock concert. When the guys cheer for me, my nipples get hard and my pussy gets totally wet. The third song I get totally nude

'I offer my fans the Pornstar Special, where you get a photo with me, a DVD and a poster. Guys and girls alike seem to love it.'

(club allowing), and I crawl around on the floor and spread myself for the guys. Girls by the stage often try and make out with me or grab my boobs, and sometimes I let them. I got in trouble a few times!

I sometimes see a hot guy in the crowd and I will drape my long raven hair over him, and then graze my boobs across his mouth. This gets me even wetter. I love to tease, really! At the end of the third song, I start my give-aways when I hand out and toss posters, calendars, photos, pics and even DVDs to the loudest people in the house. Guys who spend thousands in the club will be screaming at the top of their lungs for a \$30 DVD! Amazing! My roadies and bodyguards will collect all the money that has been raining down on the stage and bring it backstage to me. Sometimes I forget to or can't trade it in, and I end up going home with a whole duffle bag filled with singles, which can be kinda embarrassing at the store.

I love dressing up so much, and I have lots of different costumes that I put on, and then take off, from a French maid to an Asian princess. I like to use some of my own outfits from Mistress Couture, (shopit.com/mistresscouture) and after the show, I freshen up a little bit, and get ready to meet my fans. I sometimes have had to stay in a club for five hours to get to everyone, but I always do my best to see everyone in person.

I offer my fans my DVDs from my studio Teravision, Polaroids with me topless or nude, calendars, magazines like **GENESIS** autographed, and all kinds of packages. My manager invented this thing called the Pornstar Special, where you get a photo with me, a DVD and a poster. Guys and girls alike seem to love it.

For me, or other great porn stars like my girls Stormy Daniels or Jenna Haze it is the equivalent of a rock band going on tour, but even much more up close and personal. So go to TeraPatrick.com and look at my schedule to see if I am coming to a club near you and we can meet in the flesh. I am looking forward to it with great anticipation!

Cuban badgirl Lela Star's hunger for cock and insatiable thirst for manjuice is well documented in the scorching hot scenes she's delivered for top companies such as Evil Angel, Red Light District and Jules Jordan Video. However, Lela upped the ante even further by winning "Jenna Jameson's American Sex Star" search and then becoming a contract star for ClubJenna. Who knows what naughty surprises Lela plans to treat us to in future releases, but for now we invite you to check her out making Stacey's pussy purr in this hot pictorial.

Scratch beneath Stacey's sweet and pure outer appearance and you'll find a young screen sexpot whose "go get 'em" attitude made her one of the biggest stars in the "barely legal" porn genre. Of course, when it comes to giving pleasure, Stacey is an equal-opportunity sexplorer, and one gander at this twat-tickling session with the lovely Lela Star is proof that, when it comes to making her partners climax, this gorgeous honey does not discriminate.

Hillary
Scott's

ICON

Article
by Bobby
Greyhound.

of SexZ
Pictures.

Hillary Scott is one of the most decorated porn stars of all-time, having won just about every porn award they have ever made over the past couple of years. Her trophy case would rival that of any Hall of Fame ballplayer, so I was really excited that I would get to see her getting fucked in person during the filming of the new SexZ Pictures movie, **ICON**.

I was invited to cover the shoot in downtown Los Angeles at a secluded studio that would be home base for much of this glamorous shoot with award-winning director Eli Cross in charge.

The day I was there they were shooting a lavish scene complete with red carpet entry. Cross barked out direction to his crew and cast. "Get those flashes popping and hit her with key light so she glows. Hillary, take your time and walk down the red carpet and pause just like you're at a real party."

Hillary looked gorgeous with her super light blond hair styled in a cute bob-style

that made her look like a rich celebrity following a visit to an expensive salon. Her smile lit up the camera and her tits poked through her thin outfit almost begging to pop out and be touched. At the end of the long paparazzi carpet was a big circular bed that was in the middle of this massive shooting soundstage almost looking out of place.

With the director telling Hillary to slow down during her walk of fame, I could almost sense that she wanted to sprint towards the bed to get the cock sucking started, but being the total pro that she is,

she met his commands much like Dorothy walking down the yellow brick road on her way to the Emerald City.

Soon her tits came free and she began to kiss Heidi Mayne who would also take part in this orgy-like sex fiesta.

Alec Knight, Marc Davis, Alex Sanders, Tyler Knight and Cheyne Collins joined the

her knees to take their cocks deep inside her mouth. Her moist tongue ran up and down the length of Alec's huge shaft as her tiny hand gripped his length and jerked him off. He penetrated her mouth

showing his dick completely down her throat. Saliva covered his wang and dripped down her hand and arm as she sucked his monster prick. Her legs opened wide to allow Heidi to taste her vagina as the group of fucksters melted together into one group pounding that left nothing to the imagination.

Cock after cock penetrated the girls' mouths in an oral orgy. Suddenly Alex positioned his cock at the entrance to Hillary's twat and slid down balls deep. She screamed with passion as he pounded her pussy, then Alec withdrew and shoved his cock down her throat. Soon Tyler was fucking Heidi who was already busy sucking two cocks, as pussy, tits, ass, cock and balls became a blur of sexual activity. It was hard to remember who was fucking whom, but I guess by the time this would be over everybody would share an atrocious amount of DNA as spit, sperm, and juice flowed freely like the Nile.

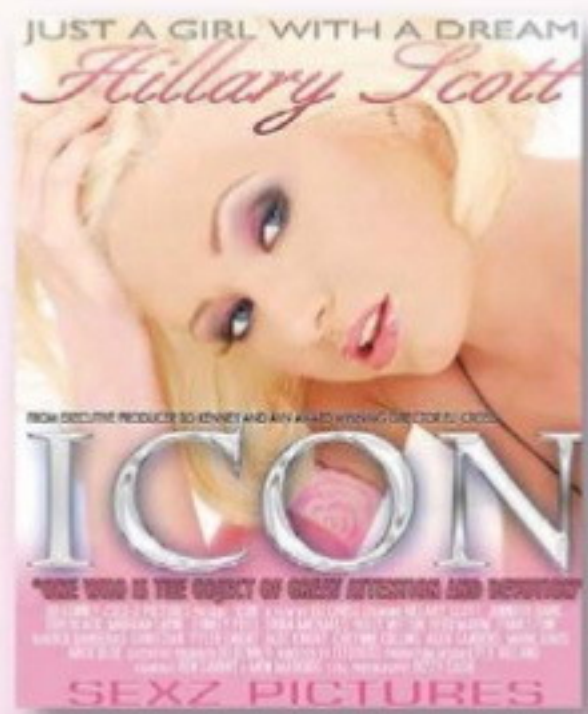

At one point the guys wanted total access to the girl's anal cavities as the girls positioned their lovely bodies in picture-perfect doggy styles with their asses high in the air and ready for backdoor lovin'.

First Alec slid his dick deep inside Heidi's starfish as the two fucked raw and hardcore. Then Marc Davis inserted his veteran cock deep inside Hillary's asshole for a nasty backdoor violation that pleased the fuck out of the SexZ Pictures contract star. In with fresh cock, out with old cock, back inside the asshole and then into her mouth before being thrust back inside an asshole and/or pussy.

Heidi needed to be double-penetrated and offered her ass and pussy up for a plunging as Alec and Alex rammed her everyway 'til Sunday. Hillary wanted in on that action and spread her gorgeous legs to allow Tyler to drive it home deep inside

her asshole before someone else retook the pussy like wrestlers performing a tag-team swap.

The smell of sex filled the air like popcorn at a movie theatre and we were just getting started on this epic sexual odyssey. Cross barked out some more direction and Hillary spit out a thick wad of saliva that would soon lube up her precious asshole and pussy for some more fucking. I learned that Hillary doesn't like to use store-bought

lube and instead prefers the natural lubricant of cunt juice and spit, and boy can she work up a mouthful of natural gob.

It's a mystery watching Hillary fuck considering she looks like she could be a Sunday school teacher. Her Midwestern wholesome good looks and petite body are in direct conflict with a girl who fucks so hard.

"I just love to fuck as hard as they can do me," she said during a short break as

the crew adjusted some lights. "Ever since I got into the porn business, I like extreme hardcore sex. Don't try to make love to me, because I will tell you to leave. Just walk up to me and shove your cock in my mouth. That's the best way to win me over if I meet you on-set," she offered.

Soon, they were back fucking as Cross gave the command to continue the freaky action. The group took more turns doing each other, with Heidi also featuring a

cock in her mouth, one in her ass and one in her pussy. "Wow, this girl is a dirty fucking champion, too!" I thought as the scene began to reach a climax.

"I want you guys to cum in their mouths and then Hillary and Heidi swap the jizz with each other back and forth. Let it drip," Cross directed.

Following a few more minutes of furious fucking, the guys could take no more and began to blow their chowder onto the girls' faces and into their mouths. Alec blasted a huge load followed by Cheyne, Marc, Alex and Tyler, like a ball-draining ballet. The thick mixture of sperm filled Hillary's mouth as she savored the load before spitting the broth into Heidi's already sperm filled oral cavity. The girls seemed happy to be sharing the cum as they let every drop drain from their mouths and into the other's mouth like a mother birdie feeding her young. "Cut" came the final command from Cross as *ICON* was a wrap and the happy actors could move on to the showers and rinse the juices from their bodies.

I can say that I was extremely lucky to get this day on the *ICON* set and highly recommend that you pick up this SexZ Pictures movie, but only if you like super hardcore, in-your-face fucking wrapped in a high-gloss glamorous package. ★

EVERY PORN FAN'S DREAM

GENESIS takes a look at

the 2009 Adult Entertainment Expo

We assume you're a porn fan. Hell, you wouldn't be reading this if you weren't, right? So where were you for four days in January? We can tell you where you should have been, and that's at the 2009 Adult Entertainment Expo in Las Vegas—the Shangri-La of all that is smut.

Just in case you've been living under a rock somewhere without cable tv, Internet hookups or any sort of readily-available media, the annual Adult Entertainment Expo is the time of the year when virtually anyone who is anyone in adult makes the pilgrimage to Sin City to strut their stuff. Whether it's showcasing their biggest DVD releases of the year (past, present and future), showing off the gorgeous stars who feature in their movies or on their websites, or introduce the horny public to their newest sexual products, this convention is the place for companies, and fans, to be.

Easily the biggest gathering of XXX oriented folk in this hemisphere, the Adult Entertainment Expo (or AEE) is put together with the help of AVN (Adult Video News) and is a four-day convention of all that is sex. The show features "industry only" hours where XXX professionals can get deals done, but there are also hours for three of the four days where fans (that means YOU) can meet their favorite stars and see what's up in the adult world.

This year's AEE was kicked off with a ribbon cutting ceremony with Wicked Pictures contract superstar and director Stormy Daniels opening the show, and just to show you how eager she was to get things started, when the ceremonial scissors didn't work, Stormy wanted to get the show on the road and tore open the show with her bare hands to let the masses enter to get their XXXperience started.

Held on two levels of the Sands Convention Center which is attached to the Venetian and Palazzo hotels, the cavernous halls play host to hundreds of exhibitors from the world of adult. From vendors selling greeting cards and other adult novelties, to house-sized booths with jumbotrons looping porn scenes highlighted by star signings, there's something for everyone here.

Stormy Daniels

When you enter the main hall, you're instantly smacked in the face with a who's who of adult movie royalty. Wicked Pictures booth featured all of their contract stars such as Stormy, Jessica Drake, Kaylani Lei, Randy Spears, Alektra Blue, Mikayla Mendez and Kirsten Price. Vivid had Savanna Samson, Meggan Mallone, Sunny Leone, Nikki Jayne and Hanna Hilton greeting folks. Adam and Eve Pictures featured their contract stars Bree Olson and Kayden Kross signing alongside industry legend Nina Hartley and *Roller Dollz* stars Sunny Lane and Courtney Cummz (complete with her brand new boobs).

Digital Playground had a monstrous showing and probably the show's biggest lines. They brought out their full contingent of contract girls starring Jesse Jane, Stoya, Katsuni, Riley Steele and their newest babe, Angelina Armani. Also on hand at their booth was *Pirates II* star and rising superstar

Sasha Grey, as well as Teagan Presley, who lovingly joined her fellow starlets in signing posters and DVDs and taking pictures with the hundreds of fans who stood in lines to meet these gorgeous hotties. While they waited for the chance to meet the girls of Digital Playground, they were entertained with the trailer of what will most likely be one of the biggest movies of 2009, *Nurses*, starring Jesse and her contract sisters.

Another major attraction on the main convention floor was the Fyre TV booth and stage. Fyre TV is discreet set top box that connects to your television and provides access to over 20,000 DVD-quality adult movie titles. FyreTV's proprietary interface enables users to rapidly access adult movies with an innovative search engine that allows users to browse content using a combination of queries including: category, title, star, studio and series. Once a scene or movie is selected and played, users have the ability

to store favorites and create play lists. So what was this tech-savvy company doing at the show to let people know of their existence? Well, they hosted an entertainment stage in the middle of the show floor that featured everything from male dancers for the ladies to enjoy (and maybe some men), to an orgasm contest and other fun stuff.

One of my personal highlights on the Fyre TV stage was the star-studded panel "Everything You Wanted To Know About Porn... (but were afraid to ask)" which is sponsored by **GENESIS** magazine and moderated by myself. This panel has become a featured attraction at various other adult shows around the country such as EXXOTICA in Miami Beach and New Jersey, and Erotica LA, but never before has it had a lineup like the one we had at AEE this year.

Our panel included Digital Playground's Jesse Jane, Joanna Angel of BurningAngel.com, 2008 AVN Best Actress Eva Angelina, Penny Flame, Sasha Grey, the 2008 AVN Female Performer of the Year/Star of *Pirates II: Stagnetti's Revenge*, married porn power couple Travis Knight and Gina Lynn, 2008 Best New Starlet and

Tera Patrick

Adam & Eve contract star Bree Olson, Vivid Girl Savanna Samson, adult legend Randy Spears and rising starlet Bobbi Starr. Mike Moz of The Star Factory helped me field questions from the hundreds of fans who gathered to ask these titans of hardcore about everything from breaking into the business to revealing some of their sexual tricks. All of the stars who participated were candid, entertaining, professional and some were downright hysterical. If you ever get a chance to attend one of these sessions, please do. You won't be disappointed.

Left to right: Joanna Angel, Eva Angelina, Sasha Grey, Penny Flame, Gina Lynn, Travis Knight, Bree Olson, Savanna Samson & Randy Spears

Not being able to take part in the festivities on the Fyre TV stage was Tera Patrick, our gorgeous publisher for **GENESIS**. Tera did something groundbreaking this year, as she always can be counted on to do just that. For this year's AEE, instead of having a booth on the show floor, she

decided to do something a little more intimate by hosting daily "Happy Ending" meet and greets at popular nightclub Lavo, located in the nearby Palazzo Hotel and Casino. Fans who were lucky enough to stop by the club after a busy day of meeting some of their other XXX faves had the opportunity to meet the Queen of Porn, Tera, get her autograph and picture, get a free Teravision DVD and even have a complimentary cocktail. The place was swamped each day with hundreds of fans taking advantage of this unique opportunity in more of a party atmosphere.

Speaking of parties, that's a huge part of every AEE. Vegas is well-known for its nightlife, but when you throw the porn world's hottest stars and companies into the mix you have nothing short of an amazing party. Every year, Tera leads the pack with her sold out events, and this year was no exception. Her parties at the Venetian's Tao nightclub and at Lavo were packed to the rafters with fans raring to go until the wee hours of the morning. Her Diva Las Vegas party at Tao featured a fashion show of her Mistress Couture lingerie line as well as some guest DJ work by Tera herself.

Also making a huge splash on the party circuit were Digital Playground with their *Pirates II* party at the always popular JET located at The Mirage. Most of the stars of the blockbuster and Digital Playground's roster were there, including Jesse Jane, Sasha Grey, Angelina Armani, Stoya, Ben English, Riley Steele and many more top names in adult, and the fans in attendance were treated to all of these gorgeous girls hopping up on the main stage of the club and dancing the night away as only they know how to.

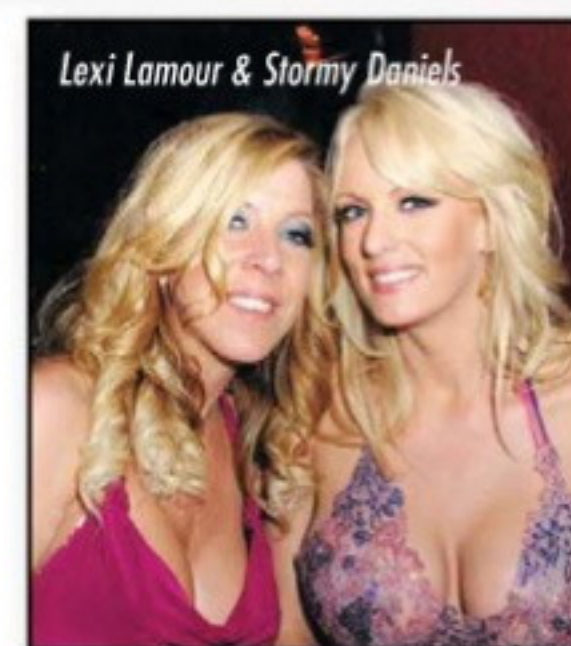

Later that night we headed to one of two Stormy Daniels parties that we were proud to sponsor. This first one was at

Dirty, Sunny Leone, Evan Seinfeld, Tera Patrick & Monique Alexander

Lavo and was a pre-release sneak peak at Stormy's upcoming *Operation Tropical Stormy*. This is the much-anticipated sequel to her award-winning comedy and from the footage we saw it's even bigger and better than the first. Also spotted in the crowd there were adult stars such as Jenna Haze, Lexi Lamour, Devon Lee, Ethan Cage, Lela Star, Marcus London, Sophia Santi, Nikki Rhodes, Sophie Dee, Victoria Valentino, Lexxi Tyler and her MMA star boyfriend, Rob "Razor" McCullough. Director Luthor King and actor D Snoop, nominated at this year's AVNs for best male newcomer, were also in attendance. club also had such mainstream superstars such as Stevie Wonder, UFC champ Quinton "Rampage" Jackson, musician John Legend and Wilmer Valderama were reported to be floating about in the club.

Stormy's other big party was her Awards After Party at Tao the following night. Randy Spears dropped by for some cocktails, as did other major stars such as Moxxie Maddron, Veronica Rayne, Gianna Lynn, Teagan Presley, Lexi Lamour, Ethan Cage, Jack Vegas and many others who came by to help celebrate the end of another successful awards show. G4 camera crews helped catch the VIP action as part of their ongoing coverage of the convention and nightlife, which Daniels helped co-host.

When all was said and done from the sexual whirlwind that was the 2009 AEE, no one—fan or industry pro—left disappointed. And while overall attendance was slightly down this year due to a difficult economy, this truly was one of the best shows ever. ★

26th ANNUAL AVN AWARDS

Porn's finest honored at star-studded extravaganza

For 26 years, there's a night in January that the entire adult industry centers on Las Vegas. It's the night when the best in the biz are honored in front of their peers, and now the fans get the opportunity to witness XXX history as well.

For the third year, the Mandalay Bay Events Center played host to the AVN Awards. Also taped for broadcast on the Showtime cable network, the movers and shakers of the adult world and thousands of fans packed into the arena as AVN saluted the biggest stars, scenes and movies of the past year.

As always, the night begins with the stars making the long walk into the show through Mandalay Bay. Fans are lined up for what seems like at least a quarter of a mile, five deep, hoping to get a snapshot of their favorite star decked out in her (or his) hottest attire. Once you make your way through the gauntlet, it's onto the red carpet for those who are nominated where it's a frenzy of press representatives from around the world. Photographers are snapping away, reporters have their mics out

Left to right: T-Pain, Flavor Flav, Flo Rida

for a quick sound bite and celebrities are on the carpet itself hoping to get a quote or three from the night's nominees. And it's not just the adult world that is gathered. Don't kid yourselves. This is a global entertainment event as all sorts of media and mainstream personalities take part in the festivities. But enough about the background, and on with the star-studded show...

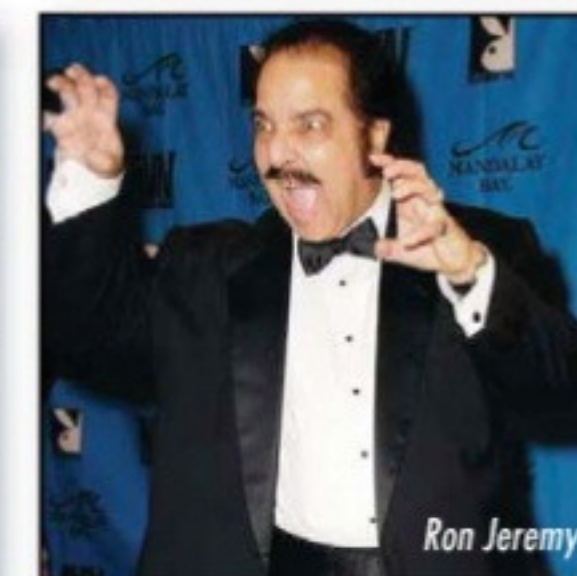

Grammy nominated and chart topping hip hop star Flo Rida opened this year's spectacular with the Spearmint Rhino dancers with his hit single "Low" featuring guest performances from T-Pain and Flavor Flav. That started the show off right for comedienne Thea Vidale, and co-hosts Jenna Haze and Belladonna. All three ladies did a great job as they introduced the cavalcade of adult's top stars who gave away the trophies to the winners.

As expected by many, Digital Playground's XXX blockbuster *Pirates II: Stagnetti's Revenge* cleaned up with 16 awards, including Best Feature. James Deen was named the top male star of the year, and our own Jenna Haze won a much-deserved "Female Performer of the Year" honor. Digital Playground contract star Stoya won for "Best New Starlet," and a hall of fame class of '09 was led by our gorgeous publisher, Tera Patrick in her first year of eligibility.

All in all there were 127 awards announced at the 26th Annual AVN Awards. Not all were presented to their winners due to time constraints, but that doesn't take away from the fact that they are all deserved. For a complete list of winners, head over to AVNAwards.com, but here are some of the evening's big winners. ★

 I Promise To Satisfy All Your Most Exotic Urges!
 I've Been Bad - Will You Teach Me A Lesson?!

"I groaned louder, begging him, "Deeper! Deeper!""

burley bartender where I was and how to get out of there.

Needless to say, I "aroused" some attention. A tall muscular man in a sleeveless shirt came over, put his hand gently on my ass, and offered to buy me a drink.

I was so startled I couldn't say a word. I stammered a little, but he ignored me, casually running his hand up and down my ass! The bartender brought over a couple of bottles of beer, and my "new friend" lifted them with one hand, and led me across the room. I didn't resist and we started to talk about everything that had happened that day. He said I needed to take my mind off of things and led me up some stairs. As I walked up, he slid his hand underneath my skirt, feeling my legs, touching my ass, and brushing against my pussy. "What am I doing?" I thought to myself.

He led me inside a room with a beat up bed and closed the door. I was trembling, partially from nervousness, but also from excitement. He put the bottles of beer on a table, and casually undid his pants. I sat down on the bed, dazed by what was happening, and watched as he pulled out his thick cock, and stepped out of his pants. He also pulled his tee shirt off.

Mentally, I kept asking myself what was going on. Physically, my body was screaming. As he stepped towards me, I put my hands on his hips and slowly licked the tip of his cock. With one hand, I started to jerk him off. His balls hung low, and I sucked them in my mouth. He fondled my breasts through my blouse. I became more excited. Reaching around, I clutched the cheeks of his ass with my hands, and deep throated him, sucking and licking, trying to please him, wanting to please him.

He humped my mouth, and I tried as much as humanly possible to take all of him inside. A few minutes later, he bucked his hips. I felt his cock throb, and he filled my mouth with cum.

I couldn't believe how horny I was. He lifted me up with his strong arms, opened my blouse, undid my bra, and sucked on my tits and nipples, as he pushed my skirt and thong panties to the floor. With his strong hands, he felt my ass as I rubbed my leg between his, stroking his cock, which was quickly becoming erect.

He lay me down on the bed, and lifted my legs in the air, pressing them back against my chest, and tongued my pussy,

sticking his tongue deep inside of me, licking me, and making me cum a half dozen times. My head was swimming as I realized he had climbed on top of me, and was fucking my tits with his hard cock. I squeezed them together, enjoying the feeling, eagerly licking his crown as it neared my mouth, as he reached back and fingered my horny pussy.

I was his. He moved to the side of the bed, and rammed his cock inside of me, thrusting with all of strength. I came immediately, crying out for more. He leaned into me, pumping me harder and harder, grunting loudly. I heard myself crying out in pleasure as I came still another time.

Just when I thought I was going to faint, he pulled out, turned me over, and took me from behind, harder and deeper than before. His cock felt so big and hard, and he was inside of me so deeply. I groaned louder, begging him, "Deeper! Deeper!" before he exploded inside of me.

It wasn't until 4:00 a.m. in the morning that I found my hotel. But, I certainly enjoyed the trip.

HOME STATE: Arizona

YEARS IN BIZ: 2

The desert of her native Arizona has nothing on the hotness that is porn starlet Brea Lynn. A former Vivid Girl and well-known award-winning centerfold, Brea decided to give up doing guys on film and stick to solo and gash-on-gash work. Thanks to the technological wonder that is the DVD, we have a bunch of Vivid releases including *The Sunny Experiment* and *My Big Fake Wedding* that feature Brea in all of her hardcore glory. Will she once again cum back to full-on XXX fucking on film? Who knows, but we can dream about this hottie doing just that, enjoy her lesbian romps and bask in her past dirty scenes.

KIMBERLY KANE

Kimberly Kane was born 25 years ago in Tacoma, Washington and has steadily risen to the upper echelon of porn with her scenes and directing. In the late summer of 2008, she was even named one of the top 10 female directors, coming in respectively at number five by the website XCritic. The artistic and sultry Kane is a veteran in the industry with 200 films to her credit, since entering the business in 2003. But she is no stranger to porn. Kane had grown up around the industry with her mother who was a porn producer and exotic dancer. The charismatic all-natural porn star is known for her lavish appetite for hardcore sex, which she brings to all her films. We sat down with the leader of the Kane Army to talk about her time in the industry and what she is currently working on.

Interview by Troy Michael

GENESIS: You were recognized by XCritic as one of the top ten female directors. You've also won a few AVN Awards. What do accomplishments like that mean to you?

Kimberly Kane: My accomplishments mean a lot to me, but I'm never satisfied. I'm always trying to work harder.

Since your mother was an adult film producer, did you ever think that you might become a porn star one day?

My mother was never involved in the 'mainstream adult business.' She did produce an excellent softcore art film and it was very inspiring to me, but I never saw myself becoming a porn star because of it.

Since you came into the industry and did your first film *Troubled Teens* in 2003, how would you say the industry has changed?

I think the industry has really opened up into the mainstream more than ever before. I believe smarter people are making porn, watching it and demanding a higher standard.

Looking back on your career thus far, would you do anything different?

If I could go back and not do all that really bad porno, I probably would. I've done some pretty cheesy stuff in my day.

You've been in the business five years now. How far do you see yourself going and what would you like to accomplish?

Are you asking for my five-year plan? (Laughs) Okay, I want to perform and direct in my own movies only. I want to work with a great company that will have my back and support my vision and me.

If you weren't in the adult business what do you think you would be doing?

If I had stayed up in the northwest, I probably would have kids or be on drugs or something. I didn't have a bright future up there.

With 200 films to your credit, what is a fantasy you haven't done yet?

I have a few fantasies that I keep to myself, so I can still masturbate at night—gangbangs, transsexuals, double penetration, etc.

Have you ever done anything on film that you thought you would never do?

Anal, for sure. I always wanted to master it, but I was a slow learner. It was really hard for me to relax, but now I can really enjoy it. And, I think I might start doing it on a regular basis.

Have you ever had an embarrassing sex scene?

My first year in the business, I did a scene with Michael Stefano and Manuel Ferrara. I ate McDonald's French fries right

before the scene, which was a rookie move. [I got sick] and have never eaten before a scene since.

Outside of the business, what do you do in your free time?

I like to spend time at home and hang out with friends. I like going to the beach for walks, photography, going out to eat and visiting bookstores, petting my lizard, cooking up my next big movie and traveling.

What is one thing people would be surprised to know about you?

I hate being a blonde.

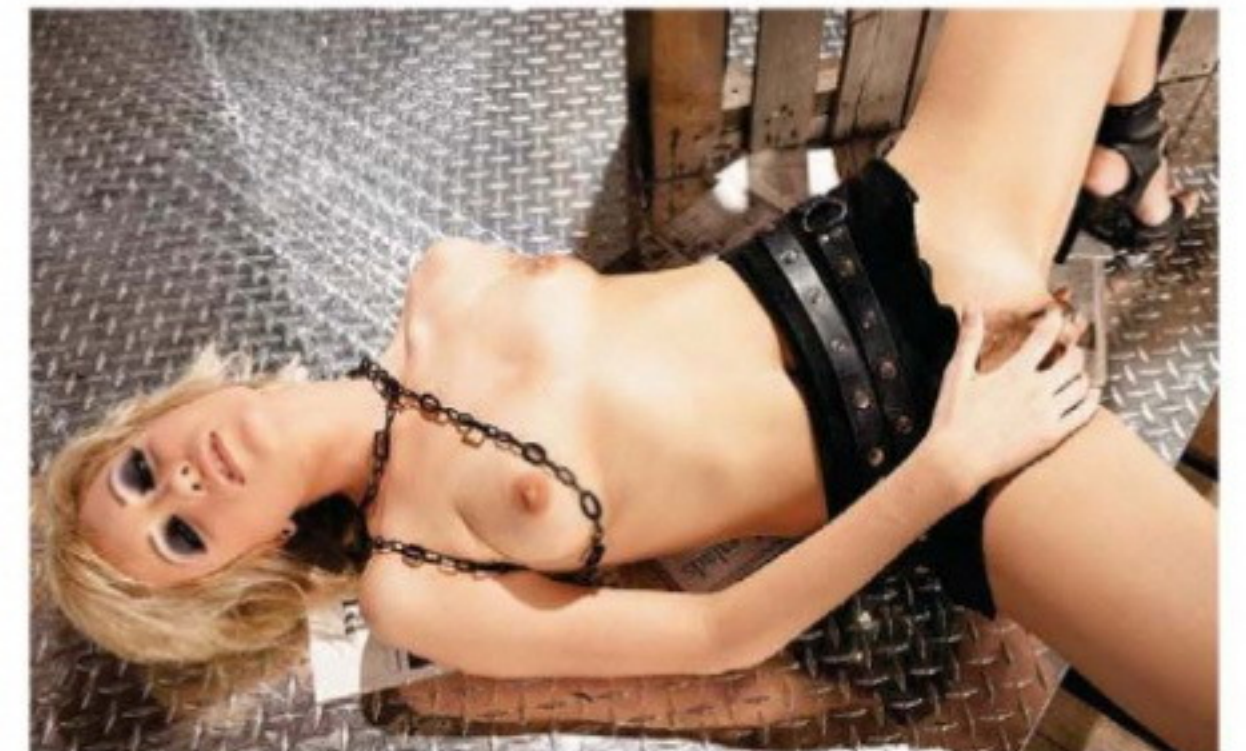

What's the strangest story a fan has ever told you or presents they ever given you?

I think the best things I get from fans are handwritten letters. They mostly just express their loyalty to you in small perfect handwriting. I have a collection of them that I'll probably use in a book someday.

Kimberly Kane can now expect a flood of snail mail

FAQ About Xomax

- Q.** How soon do you see results?
A. Most men see results with their first dose and increasing results over 60 - 90 days.
- Q.** Are the results permanent?
A. For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.
- Q.** How much growth can I realistically expect?
A. Up to 5 inches or more with an increase in width of 50%
- Q.** Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommended for those looking for advanced penis enhancement, plus Xomax has no side effects.
- Q.** What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such as Ginseng or low end forms of L-Arginine.
- Q.** Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within three months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today - the best money can buy!

Bree Olson's BEDTIME STORIES

You know, the life of a porn star isn't all glitz and glamour and a whole lot of sex. Sometimes I have to do mundane, every day type things that I don't enjoy. Sometimes I even go a few days without getting laid! Recently I'd had a two-day dry spell and I was just itching to get fucked. Unfortunately, the desire for dick can hit me at some inopportune times, which can result in either incredible orgasms or major embarrassment. Read on to see how this one ended up!

XOXO
Bree

MOUNT ME AT THE MALL

I unzipped his pants and was surprised by my hottie's girth. He wasn't extraordinarily long, but man was he thick! I lapped and sucked and crammed him deep in my throat. He moaned and grabbed my hair, working me to the perfect speed. I was afraid he might cum before I was done with him, so I pulled away from his glistening, spit soaked gland and told him how I wanted it. "Hard, deep and don't stop until I tell you," I said.

He nodded as I put one leg on a chair and guided him inside my wet, waiting pussy. I came instantly. Slow, steady strokes had me groaning so loudly he put a hand over my mouth. "Shhh," he whispered. "I could get fired!"

He fucked me hard and well, and the idea of us getting caught made it even more exciting. By then my knees were buckling and sweat was dripping off us both. I told him it was his turn and he spewed a giant stream of cum on my stomach. It was such a pretty mess that I rubbed it in and wore it the rest of the afternoon.

We dressed and he walked me back to his department, where he gave me his number and the shoes for free. It was a good shopping experience after all and wish they were all like that! ★

So I needed new shoes. I know, not a great opener, but that's the truth. And because I have little feet, it always turns into an ordeal because I have a hard time finding my size in the styles that I like. Anyway, I decided to hit the mall one Tuesday afternoon on a shoe search. I figured there'd be less people and I thought I could get in and out without any problems.

My quest led me from one store to another, but I finally found a few pairs I wanted to try on. A cute sales guy waited on me, and as I sat there waiting for him to bring out my size, I felt that old familiar tingle between my thighs.

With nothing to do to occupy my time, I started rubbing my legs together, feeling my swelling labia grind against one another and getting me more and more excited. I was wearing thin little shorts (and no undies!), and it wasn't long before I could feel a wet spot begin.

The hottie showed up and knelt at my feet to help with the shoes. I giggled as he gently massaged my foot and placed it into the shoe. "Mmmm," I said. "Feels nice." I opened my legs a bit and let him get a look at the now spreading wet spot.

"Do you want to try the other one on?" he asked. "Only if there's somewhere a little more private," I answered.

He led me back to the dressing room, which was conveniently located next to the shoe department. Before I could say a word, he had my tank top off and was expertly licking and sucking my aching, hard nipples. I think I came from that alone!

As he rubbed and fondled my big tits, I struggled to step out of shorts. The mirrored walls were an extra bonus, but it was almost more than I could take! Seeing hundreds of images of us in our frenzied foreplay was incredibly hot. I couldn't wait to see his bulging cock.

CUM FOR COVER 2

Starring: Lisa Sparkle, Baby Silver, Alien, Regina Moon, Nikki Rider, Antynia La Rouge and Black Angelica. Directed by Chris Rolie.

(Jules Jordan Video)

Alien

Lisa Sparkle is the Hungarian version of Lisa Sparxxx, a 26-year-old woman in a sparkly red and green plaid micro mini who takes on four cocks that seemingly come out of the woodwork.

Antynia thinks she's a college cheerleader in her red, white and blue bikini and silver boots. But, having grown up in

Antynia La Rouge

Romania, she didn't start sucking cock till she was 20, which is a bit late compared to most college chicks, who jump start their throats at eighteen. Still, she's willing to have her esophagus toilet plunged by Euro Trash, which will get her to the pep squad someday.

Regina also takes on four guys, licking their balls like lollipops, and one guy actually tries to Axel Braun her pussy to make her squirt, not that it does either of them any good.

All the scenes here are hot, so no wonder they Cum for Cover!

—Dick Freeman

Black Angelica

Lisa Sparkle

CAROLINA JONES AND THE BROKEN COVENANT

Starring: Bree Olson, Ava Rose, Nikki Blond, Roxy Panther, Steve Holmes, James Brossmon, Karim, Alex, and David Perry.

Directed by Ethan Kane. (Adam & Eve Pictures)

Ava Rose, Bree Olson & Karim

There is no question whatsoever that this lavish production came out at the right time as a parody to the recent Indiana Jones movie. Granted, it isn't the first to parlay the success of the Indy franchise into a porn production, but it is the best to do it so far.

This cross-gender version stars Adam & Eve's Ava Rose and Bree Olson. Ava plays Carolina Jones, daughter of you-know-who, and Bree is a bumbling, fumbling country gal with an obscure accent and uncanny ability to fuck her way into and out of any situation.

Bree really is a trip and shines in the best scene on here. In her quest to try

another woman she finds herself in a threesome with Ava, Zenza Raggi and his more than cooperative dick. Ava and Bree team up to administer a sizzling dual blowjob which culminates in Bree screaming in pure passion as Zenza plows her ass and tops it off with a messy dual facial.

Be prepared to overdose on Bree and Ava! —Edgar Argyle

Nikki Blond & Steve Holmes

ANAL CHAOS

Starring: Rebeca Linares, Renae Cruz, Alexandra Ivy, Sabrina Rose, Holly West, Michelle Avanti

and Adriana Deville. Directed by Chet Brando. (Iron Cross/Teravision)

No one could ever accuse the people who named this movie of false advertising, because there is enough off the charts hardcore brown-eye bopping on this disc to satisfy even the most ardent consumer of pooper plunging.

Holly West & Cheyne Collins

Michelle Avanti

The insanity kicks in right away with Renae Cruz, Adriana Deville and Rebeca. The real sex begins with Linares getting a raunchy face fucking on a leather table. His cock drops from her mouth to her cunt, but after a brief stint of straight sex, he gets her ass wet with some salad tossing, then parks every last inch of his pole in her back door. He fucks her ass until he unleashes his sauce on Linares' gorgeous face.

The cum has barely drained from this guy's tool, and he's already set his sights on Cruz and Deville. He gets on with the business of playing hide the salami with each of their balloon knots. When it's time for his release, he jerks off onto a large spoon and the girls launch into a cum feeding frenzy and sperm swap finale.

It's great the way the action jumps from one scene to the next with very little set up,

and before the viewer even gets a second to wipe the batter from his fingers, there's lots more to this third-input masterpiece.

FLEXIBLE POSITIONS

Starring: Shyla Stylez, Megan Reece, Savannah Gold and Katarina Kat.

Director not credited. (JM Productions)

Megan Reece

Megan's a former cheerleader from Texas and who tries to wear out Anthony Rosano. She shows that it is indeed possible to fuck while doing the splits. She can also back bend and suck your cock. These two would be a great entry into the sexual olympics team events, especially for her heels behind head fuck and single leg behind the head spoon position, which is not to be found in the Kama Sutra. She

Katarina Kat

can even do reverse cowgirl splits, as can Katarina, who is a former circus performer.

Anything Megan can do Katarina can do better. She looks a bit like a young Goldie Hawn, though with guns and pierced nipples. Justice Young works her out on some weightlifting equipment so she can build up a sweat, the better to show off her pussy flexing. At one point, doing a mish split, Justice

Shyla Stylez

Savannah Gold

power lifts her under her thighs and she zero gravity fucks him. She's also able to back bend fuck and, if you ask nice, do the deed from a handstand.

Our other two girls are hot too. Not quite as flexible, but fuck just as well!

INITIATIONS 22

Starring: Sabrina Starr, Sophia Lomeli, Celeste Mulet, Addison Lee, Jordan Star, Ellie Idol and Sayurii.

Directed by Ivan. (Anabolic)

Sayuri & James Deen

Addison Lee, John Strong & Tony T.

Another long-running Anabolic gonzo series taken over by Ivan, this volume of Initiations is the best one released in years. Ivan has a knack for finding interesting angles and perspectives that don't interfere with the viewer's self pleasure. His camerawork can still create heat between the viewer and the performer, and that's what he does here.

Sabrina Star & John Strong

There are some excellent performances from several newcomers like Sabrina and Jordan in particular. Jordan has a sweet smile and a respectable sense of adventure. We got to learn a little about her before Tony T. jumped in. This babe has awesome jiggle jugs that do the safety dance in every position. She keeps her clear platform heels on for most of the scene much to her credit. What a great smile this girl has even without the goo.

Sabrina has excellent tits, the gusto for fucking and a shaved twat hotter than a cherry pie cooling on a windowsill. Pick this one up no doubt.

Directed by Joone. (Digital Playground)

Belladonna & Jesse Jane

I have to admit that I was looking as forward to this movie as the rest of the porn-viewing public. I am a huge fan of the first *Pirates*, so I couldn't wait to check out this sequel that the buzz had as being even better than its predecessor.

Digital Playground pulled out all the stops with a four-disc set featuring eight hours of swashbuckling adventure, countless DVD extras and the hottest names in porn engaging in some of the most intense sex ever captured for the screen.

There are too many sexual highlights to talk about, but any review of this flick wouldn't be complete without talking about the incredible lesbo session between Jesse and Belladonna. Both of these girls are amazing, and I can't remember a

fuckathon with Jesse and Katsuni. The girls bring his dick to attention with their oral skills, and Stone pays them back with colossal balls-deep dicking. All in all this is an instant porn classic and easily one of the best movies of the year, if not the decade!

pairing who have lit up the screen with the raw sexual tension and pure ferocity of these two hotties. Both lick and finger each other's pussies and asses, and by the time the scene is over, both are drenched in spit and girlcum.

Another standout screw stars Shay Jordan, who goes wild, filling her cunt and mouth with big, thick meat in a helacious and sweaty threesome. Evan Stone's shining moment comes in a

Girls like Kinzie Kenner were made for porn. Full, red cocksucking lips, a thunderous ass and a rack that's just begging to be bouncing during a furious fucking make Kinzie a wet dream brought to life. Kinzie also knows what she's got and she certainly makes the most of it as plenty of ass sex is a big part of this gonzo gal's resume. After a half-dozen years of getting her ass, face and pussy pounded by humongous meat poles, Kinzie got her first mainstream credit last year for her cameo in hip hop star Necro's "Who's Your Daddy" video.

Jenna Haze's CARNAL ADVICE

All the men I have banged in my life have been circumcised. Recently my girlfriends were telling me that it's more pleasurable to suck and fuck an uncircumcised cock, and that I'm really missing out on something. Is this true, and do you have a preference when it comes to foreskin?

Ms. Skins Game
Ontario, CA

Personally I like cocks of all shapes and sizes and colors, cut and uncut. In my experience the only place an uncut cock is a bit different is in your back door. For some reason anal seems to be easier with uncut cocks. I think that the extra foreskin gives a little bit of cushion and makes the cock softer. So definitely try a cock that hasn't been "trimmed," because you might love it, and especially if you love anal sex as much as I do!

Jenna & Evan Stone in Pirates II

Some of these guys in porn have monster-sized meat. What's the biggest thing that you've ever had in your pussy and/or ass?

Hawaiian Horndog
Honolulu, HI

I would definitely say that Lexington Steele's cock is the biggest thing I've ever had in ANY of my holes! Wow, was that a good time! Think that's my limit, for sure. But Belladonna has done some amazing "stretching" feats. We shot this one scene for Fetish Fanatic 2 where I did some pretty crazy stuff to her ass and pussy at the same time that was truly amazing! It wasn't able to be included on the DVD, but I'm pretty sure it's on her site, EnterBelladonna.com.

I'm totally jealous of the way you can deep throat a big dick and take it balls-deep into your mouth. I love sucking dick too, but if I even try to deep throat, I immediately start gagging. Can you teach me how to give a "Jenna Haze" blowjob?

Slutty Selena
Walford, IA

Well I don't think that I'm the queen of deep-throating, but I do have some skill at it. I think I have the hand and mouth co-ordination thing DOWN PAT! I believe that the key to deep-throating is just to relax the back of your throat and slowly work it back. Use lots of spit and take your time. Belladonna is probably the expert at this technique. Fuck, she can deep-throat LEX!

I'm an aspiring mainstream actress, and I have a routine I do that gets me ready to perform. What sorts of things do you do to prepare for one of your hardcore sex scenes?

The Lesbian Thespian
Landover, MD

I just always try to make myself feel sexy and pretty and confident. Make sure I have my nails done, my hair done, my toes painted and I'm all shaved and freshly showered and lotioned up. If you feel sexy you'll portray sexy. I try to come into work with a calm state of mind and just looking to have a good time.

Jenna & Jean Val Jean from the pages of GENESIS July 2006

You've accomplished a bunch of stuff in the porn business, such as winning awards both personally and for your scenes and movies, hosting this year's AVN Awards, being a contract girl, being in big movies like Pirates II. What would you say are the ones you are most proud of, and what is there out there that you still really want to accomplish?

Dougie C.
Ocala, FL

Jenna, Jesse Jane & Charles Dera in Jesse Jane Kiss Kiss

taking home something from them to show for all your hard work is amazing. "Best New Starlet" in 2003 from AVN was a huge one for me to win, as well as winning three oral awards—one each from AVN, F.A.M.E. and XRCO. Being in a movie like Pirates 2 was a great experience and awesome exposure. I'm also very proud of that. And of course being asked and honored with the chance to host this year's AVN Awards was UNBEFUUCK-

I feel like awards are a great accomplishment and we get to receive them from all the different aspects of our industry. There's the F.A.M.E. Awards, which are fan voted on and really mean a lot to me. Then there's the XRCO Awards that are our critics' faves and then the AVNs, which are voted on by our peers and industry driven. I love all of these awards shows and

INGLIEVABLE! I really can't believe I have gotten as far as I have and I am eternally grateful for it. As for things I haven't done. I am focusing now on my Internet and DVD companies, so I'd love for that to go well. I just want to keep making hot and nasty films for you to enjoy and if I keep winning awards for it, then that's just an added bonus. ✨

Make sure you visit Jenna on the web at her official website, www.jennahaze.com and her MySpace page at MySpace.com/JennaHaze. If you have a question you want to pose to our pretty porn starlet, send it in to Jenna@genesismagazine.com. This column is for entertainment purposes only!

Angelina Armani in The Big Hit

Angelina Armani Joins GenesisOnline's Staff

Digital Playground's newest contract star, Angelina Armani™ takes on Hollywood with a weekly column on GenesisOnline.com. In the ongoing column entitled "The Armani Watch", the model beauty discusses her love of mainstream cinema. Each column by Angelina reviews a new Hollywood movie from the perspective of the adult star. Angelina's love of movies is only rivaled by her love of sex, and she's putting that passion into letting film fans

know what her opinions are on some of Tinseltown's biggest hits. To read Angelina's column, visit GenesisOnline.com/ArmaniWatch. "We are obviously thrilled to have Angelina contributing to GenesisOnline.com," says Daniel Adam, the Editor-in-Chief of Genesis. "Angelina's one of the hottest new stars in adult for arguably the hottest company in Digital Playground. She's also gorgeous and has a great sense of humor to go with her looks. Other sites and magazines will have stars reviewing adult films, but we thought it would be unique to have Angelina reviewing mainstream Hollywood. We look forward to running many more of her fresh takes on Hollywood films and know our readers will enjoy them as much as we do."

Samantha Lewis, Digital Playground's CEO says, "Thank you to Dan and Genesis for the continued support and visibility to our estab-

lished and shared demographic." In her new column, Angelina Armani writes, "If there's one thing I love almost as much as sex, it's sitting down and watching a really good movie. I try to get to the theater on a pretty regular basis, and when I'm not shooting scorching hot sex scenes, I'm at home thinking about sex while watching a DVD. I can watch just about any type of movie... I'm going to pass on my opinions about what to watch and what to avoid like a really bad lay! So sit down and check out 'The Armani Watch'..."

GenesisOnline.com is a free news and adult entertainment site launched earlier this year by Genesis Magazine. It is currently one of the most viewed sites of its kind and traffic continues to grow. Angelina's column is just one of many unique features that GenesisOnline.com possesses, and is easily one of the most entertaining.

Jack Venice Found Guilty of Rape

Male Star Receives Life in Prison

Male performer Jack Venice, whose real name is Christopher Jack Reid, was found guilty in October and convicted of second-degree rape, first-degree burglary and two counts of residential burglary in a Washington state court. He was found not guilty of another charge of attempted residential burglary.

Venice's convictions are from incidents this past September where he allegedly broke into a sorority house on the Washington State Campus with former WSU student Kyle Schott and raped a former sorority member.

Venice, who did not testify during the trial, was sentenced in December to life in prison and will be eligible for

Janine Sentenced to Six Months in Jail

Porn legend Janine

Porn hall of famer Janine was sentenced in December to six months in federal prison after being found guilty of tax evasion. She was also ordered

to live in a residential community corrections center for up to six months after her release from prison and one year of supervised release. She had

originally faced up to a year in prison. The XXX legend had pled guilty this past summer to intentionally not paying her income taxes in the sum of \$294,000. Between 2000 and 2006, during a period in which she owed \$200,000 in federal income taxes, she spent more than \$750,000, investigators alleged. Inventor Builds Female Robot Companion

A genius inventor has constructed his own robot girlfriend. As reported in the Sun.com.uk, Le Trung, 33, has created "Aiko" a robot that was made to look like a beautiful Asian girl in her twenties with 32-23-33 measurements. Aiko also has brain function capabilities that include math skills and the ability to do household tasks and remember her creator's favorite drink.

Le, of Ontario, Canada says that he never had the time to find a real woman to share his life with, so he created a companion with his own hands using the latest technology. A former software programmer, Le has taken out credit cards and loans, sold his car and spent his life savings on perfecting Aiko.

"I want to make her look, feel and act as human as possible," says Le. "So she can be the perfect companion." The inventor also says that Aiko was not made to be a sexual partner for him, but she could be altered in a way that would make her sexually functional. "Her software could be redesigned to simulate her having an orgasm and reacting to touch as if she is playing hard to get or being straight to the point," Le said.
