A Word From Our Publisher

It is time for another issue of **GENESIS** already, and it couldn't have come a minute sooner. I don't know about you guys, but I've been horny as hell, so this is the perfect fix to scratch that itch if you get my drift. **GENESIS** is always a sure bet to help cure those XXX blues, and in this issue we have a plethora of pro porn pussy that will do just that. We have sexy starlets like Teagan Presley, Digital Playground stars Stoya and Angelina Armani, Alektra Blue, Nikki Kane, Kenzi Marie, Codi Carmichael and more spreading their legs, opening up their mouths, asses and pussies, and doing whatever else they have to make damn sure you guys get off. **GENESIS** also sat down with dirty girl Jada Fire and we took a visit to the set as they made Digital Playground's newest cockbuster, Nurses. If that's not a fantasy of yours, then let us suggest putting **GENESIS** down and getting your head checked!

Michael Ninn introduced the world to this Midwestern blonde tart along with her talents for bringing both men and women to their knees in orgasmic delight in the 2007 release *Meet Nikki Kane* (Ninn Worx). Most porn fanatics will tell you that Nikki's best work was her boiling bounce with Michael Stefano in *Ashlynn And Friends 5* (Digital Sin). However, we believe that this explosive fuck session between Nikki and Charles Dera right here in our pages shows this cock-craving hottie at her very best.

SHOP 'TIL YOU POP

I own a small women's clothing store and see a lot of nice looking chicks coming in. One of them in particular was the hottest. Every time Rachel came in, she would flirt with me and show off her shapely legs and her succulent tits.

One morning Rachel came in with her tight dress swaying to her steps. By the time she got to the counter, my hard-on was rather obvious. I asked her if she came in for anything in particular. "I'm looking for nice pair of fuck me pumps. You know, something you could fuck me in," she said and winked at me as she looked down to my crotch.

Forget subtlety—she knew what she wanted, and I was going to give it to her. I walked over to the door and put on the "Be back in fifteen minutes" sign and led Rachel into the back of the store where she pulled

bing pecker inside her needy cunt. With each thrust into her twat, my balls bounced off of her firm butt cheeks. Her pussy contracted as I withdrew, giving me the ride of my life.

Rachel's moans and squeaks escaped her throat as I continued to fuck her like she had probably never been fucked before. I was determined to make this screw count as I pumped away for what seemed like hours, and finally, after one long thrust, I pulled out and shot my steaming load all over her heaving tits and tummy.

I wish all of my customers knew what they wanted when they come in! It makes my job so much easier!

down her dress. Her tits popped out like bullets. I took a step back to look at what I had at my hands. My watering mouth darted toward them as my hands went to work on her crotch. She was moaning like a wanton slut saying "Oh, baby, that feels so good!"

After a few minutes of deep tongue kissing, I finally got her dress off the rest of the way and found two gorgeous pussy

lips glistening in the wetness between her legs. Without any hesitation, I laid her on her back on top of an old display case, and went to work on her tasty twat. She had her pubes neatly trimmed into a little landing strip, and I had a clear tongue shot to her moist cunt. My tongue darted in and out, and all around her inviting twat. Rachel was panting like crazy. I can tell she really liked what I was doing to her as she thrust her slit toward my exploring tongue. I slowly licked her

pussy, being sure I was hitting her love button with just the right amount of pressure. I knew once I flipped the switch to her climax, there would be no return.

My stiff cock was standing up like a California Redwood. I knew she was ready as she begged, "Fuck me now! I can't take it any more! I need your cock in my cunt!"

Being the nice guy that I am, there was no way I could ignore a plea as desperate as hers, so I went to town on her, holding her by the hips and thrusting my throb-

BLAME IT ON THE RAIN

This past summer we were having a serious drought. My husband and I were working in our backyard and I told him how sad I was that my garden was dying. He tried to cheer me up and told me that maybe I should do a rain dance. I just laughed back at him, but then decided to

take the joke to another level, so I stripped off all my clothes and started dancing in the backyard.

Jake nearly flipped and started laughing. His response didn't deter me. I continued dancing around, throwing my arms up into the sky, my tits jiggling. Jake approached me and started running his hands all over

THE STATE OF PORN UNION ADDRESS BY PRESIDENT TERA

Here in the good old U.S. of A. we all count on the president to update us each year on the overall status of our country, of our economic situation, an update of our foreign affairs, military, and education, our spending, environmental issues, etc. But the one thing they never seem to mention is the state of the porn industry.

'Very few producers can compete with "free porn" websites known as "tube" sites.'

It is not like they don't watch porn, but I guess there is too much shame in their game to admit it. That is why **GENESIS** has hired me, Tera Patrick, the Ambassador of Ass, the Ayatollah of Cock and Rolla, the President of Pussy, to give you the overall status and a detailed report on what is going down in the jiz biz.

Well, I was inducted into the xxx hall of fame this year, and with that I can say that I have certainly seen quite a few changes come about in the industry recently...

First off, there is more and more porn on the Internet. It seems like there are tons of websites opening and launching each day. Things like star power and originality make some stand out over others, but sites like Brazzers, Bang Bros., PornAccess.com and RockStarPimp.com are getting ass loads of traffic. Why? Check them out and you shall see. No more waiting for DVDs to load—just log in to your membership sites (like TeraPatrick.com) and away you go. There are also Mega VOD sites like GameLink.com and HotMovies.com, where it's PPM or pay per minute porn. Frankly, this takes away from the stars and brands in my humble opinion, but is still a great way to watch your smut scenes.

Next, there is more niche-based content out there. Whether it's hot Asians or big black butts, it seems like more and more people are not only watching, but producing content that is based on specific kinky fetishes or niches rather than just stories. People are thinking less and

IN-WHORE-GURATION

less of adult video in terms of a whole story and more and more in terms of scenes and scenario. I have a new line of movies from TeraVision and Iron Cross entertainment called *Smokin' Hot*, and so far we have released *Smokin' Hot Blondes*, *Smokin' Hot Latinas*, *Smokin' Hot Asians*, and many more. You get the point. A lot of people really enjoy this as they know what they like and that is exactly what they are going to get and see...

Lately there is less importance on the star or the studio and more about niche—as mentioned above. Where names like Vivid or Wicked used to help people decide what to watch/buy, it seems like the web has evened the playing field and even put amateur porn on the same level if that is what you want to see. Everything is just one click away...

There's more free porn out there. This may be the best and worst thing ever in

the history of the business. The beginning of the end is near, because with all the competition in the business, very few producers can compete with "free porn" websites known as "tube" sites, who copy the YouTube model, hide behind shitty laws about copyright infringement and make it easy to post porn that they do not own, even mine. It is a sad state of affairs, because as people view more and more free porn, companies will not be able to

'Just when you thought that some girls in the business were possibly past their prime, the MILF genre has become the new prime.'

afford to shoot quality movies, and then we are all doomed to watching cheap low-end filth. If you are a fan of a certain niche, company or star, support them by joining their site, because no matter how big of stars people are, if you are watching free porn, it is like stealing your favorite artist's music, and calling yourself a fan. We need your support.

These days there are also a lot more new girls in the biz. The web has so many talent agents, and what was once exclusively in the Valley, has now spread to Miami, New York, and more and more people are shooting porn. Unfortunately there are people who just keep shooting the same girls rather than developing talent of their own, this becomes generic, and although it is exciting to have new talent out there, it gets lame when you see them all on the same websites.

Older is better. MILFs are in. Just when you thought that some girls in the business were possibly past their prime, the MILF genre has become the new thang in porn. Teravision just released *American MILF 2* starring Lisa Ann, Julia Ann, Shayla Laveaux and more. It just goes to show you that there just is no substitute for sexperience!

Where you see porn now is broadening too. A lot of adult companies are distributing their content on mobile phones, and less people are watching cable tv porn. Between the bad economy, and people getting what they want on the web, I don't blame you for not watching more.

While the business constantly evolves, there is good news ahead for porn fans. There's lots of hot stuff to watch for in 2009. Some big movies are coming from a lot of the studios, including mine. There are always hot new girls arriving to shoot, lots of hot products come out (like my Tera Patrick Flashlight), and we too shall survive. That is the state of the porn union, and the union is good.

Digital Playground's newest addition to their contract harem became an instant XXX star with the release of *The Big Hit*. In her breakout flick, director Robby D. runs the statuesque all-natural nymphette through a gauntlet of filthy fuck positions with some of the biggest cocks in the smut game, which only left the Brooklyn-born beauty drenched in jizz and begging for more. On the Set of Digital Playground's Newest Cockbuster

NURSES

HOSPITAL

By Mo Jito

Drops of water fell into the metal bowl, as Nurse Stoya gingerly bit her lip and clenched the damp towel a bit too tight. "Are you nervous? Do you wanna do this?" asked her 'patient,' James Deen. Stoya lifted the covers on the bed and gently began to rub the washcloth against James' giant cock. "It's my job," was her simple reply. Soon the two locked in a long, deep kiss as James yanked Stoya's uniform open and searched for the only cure to his addiction for sweet, wet pussy. As my pulse pounded and breathing quickened, I was unable to tear my eyes away from the set of *Nurses*, Digital Playground's answer to America's healthcare crisis. The night before my visit to the set of *Nurses*, I went over to my girlfriend's apartment in hopes that she would help keep me from walking onto a Jesse Jane porn set with a loaded weapon. My girl already had her sweats on and was curled up

in front of the tv—never a good sign. I suppressed a groan when I noticed she was watching "Grey's Anatomy." Actually, it turned out to be a blessing when I thought about the opportunity for a little comparative research. As the show's hotties kept whining to their patients about every little thing, I couldn't help myself from stating, "You know, a cock in her mouth would really go along way towards shutting her up." I

ended up sleeping alone that night, but I was at least comforted by the fact that Digital Playground's contract stars would know what real patient care really meant. Digital Playground rented out an entire warehouse for *Nurses*. The crew completely transformed the inside into the Coos County General Hospital—a hospital as elaborate as any network medical show. Even the halls smelled of bleach, "get well" flowers, and one other thing...oh right, SEX!

Stoya walked through a double door, her white uniform short enough to reveal the milky skin of her inner thighs. It was apparent right away that this was a special hospital. She gave me a look of confused recognition and sauntered over. I reintroduced myself and told her we met back at

the 2008 Adult Entertainment Expo in Vegas. I had longer hair then and she had only an inch of black tape covering her nipples. She made quite an impression on me. "That seems like forever ago!" exclaimed Stoya. "Well, I'm glad that you made it out here today, because I'm going to let James Deen fuck me in the ass." She giggled and somehow managed to sound completely innocent while saying that.

Over walked Robby D., Digital Playground's go-to director and the mind behind two of my favorite movies, *Babysitters* and *Cheerleaders*. He requested Stoya's presence to go over a few last minute scene changes. Before I knew it, the cameras were rolling, Stoya's clothes were flung to the floor, and I began to witness

why there was so much buzz around Stoya as the top new starlet in the industry.

James slid his hand into Stoya's panties and rubbed her clit. Her eyes rolled back in complete satisfaction. James then easily flipped Stoya over and dove mouth first into her pussy, paying equal attention to her tight little asshole. Stoya's innocent moans became louder and more passionate. Grateful for James' tongue action, Stoya turned back around to face him and wrapped both of her hands around his dick. Their eyes locked as they attended to each other's needs, whispering inaudible words that resulted in an escalation of fucking, sucking, and all around debauchery.

Stoya dropped to her knees and began to work James' meat around in her mouth.

Jesse Jane, Stoya, Riley Steele, Katsuni, Shay Jordan & Erik Everhard

Her eagerness to please him occasionally resulted in a muffled gag as she fed his prick to the back of her throat. James grabbed a handful of her midnight black hair and encouraged her to continue to tend to his needs. "I like sucking your cock," purred Stoya. "It's so big."

Surrendering another hole to James' nine-inch thermometer, Stoya leaned back on the bed and opened up her pussy to the deep thrusts. Her twat grew increasingly wet, as she and James continued to devour each other with their eyes.

Jenna Haze & Evan Stone

Then, without warning, the sex became edgier. Her laughter and moans of enjoyment helped him grow braver and more forceful. James clutched Stoya and tugged on the metal bars in her nipples. Each action only heightened the experience for both of these superstars.

Not wanting to neglect any part of Stoya, James slid his hard cock into Stoya's snug asshole. He entered her slow at first, but picked up speed as the luminescent sex goddess begged for more. Stoya glided her fingers deep into her pussy to heighten the

Sasha Grey, Mr. Pete & Tony T.

orgasmic sensation coursing through her body. Moving to a reverse cowgirl position, Stoya let James go balls deep in her asshole until he pulled out and exploded all over her stomach. The Coos County General must have a policy against wasting sperm, because Stoya wiped the cum from her stomach and sucked it off of her fingers... cut! That's a wrap.

It's easy to tell when a performance is good by the reaction of the crew. When a scene has been less than stellar, I've witnessed an entire production crew run straight to the lunch truck. However, when Stoya and James Deen finished up, the whole set was silent, basking in the moment and admiring the work of two artists lying naked next to each other.

The next scene of the day offered a tasty

sampling of two Digital Playground blonde bombshells—the luscious Jesse Jane and newcomer Riley Steele. Taking Riley under her wing, Jesse checked in on Danny Mountain and his soccer injury. After diagnosing Danny, pulling his shorts down, and sticking him in the ass—with a needle that is—Jesse and Riley... walked out of the room! The crew almost had to use the shock paddles to revive me, but Robby D. promised that Jesse and Riley would have an orgasmic threesome with Manuel Ferrara that I could catch when the movie comes out.

My frown quickly turned upside down when busty Shyla Stylez walked by Danny's hospital room and caught him rubbing his sore left cheek. Knowing the best way to cheer him up, Shyla offered Danny access to her massive tits. A few licks of Shyla's crim-

son nipples perked Danny right up. Shyla's mouth on his cock didn't hurt either.

Shyla checked the health of her own tonsils by polishing Danny's knob until it was as clean as the hospital floors. She stroked her hands up and down his shaft and rubbed her breasts along his body.

Lying back on the examination table, Shyla climbed on top of Danny and popped his dick inside of her wet pussy. She rode Danny for a short time, bouncing around, before she dismounted and sucked her juices right off his cock. Desiring the warmth of her pussy again, Danny got behind Shyla and thrust into her. Lying down on her back, Shyla's breasts swayed back and forth in a mesmerizing manner, as the two stars' hips thrust together.

Shyla begged Danny to give the same hard attention to her ass as he was doing to her cunt. Danny pulled out of Shyla, licked her tight asshole a few times, and eased his cock inside. Matching Danny's ass pounding rhythm with her fingers, Shyla frantically rubbed her pink pussy lips. She moaned even louder as Danny lifted both of her legs into the air in order to fit his entire length inside of her.

The sound of Shyla's tits smacking against her body filled the set. She was on top of Danny in a reverse cowgirl, continuing to let her ass be drilled. I could see Shyla's calf muscles quivering as she continued to move herself up and down on his rod. I made a mental note to strongly suggest pilate classes to my girlfriend. With Danny about to bust a nut, Shyla climbed down, sucked the tip of his cock, and

allowed him to explode a load of cum all over her massive tits. That was a million times better than the lollypops I used to get at the doctor.

My day on the set of Digital Playground's *Nurses* came to an end with Shyla Stylez licking warm jizz off of her own jugs. As I left the set, it was slightly bittersweet thinking about how it may be difficult to find a real hospital of nurses who believe in blowjobs over aspirin and anal sex instead of band-aids. However, I took comfort in knowing that if I ever do die in a hospital, maybe I'll be fortunate and wake up in a heaven where Nurse Jesse, Stoya, Riley, and Shyla will attend to my every need. ★

For most of us porn fans we can remember a time when television actually produced half-hour sitcoms and hour-long dramas. It wasn't all this reality crap that is shown on today's television. There was nothing like turning in to your favorite television household for 30 minutes to laugh or keep you in suspense for the hour with a police drama. With these shows, you also had the opportunity to see hot girls, which led to the fantasies of many young boys (and I am sure girls) back in the day.

I mean, come on, who didn't fantasize about making out or fucking one Chrissy Snow, Samantha Stephens or even a Carol Brady? If you were on a stranded island with Tina Louise and Dawn Wells (better known as Ginger and Mary Ann) don't you think there would be some fucking going on behind the coconut trees?

Even though spoofs have been in the industry for years now, recently the porn industry has capitalized on such fantasies by flooding the market with what are affectionately called "porn parodies." These films are big sellers and there is no sign of them slowing down. With such parodies recently spoofing "The Brady Bunch," "Munsters," "Bewitched," "Three's Company" and many more, the average adult film fan can sit back in their easy chair and live out all their dirty television fantasies.

"The industry has always done parodies," Paul Fishbein, President of AVN Media Network said. "After a while, people just traded off names of mainstream movies and tv shows where the adult films had nothing to do with the original. So the trend sort of faded away. With this new crop, because people are putting such creativity into the projects, they are selling well and the consumer obviously likes them."

Producer Jeff Mullen of X-Play, known currently as the king of the porno parody (*Britney Rears*, *Not Bewitched XXX*, *Not the Brady's XXX*) added, "They will only go as far as high quality allows. The problem is that you have a bunch of companies jumping on the bandwagon making inferior product and that can only cause confusion in the marketplace."

It's a win-win situation for the porn fans because they get to see some of their favorite sex stars playing some of their favorite television stars. But how is it for the porn performers playing these roles?

"I loved playing Marcia Brady," Hillary Scott said. "I loved the show and the parody remakes from the '90s. Out of all the things I've done in porn, I think most people get a kick out me playing Marcia the most."

Ashlynn Brooke, who is in a spoof from New Sensations of the current sitcom hit "The Office," added, "It was very interesting playing someone I watch on tv, because no matter what, you're obviously not them and it's hard to portray the character the same way that they do. All you can do is your best and hope you do it the justice that it deserves."

On her role in *Not the Brady's XXX* sequel, Teagan Presley took it a bit more serious. "As an actress, it makes it tougher when you have a role that so many people are familiar with, as you really have to come much closer to imitation than a performance. So when I approached both my role in the *Bradys* as Marcia and *Bewitched* as Tabitha, I just tried to make them both my own. Tabitha was easier as no one had seen her as an 18-year-old girl. I am not a huge fan of old tv shows period, so for Marcia I just tried to be as much the bubbly cheerleader type as possible."

With these type of porn films getting mainstream notoriety, the titles and the girls have reached an audience that normally might not watch or even buy porn. And with the entire buzz it makes you wonder if the original characters of these shows know about the porn version. And if so, have they contacted the performers playing them.

"Most of the actors from the original Brady have had good things to say about it," Aurora Snow, who appeared in the 'Brady' parodies said. Scott added of the *Bradys* spoof, "Maureen McCormick [the original Marcia Brady] and I were interviewed by 'The Insider' on CBS. She said *Not the Bradys XXX* sounded fun and she would probably watch it."

The cast of *This Ain't the Partridge Family XXX*: (l to r) Payton Leigh, Faye Regan, Tori Black, James Barthelet, Scott Lyons, Jason Sinclair & Nick Manning

Jenna Haze, Mike Horner

Sasha Grey & Aaron Wilcox

The cast of *Not Bewitched XXX*: Eva Angelina, Nina Hartley (top); Jenna Haze, Teagan Presley & Mike Horner (bottom)

Aurora Snow & Tee Reel

Jasmine Byrne & Mikey Butders

Hillary Scott & Benjamin Brat

Payton Leigh & Kris Slater

Faye Regan & Dane Cross

Sarah Jessie & Scott Lyons

Kristina Rose & Jason Sinclair

These films have gotten a lot of acclaim along the way. Some have lived up to the hype and some haven't. Either way these parodies are fun and bring a different dynamic to the porn fans.

"They're fun and not like everything else on the market, Fishbein said. "Everybody puts out MILF movies. Everyone has an anal line, gonzo and amateur movies. But these parodies manage to titillate and entertain when they're done well and there aren't a lot of new ones available because they actually cost money to produce.

Ryder added, "This is a piece of Americana and the entire concept of parody brings up mostly happy memories of a time gone by."

For all the praise and excitement of the recent porn parodies, there are also the people who find them ridiculous. Some people say it's a lack of imagination to make movies like this.

"I feel the opposite," Fishbein said. "It takes imagination to take a proven popular concept and add sex to it. Who didn't talk about who we'd rather fuck on "Gilligan's Island," Ginger or Mary Ann? If the concept works, adding sex makes it interesting."

No matter if you love them or hate them, porn parodies are part of the industry and have cemented their positions with these recent television spoofs. The only question now is what television show is next?

"I like the idea of a spoof of 'The Office' with kinky co-workers getting it on," Hillary Scott said. "I remember working in an office and always fantasizing about taking someone in the back room and blowing them."

Aurora Snow added, "I'd love to see 'I Love Lucy' made into a porn movie. I could just imagine how much trouble Lucy would get into...and I'd really love to play her!" There have already been rumors in the indus-

try about a movie of the famous redhead being made with Audrey Hollander, porn's most infamous (and dirty) ginger playing the legendary character.

As for Teagan Presley, she would like to take it to the next level with grandmas spoofing "The Golden Girls." "I want to play Bea Arthur's character. I think it would be hilarious to have a group of hot actresses play Dorothy, Rose, Blanche and Sophia, with prosthetic makeup, but young, rocking bodies."

For now porn fans will have to wait and see what the future holds as far as parodies are concerned. But they can be assured that 2009 will bring upcoming parodies of shows such as "Three's Company," "Married With Children," "The Cosby Show," and probably a half-dozen or so more. It's definitely the boob tube now! ★

'I took his cock into my hand, jerked him off all over my face and watched it run down to my tits.'

my tits, my butt, my back—everywhere. Needless to say, I was pretty "wet." Still, I ignored him; dancing and shouting, "Rain! Rain! We need rain!" Fortunately, we have a 16-foot fence around the yard. I shudder to think what the neighbors would think. As I pranced around, Jake slid a finger into my pussy and one into my ass at the same time—just the way I like it. Hell, I bucked over and held on to him as best as I could, and he ground his fingers into me. I almost screamed from all of the pleasure. It felt so good.

"You want rain! I'll give you rain!" he moaned. "Oh! Jake! Harder!" I replied. I stood back up, and he went to work, licking my hard nipples, making sucking noises. My nipples were erect and hard. I managed to tear at this button and remove his shirt, and then wrestled with his pants, loosening them enough so they fell to the ground. Without waiting for his urging, I went down on him, sucking his hard cock. But, Jake would have none of that.

"I want that pussy!" he begged. He bent me over and did me from behind. I held onto my ankles as he drove his thick cock in and out, over and over again. After furiously fucking me, he pulled out. I wheeled around, took his cock into my hand and jerked him off all over my face and watched it run down to my tits.

That night as we were watching the news, the weatherman came on. I guess my dance worked. It was going to rain all week.

Kenzi Marie

STATS: 32D-26-34

HOME STATE: California

YEARS IN BIZ: 1

"I can't stress this enough," Kenzi says about her porn career. "I'm just an extraordinary woman that has a wild freaky side she needs to unleash, and I got lucky enough to make it my job." And we can't stress enough how much we get off on seeing Kenzi's freaky side in such titles as *Gag Factor 28* (JM) and *Ass Munchers 5* (Pure Play Media). Something tells us that we've only scratched the surface of this hardcore babe's unyielding on-camera sexual appetite.

JADA FIRE

Momentous mammaries. Delectable derriere. Salacious savoir-faire. And a pretty fuckin' face, ta boot! Yep, Jada Fire packs a lotta sex appeal in that compact body of hers, and we love every scrumptious inch of it!

Jada was born and raised in the South Central section of L.A. She grew up to become not only an anal queen (it's actually downright bizarre seeing her in a movie these days where she doesn't get her hummer plumbered), but she also blossomed into quite the DP diva, with over 400 titles to her name. Of late, we particularly enjoyed Mike John's Elastic Assholes 7, wherein she lives up to the title by showing us what a fantastically retractable rectum she possesses—while her cunt ain't too bad in the rubber band department, neither! In the biz for approximately 10 years now, Fire even managed to successfully reinvent herself recently—with a little help from the good pervs at Elegant Angel—by becoming none other than a squirt siren, starring in a string of movies in the genre for them and becoming their Squirtwoman franchise.

We interviewed Jada in the industrial section of downtown LA, while on the set of Wicked Production's Fallen, just before she threw herself, hole-heartedly, into the movie's steamy orgy sequence, and this ebony sex goddess is as hot in person as she is on film.

Interview by Arch Stanton

GENESIS: Your bio states that you've done over 400 films!

Jada Fire: Yeah, that's fucking crazy. Actually, it's probably more than that. (laughs) **But since entering porn in 1998, you've been in and out of the biz, right?**

In the beginning of my career—like, probably the first two years—I was going back and forth, yeah. Then after that, I starred more consistently in porn movies.

So how'd you get in the porn business, Jada?

It was actually through doing phone sex work. I even remember my name for

that job: Monica. Anyway, [porn performer] India was a good friend of mine, and she used to work with me when we did the phone sex thing. And I used to

23016

24730

23230

wonder, 'Why India don't care about her check being small?' She was just, 'Yeah, I went to the mall...blah-blah-blah...' just like talkin' normal shit. I mean, we'd work on commission and I'd always wonder why she didn't care that she wasn't getting that much money. I came to find out, she was doin' porn. So I was like, 'What are you doing?'

And so you wanted a piece of the action, huh?

Hell yeah! So eventually I told her, 'I'm gonna do it.' That was around '98, the time India was a contract girl for Video Team, then she left the business, pursued a music career, and now she's back.

So, being a DP diva, do you actually enjoy doing double penetrations?

They're easy. See, it all depends on the guys you're working with. Certain guys just know how to stay in better than others. And certain guys know how to anchor better.

DPs are easy? How's that?

Because you don't really have to do anything except sit there and take it.

You have to react a little bit though, right?

Yeah, you have to let out lil' 'ooh's' and 'ahh's.' (laughs)

Let's talk tits. For instance, even though your breasts are augmented, they look terrific.

Thanks. I wanted the surgeon to give 'em a lift, but he said, 'No, honey, if you want me to lift you, I'm going to have to cut you from the bottom of your areola down to the bottom of your breast, and that will be the end of your porn career, because of the scars.' So I said, 'Oh hell no.' So they put 'em in from my belly button. They're 32DD's.

And they rock! So what did you do before the phone sex thing?

I really didn't have to worry about anything because I was livin' with my mom and working at Nordstrom's. I was working in the lingerie department. (Laughs) I really loved that job, though. It taught me a lot, like how to communicate with people and approach them the right way. Stuff like that.

Going further back, what was Jada Fire like in high school?

I was a tomboy. I was bad—always ditching. But I always made up my grades later.

These days, do you get recognized in the streets a lot?

Hell yes, especially in South Central.

Jada Fire & Tee Reel in Desperate Blackwives 3

Even when you're not wearing any makeup?

Yes! I had on big glasses yesterday and this guy on the street was like, 'Jada! I love you, baby!' And I was like (in timid voice), 'Oh, thank you.' (Laughs)

Elegant Angel made you their Squirtwoman. Can you squirt on demand?

Yeah, when I'm turned on. And I can control it whether I want it to come out or not. Patrick (Collins) loves me.

We don't blame him. How does it feel to be Squirtwoman?

anal princess, aren't you?

Actually, the whole anal thing was an accident. I was starring in a movie for Video Team and wasn't supposed to be in this one anal scene, but I ended up doing it with Mr. Marcus. Yeah, it was an accident.

Well, that's all behind you now, Jada. So tell us, what part of your scrumptious body do your fans like best? We love that pink pussy of yours—perhaps the pinkest in the biz.

The vagina, yes. I just got a compliment about that one yesterday. Actually, I think fans have a really hard time deciding what part of me they like best. Some will say, 'Oh, I like her areolas,' or some will say my tits. Others will say, 'She's got a nice little ass,' or 'Her big pussy,' or 'Her face' or 'Her braces, when she used to have them.' I don't know. I just have too much goin' on here! (Laughs) ✨

Catch a 'hole' lot more Jada at her official website, JadaFireExposed.com (and, yes, the website has only one 'e' in 'exposed'...these porn girls and their spelling...sheesh!)

Bree Olson's BEDTIME STORIES

I've been a very horny girl lately. Besides all the crazy monkey sex I get on the set of my movies, in my dressing room on my dance gigs, and in the bathroom by myself at photoshoots, I still want more! My totally heterosexual girlfriend recently traveled with me for an appearance I did and discovered just how much I want (and need) to get off. This story is a blast... for all of us!

XOXO
Bree

LESBIANTICS!

from fingering myself in the bathroom. She followed me to the bathroom once we landed. The limo vibrations just made me crazy. By the time we reached our hotel, I was wet and itching for an orgasm. I swear, a cool breeze could've gotten me off at that point!

I don't know if she sensed my need or smelled my pheromones or what, but she kissed me as soon as we got to our room. I was blown away. I'm usually the aggressor and I was trying so hard to be good and not scare her, and here she was seducing me! Within minutes, our clothes were off and we were licking tits and fingering each other's tight, wet pussies. I came instantly. I went down to her pretty, shaved slot and kissed and sucked her to a quivering climax. She tasted like vanilla ice cream. I couldn't get enough.

For hours, we rolled around in our own sweet girl cum, using whatever implements we could find to explore every hungry hole we had. Finally, we had to stop. We were exhausted, sore and in need of food. Throughout the entire trip, we spent every spare moment getting one another off. I was baffled and blown away. And then, as quickly and spontaneously as it started, it stopped. We returned home, and she went back to her boyfriend, who had no idea what a lesbian freak he was with! I wonder if he'd be surprised to know that our 'innocent' weekly girls' nights of chick flicks and wine are now full-on Sapphic sex sessions?! *

I've always liked chicks. My first sexual experience was with a girl, and it took a long time for me to cross over to the cock. Once I had a taste and feel of dick, I was hooked, though. I couldn't get enough! There's just something about a man. His smell, his muscles, the heat deep inside me and the feel of his balls slapping my chin while I'm sucking him off for all I'm worth. But I digress...

It had been a while since I'd gotten off. Circumstances just prevented me hooking up with anyone (or even myself!) for a few days. One of my friends, who hasn't been around the adult industry a lot, agreed to accompany me on a quick trip to a nearby state for an appearance (signing, party hosting, etc.).

She's a hot 20-something brunette with small, natural tits, legs that go on forever and a long-time boyfriend she plans on marrying one day. He wasn't too keen on her traveling with me (something about me being a bad influence?), but in the end he helped her pack (her most conservative clothes) and sent her off.

I was horny as hell when I woke up that morning, and the feeling just intensified as the day went on. I kept thinking I'd have a chance to sneak some alone time with my pussy, but it was not happening. We took a short flight, but the turbulence kept me

Mimi Allen & Rico Strong

Sierra Snow

Marie McCray

TEEN IDOL #6

Starring: Ashli Orion, Karisma Marie, Kandice Kavelli, Mimi Allen, Tori Paige, Rico Strong, C.J. Wright, Shorty Mac, Prince Yahshua. **Directed by** Billy Springfield & Sir Real. (Smash Pictures)

Kandice Kavelli & Shorty Mac

First up, Ashli Orion seeks to leave this solar system by gorging herself on the engorged member of Prince Yahshua. Her tight, slim body seems mature enough to handle all of his ten inches. Their outing is quite acrobatic in nature, with the Prince literally flipping her over, from the couch onto the floor, and giving it to her every which way.

Ashli Orion & Prince Yahshua

From there, 19-year-old Tori seeks help for her mental block in being able to fuck black men. A nice man volunteers to do his part in "curing" her. There are several good close-ups of the raunchy rutting, and if young-blond-on-black-stud is your kink, you'll enjoy.

Last but not never least, Mimi Allen shows up

Karisma Marie & C.J. Wright

under the guise of competing in the "Teen Idol" fuck finals. Her task? To win over Rico Strong, by fucking the living daylights out of him. Even Simon would approve!

NAUGHTY COLLEGE SCHOOL GIRLS #51

Starring: Marie McCray, Halia Hill, Cali Winters, Jessie Jolie, Sierra Snow and Dani Jensen. **Directed by** Greg Lansky. (New Sensations)

Sierra Snow visits a friend's house. Unfortunately, the friend's father catches Sierra rifling through his bedroom dresser, and lifting some valuables. Does he call the police? Nah—he fucks her! Sierra is certainly not beautiful, but her lithe, bubbling body more than makes up for any other short-

Halia Hill

Jessie Jolie

comings. She's also quite adept at fucking and sucking in every conceivable manner.

Jessie Jolie gets an "A" when it comes to cocksucking. To watch this cute blonde's cheeks puff out as she inhales dick is quite the sight. She swallows, too. Ah, that college tuition isn't going to waste, after all!

We next glimpse Cali Winters. This is a slut for all seasons. She's not shy about sharing any of her holes with her male lover, Steve Holmes and Cali seems able to stretch her young slit to handle any size cock.

Not to be outdone, Halia Hill is also ready to climb any mountain! Black-haired with nice, perky tits and a tight bod, Halia seems especially adept at using her mouth. Her facial motions add to the joyride, as do her moans and groans.

Saving the best for last, Marie McCray is the cutest cutie of the bunch. With raven hair and a kick-ass body, she knows how to make the most of her skills. Marie is also quite athletic, able to contort her perfect form into several positions as Anthony Rosano bangs his point home. Marie goes to the head of the class for her troubles!

Raven Black

LEX THE IMPALER 4

Starring: Lexington Steele, Jenny Hendrix, Gianna Michaels, Lisa Ann, Kelly Divine, Tiffany Mynx and Raven Black. **Directed by** Jules Jordan. (Jules Jordan Video)

Kelly Divine

Jenny Hendrix

Any doubters would be well advised to watch her anxious asshole accommodate all of Steele's steel.

Jenny Hendrix has a pretty face and cock-arousing body. Though petite, her

Tiffany Mynx

she gets more than she bargained for. Let's just say that *Lex the Impaler 4* more than lives up to his name when Raven cries for ever more cock.

—Denise Maldonado

Lex the Impaler 4

mouth is quite the ravenous orifice, and her pussy is just as hungry. Good things cum in small packages, and you better believe Lex cums in Jenny!

Like Tiffany, Lisa Ann has been around for years, but still looks the part of a dedicated porn star, and acts as if she's an 18-year-old virgin waiting for her first taste of cock.

Before the fuck-fest ends, Raven Black wants a piece—a long piece—of Lex and

NOT THE BRADYS XXX: MARCIA MARCIA MARCIA

Starring: Aurora Snow, Gina Lynn, Alana Evans, Teagan, Sienna West, Alexis Love, Maya Gates, Kacey Jordan, Emma Heart, Lynn Lemay, Mike Horner, Kris Slater, James Deen, Mike Butders, Evan Stone and Ron Jeremy. **Directed by** Will Ryder. (X-Play/LFP)

Kacey Jordan & Daniel

In this sequel, skinny, tongue-studded Marcia (Teagan), Jan (Aurora Snow) and tasty, pigtailed Cindy (Kacey Jordan) are all

Alexis Love, Aurora Snow & Scott Lyons

hung up on Marcia's crush on pop star Danny Jones (Evan Stone). Naturally Marcia will "do anything" to meet Danny, and that includes playing with her shaved twat, fucking it with a vibrator, and sending Danny her pussy juice infused panties and a filthy fuck letter.

Juicy blonde Gina Lynn shows up and makes it with Kris Slater, making Slater's cock disappear down her throat. After a spirited round of fucking, Gina takes his watery load on the face.

Teagan Presley & Evan Stone

Tasty Aurora Snow and cute, up and cumming Latina star Alexis Love provide some scalding lesbo action, doing each other with big dildos, then going to work on Scott Lyons's massive member, sucking his cock and balls. Lyons builds a slut sandwich with the girls and takes turns plunging his dick into their wet, shaved twats as they pant and moan with unfeigned delight.

Other newbies also shine, like pouty, big-titted Sienna West, who performs some smol-

Gina Lynn & Kris Slater

dering, nut-churning head on a flummoxed Mike Butders; Emma Heart and Maya Gates, talented twats who suck and fuck rising stud James Deen and slim, delicious blonde Kacey Jordan who sucks some nice cock with enthusiasm and expertise.

A fun, porno parody you're gonna love.

Ben English, Scott Nails, Danny Mountain, Mick Blue. Directed by Robby D. (Digital Playground)

Emy Reyes & Scott Nails

Alexis Texas starts things off nicely as she fellates some hung woodsman before mounting him. She works away on the lucky dude, putting her famous killer ass to great use and throwing down like a champ.

Angelina Armani, the D.P. contract star, is up next. She takes it from behind, on bottom and on top. She's the standout on this disc, and lucky for us, she puts in a few more sexual appearances before the credits. Her best scene ends with her jacking some huge cock off onto her face and neck.

Alexis Texas & Danny Mountain

Angelina Armani & Jerry

Vanessa is a hot Mexican chick—lithe, nimble, slender, g racious. She makes everything look easy, devouring huge johnsons in her mouth and twat with the greatest of ease. Her scene is special, though, cuz she doesn't act over the top. She's almost shy. It's really sexy. You almost feel like you're spying on a couple during this scene. She ends up lying flat on her belly on a couch while the guy pumps it in and out of her cunt from behind, slipping right between her lovely brown cheeks. He finishes with a potent pop all over her ass and back.

There's more, of course. But you get the idea.

Gina Lynn's

FUCK FLICK of the month

BIG TITS AT WORK VOL. 5

Starring: Gina Lynn, Jasmeen Lefleur, Carmella Bing, Elena Heiress, Tammy, Holly West & Tanya. No director credited. (Brazzers)

If you love hot girls with big tits who crave getting their mouths and cunts filled with massive dong (I know I do!), you're going to cream your pants over this latest release from the dirty minds at Brazzers.

Carmella Bing & Keiran

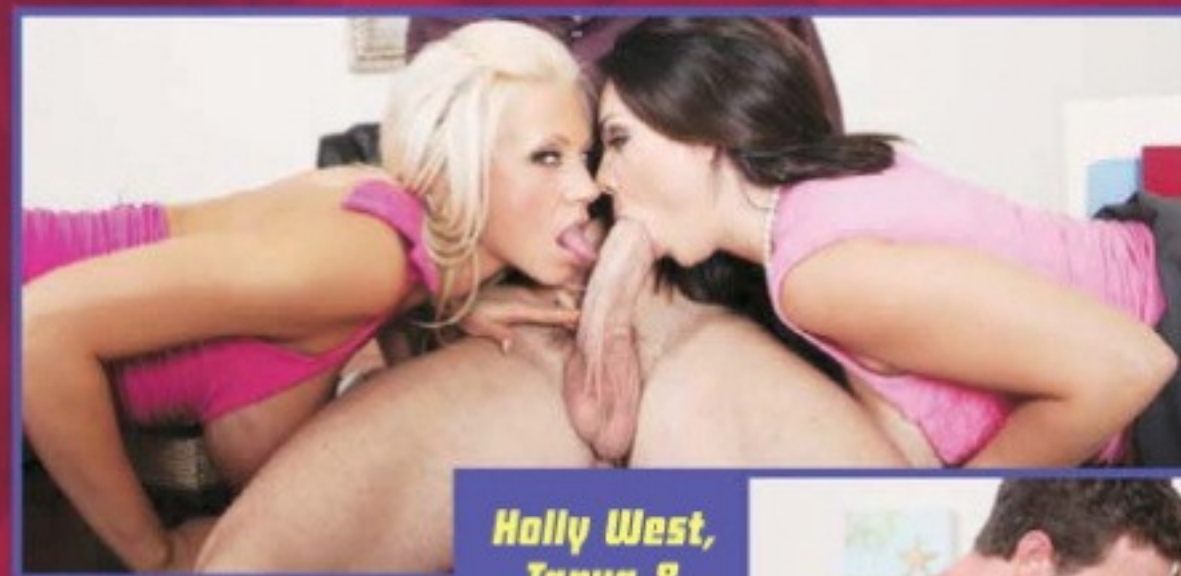

Gina Lynn & Cheyne Collins

Jasmeen Lefleur & Jordan

Tammy & Voodoo

Holly West, Tanya & Jordan

Elena Heiress & Chef Ram-Me

Jasmeen LeFleur rocks out in scene two in an office fuckathon. Jasmeen is pretty new to the biz, but she sure fucks and inhales the cock like a longtime pro.

My girl Carmella Bing, and her giant titties, shine in scene three as Ms. B shows off her gorgeous rack as well as her talent for taking even the biggest poles balls-deep into her dripping honey pot.

Elena Heiress and Tammy are a pair of ample-chested cockslaves, and both girls set the screen on fire in their respective boy-girl bangs. There's also a super hot threesome bonus scene where Holly West

and Tanya James tag team a long, thick slab of manhood.

This is truly a XXX masterpiece you won't want to miss!

Love,

Gina

Jenna Haze's CARNAL ADVICE

Being that every man's fantasy is to watch girls do each other, is every XXX starlet expected to eat pussy to survive in the biz? Also, do porn starlets get paid more for lesbian scenes, or is pumping cock where the money is at?

Lezzie Lust Lover
Toronto, CA

It may be every man's fantasy, but I know a few girls who don't munch box. It's not required to do any specific act in porn, although most girls do work with other girls there are a few who don't. They say they are just not into girls. Personally I think this is fine since I believe performers should do the things that turn them on. If they aren't into it, they shouldn't have to do it. Stars definitely get paid more for doing boy-girl scenes. There's also more money in doing anal, DPs, etc.

Congrats on winning two AVN Awards this year. Of all the awards you've won, where does taking the 2009 AVN Female Performer Of The Year honors rank?

Jenna-maniac
Bath, ME

Fuck yea! Winning POTY is probably my biggest award and one of my

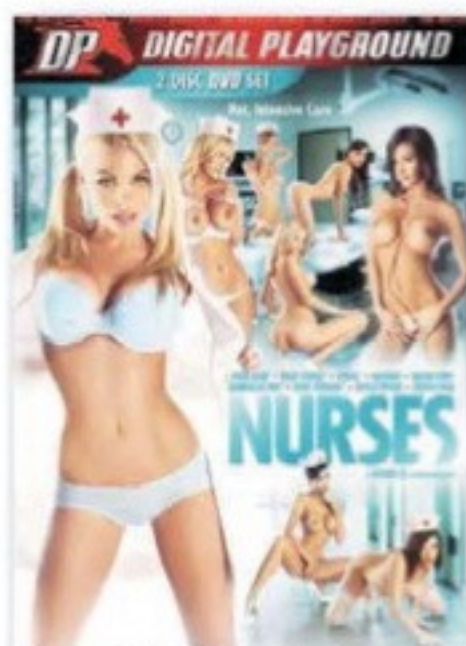

proudest accomplishments in my career. Winning this award and 'Best New Starlet' are the two most coveted awards from AVN, and I am only the second girl in history to have them both. It's pretty incredible. But it's pretty incredible to be recognized and awarded by ANY award show, and I appreciate each title I've acquired.

I recently read that you're launching your own company and can't wait to see what you come up with. Any details you can give?

Cream of the Crop
Parker, AZ

I did, I did! I launched my own production company this January and it's called Jennaration X Studios and will be distributed by Jules Jordan Video. I am the compa-

Jenna & Evan Stone in Nurses

ny's first female director and I will join other directors like Chris Streams, Mike John, Alexander Devoe, Erik Everhard, Chris Rolie and my sexy guy himself, Jules! It's kinda of amazing and I feel very lucky to have such a great kick off to Jennaration X Studios. My first release hit stores in March. The movie is a two-disc set and is titled Cum Spoiled Sluts. I am hoping for this to be my signature hot basic gonzo line—just hot sluts who need cum. The first installment stars me in three filthy scenes: two boy-girl-anals and a boy-girl-girl with Nikki Rhodes. There's also some really great girls like Bobbi Star in a DP, Riley Evans in a boy-girl-anal and Allyssa Hall in a boy-girl. And as a special treat there is also a bonus boy-girl with me the legendary Tom Byron! It's a lot of hot sex and I know you are really going to enjoy it!

Jenna from the pages of GENESIS June 2005

'I like having kinky sex and inspiring people's sex lives.'

What would you say is the single biggest misconception about porn stars?

Everett J.
Brentwood, TN

It's probably that we are all screwed up and damaged. People think the worst things about our life experiences or upbringings and that those are the reasons we do pornography. This is totally untrue. We aren't all messes who need therapy. A lot of us just like sex. I really love performing in front of a camera. I like having kinky sex in a controlled and safe environment. Plus inspiring people's sex lives is a great feeling.

I am a young lady who is looking to get into porn. I'm not entirely sure if I want to jump full in doing anal and such, or start out slow with just girl/girl scenes. I know everyone is different, but I really respect the path you've taken in the business. Can you please give me some advice?

Miss Anal Anxious
Holt, MI

You need to just do what makes you comfortable. Start slow if you feel any hesitation or nervousness. Get a good agent and hang out on set a few times to observe before you dive in. Think about what you really enjoy sexually and start there. ★

TARYN THOMAS BACK IN XXX!

"Porn's Dirtiest Girl" Taryn Thomas

Like a beautiful Phoenix rising from the ashes, Taryn Thomas has returned from a two-year hiatus and is ready to prove that she is hotter than ever.

It was just three years ago that Taryn was in the middle of an incredible run that saw her working constantly and picking up an armful of awards including the coveted FAME Award as "Porn's Dirtiest Girl." Her meteoric rise to the top of the porn world was cut short when Taryn left the business to pursue a career in cosmetology.

"I just needed a break," says Taryn. "I worked non stop for two years and wanted to try other things. I am really proud of the work I did on my education and with my DJing. I still have a lot of projects to work on, but I am back with even more energy than before."

Though she spent time working on her other projects, porn was never far from Taryn's heart. A little over a year ago she decided to get back into porn shape in order to return to the industry. Taryn has been documenting her work out regimen

and weight loss on her blog. Now that she is back in fighting shape, Taryn is ready to pick up where she left off. She even has a few new tricks in store. "I have worked very hard to get back

to where I want to be," adds Taryn. "I'm ready to show people what I can do. I wasn't the dirtiest girl in porn for nothing." Taryn Thomas is back and the future couldn't look any brighter.

ADULT BIZ FIGURE ARRESTED FOR MURDER PLOT

California sex industry mogul, David Elms was arrested in Phoenix in connection to a murder-for-hire case after following up on a tip from an informant tied to the Desert Divas prostitution investigation.

According to police, Elms, 37, could face charges of conspiracy to commit murder and additional felonies as he is accused of contracting a hit man to murder a 32-year-old woman. Police also said that Elms allegedly ordered a 62-year-old man to be seriously injured as part of the contract.

"Obviously with a murder-for-hire case you have to get on it right away," Phoenix Sgt. Andy Hill said in a published statement.

A fellow sex industry leader described Elms as the "most influential man in the prostitution business in America" in a June story in the *New York Times*, which detailed his former company, The Erotic Review, as a sort of online order form for prostitutes.

Hill said police tracked Elms to an undisclosed location in Phoenix around midnight Sunday after receiving a tip from a suspect under inves-

FORMER MISS USA'S PORN CAREER IS RED HOT!

Former Miss USA and soap star Kelli McCarty is getting mixed reactions to her new status as a porn star. *Faithless*, her first XXX movie from Vivid (www.kelliusa.com), was released in February, and quickly sold out and went to re-orders. But her friends aren't thrilled with her new career choice.

"When I decided that I wanted to make an adult movie I didn't consult anyone or even think about what reactions would be from friends and family," says Kelli. "I just did my own research and contacted Vivid to see if they would be open to my getting more involved than in just acting. They gave me some creative control and that helped me make the decision to move ahead with them."

"I had a blast making the movie because I enjoy acting and I really like sex," she says. "I am a bit surprised by the mixed reactions I'm now getting from friends. Men I've had only platonic rela-

mate on 'Passions' suggested I leave country."

"This marks the first time that a Miss USA, let alone an established TV actress, has made the reverse crossover into adult," according to Vivid's Steven Hirsch. "Kelli's performance in *Faithless* is incredibly erotic. She smolders sex from every pore of her body. She's a natural porn star."

McCarty won the title of Miss Kansas in 1990 and was crowned Miss USA in 1991. She placed fourth in the Miss Universe competition that same year. McCarty appeared on several popular tv shows, including "Melrose Place," "Beverly Hills, 90210," and "Diagnosis Murder." She played the role of Beth Wallace on the NBC soap "Passions" from 1999 to 2006.

Kelli says her family has "been very supportive of my decision and several friends have asked me when I'm making my next movie."

igation in the Desert Divas sex scandal. The Desert Divas case, which is still under investigation, is described as the most far-reaching prostitution bust in Arizona history with links to operations in New Mexico and Pennsylvania.

This summer, Elms went to court in California after he was accused of violating his probation on a 2006 conviction for possession of a firearm and drugs by failing several drug tests.

In addition to the recent conspiracy charges, Phoenix police said Elms could face charges of conspiracy to commit aggravated assault, conspiracy to possess narcotics for sale, conspiracy to commit misconduct involving weapons, and possession of drug paraphernalia.

Title: SHAWNA LENEV VS. OPIE & ANTHONY

It all started out innocently enough. Shawna Lenev's recent radio interview junket made a stop at the "Opie and Anthony" morning show where Lenev was scheduled to promote her appearance in the latest issue of a particular magazine. Things uled to promote her appearance in the latest issue of a particular magazine. Things took an ugly turn though when the New York shock jocks pulled up porn pics of Lenev engaged in hardcore sex acts on the studio monitors during the interview. Hurt and upset with the photos being shown in the studio, Lenev broke down and walked out in the middle of the appearance. But it didn't end there... The next day a video of Shawna began circulating on the net where the adult star addressed the O&A appearance. Several times Lenev referred to the jocks and "scumbags" and "assholes." She also thanked the jocks for making her

famous and bragged about the support she has received from the public, stating that, "everyone is on my side." But it didn't end there... Two days later, the shock jocks kept the volley of hate going by addressing Lenev's video tirade, and co-host Anthony Cumia went as far as to say he left Lenev's video tirade, and co-host Anthony Cumia went as far as to say he left her if her family was proud of her hardcore sex career, in words much more graphic than those. Other comments were left by O&A fans on video and blog sites that were even more negative and hateful than Cumia's. As of right now, the ball is back in Lenev's court, and something tells us that it's not going to end here.

There are few women on the XXX scene (or anywhere else for that matter), who are into getting rammed in the ass with dick as much as this Euroslut. We barely had our cameras set up for her shoot with Claudio before Ms. Rossi had his hard stick in her hand and was aiming it at her accommodating butthole. Luckily Claudia was in no rush to pull the cock from her ass and we were able to shoot the sinful act to our heart's content.
