**YEARS IN BIZ:** 5

Shawna's hardcore hard work has paid off since the five years she's graced her pretty little face across the blue screen. Since her XXX inception, she's now one of the most sought-after stars in the jizz biz. However, life in libido lane wasn't a fast one and her titillating talents have been recognized and praised only recently. She won the trophy for "Unsung Starlet Of The Year" at this year's AVN Awards. With more of her slutty antics and enthusiasm for the industry, her knack for knocking boots certainly hits the highest octave. Just ask Mick Blue and Jerry!

true-life adventures in porn

Nevertheless, Danielle just giggled and didn't seem to take me too seriously.

When we got to my car, I spun her around and stuck my tongue between her lips, and then moved down to her neck. She moaned and savored the sensation of my tongue exploring her. When we stopped, and she realized something about tonight was different as well. "That was nice," she admitted.

"I really want to fuck you," I confessed.

"The feeling right now is definitely mutual," she said.

We both hopped in the car and headed to my apartment. My hand found its way between her legs and inside her damp pussy as I drove, and her mouth found its way to my cock making the ride nice and enjoyable. When we got to my place, the

walk to the door was like a three-legged race. Our lips never separated, and our hands were all over each other.

I opened the door and took her by the hand straight to the bedroom. Danielle wiggled out of her skirt and panties and for the first time, I got to see her incredible body and her even more amazing boobs.

"Damn girl, you're gorgeous!" I shouted. She returned the compliment by ripping off my clothes and unleashing my stiff stick. We crashed to the bed in a horny heap and I went to work. I started at her breasts and ran my tongue downward, and then retraced my path up to her taut nipples. She moaned and twitched with desire.

Once again, I began my journey south and found her hard clit and soaked snatch.

**Faster and harder we galloped, and then her hips bucked wildly, as her love-hole pumped a small flood. It felt like wet, warm silk, clinging to my cock.**

## FUCK BUDDIES

Danielle's one of my best friends. I've never really looked at her as anything more, but when I took her to dinner to celebrate getting her master's degree, my hormones suddenly decided differently. It wasn't the champagne or the tight, clingy white dress she was wearing, or the way her nipples reacted to the air conditioning. But, whatever it was, my balls were boiling with cum.

As Danielle went on about her future plans, I couldn't take my eyes off her beautiful tits. Finally, I couldn't take it anymore. "Do you have any idea of how distracting you are when you do that?" I asked.

"Do what?" Danielle replied inquisitively.

"Wear tight dresses like that!" I said. She seemed shocked and didn't know what to make of my comment. I think she may have thought I was complaining at first, but my smile should have told her differently.

25879

She was panting and reached over to grab my throbbing cock. We got into a sixty-nine and as I explored her cunt, she took all of my manhood deep into her mouth. It was almost a race to see who would cum first, but it ended up being a tie as I shot a load down the hatch and she drenched my face with her juices.

Neither of us stopped, and she sucked my little trooper back to full attention. "I want you inside me," she managed to get out with a mouthful of meat. I stuck two fingers in her already soaking twat to get her ready for my raging rod. As I got on top and slowly slid inside her, a satisfied moan of pleasure escaped her mouth. Danielle wrapped her legs around me and pulled me in as deep as I could go. Like she was riding a stallion, her heels determined the pace of our friendly fuck. Faster and harder we galloped, and then her hips bucked wildly, as her love-hole pumped a

small flood. It felt like wet, warm silk, clinging to my cock. We shifted so I could get in behind her and she said, "You like that? Try my asshole. Oh, baby, please fuck my ass!"

Danielle didn't have to ask me twice! My cock was slick from her cunt, and I just slid in her eager brown-eye easy as pie. A few pumps was all it took and then that was it. I pulled out and the goo flew out of my hose like a tidal wave, and every drop of cum covered her tits.

## HOME MOVIES

I've been dating Eddie for a little over a year, and so far, so good. My sex life is more interesting than it has ever been. I had been with only two other guys in my life and hadn't experienced more than the norm when it came to sex.

When we first started seeing each other, I was only 20 and I guess you can say I was somewhat inexperienced. So, when Eddie started suggesting we try certain things, I was always nervous at first, but always satisfied in the end.

He was my first for a lot of things, and after all, he hadn't steered me wrong yet, so when he suggested we make our own porn movie, I was pretty up for it. The thought of being able to see myself cum was reason enough to do it. I wanted to see if I looked as sexy and hot as he said I did when we fucked hard.

The first time we taped ourselves, Eddie and I made sure we caught every one of our uncensored acts on camera. I wanted to see myself sucking his large cock, see him eat my tender pussy, watch him cum all over my tits, and check out first-hand what my tight little ass looked like when I was getting it from behind.

That first 60-minute DVD Eddie burned served as the perfect aphrodisiac and backdrop for both of us for months. We would watch it over and over again together before we would make love, and I would even take a peek at it when he wasn't around and play with myself.

One night, my girlfriend Nancy was over just hanging out. Nancy had just broken it off with this asshole she was seeing. I'm glad because he was a real prick to her. Anyway, she was sort of going off about how lame he was. I suggested we open a bottle of merlot and watch a movie. I told her to pick one while I was in the other room, and of course she stumbled on the DVD Eddie had made.

"What's this?" she asked.

"Um, you really don't want to see that," I joked. That's when I explained to her all about our homemade porno.

"Can I see it?" she asked.

I was hesitant to let her see it, but after a little pleading, I caved. I put the movie on and Nancy and I started comparing notes about each of our sex lives. As the action on the movie heated up, we both grew quieter and quieter. It seemed

### Sindee Jennings

**STATS:** 34B-26-35

**HOME STATE:** Texas

**YEARS IN BIZ:** 4

If everything is bigger in Texas, then the Lone Star state should rate as a top producer for the freshest and filthiest stars in the past few years. Texas's own Sindee Jennings is a delicious medley of all things nasty. Appearing in over 180 movies, her carnal claim to fame was playing the young, "Serra Palin" in the smash hit parody, *Who's Nailin' Paylin?* But, even before her big break, this underrated star was no stranger to AVN nominations with two being: "Best All-Girl Group Sex Scene" (*Squirt Gangbang 4*) and "Best All-Girl Three-Way Sex Scene." (*Kung Fu Nurses a Go-Go 2*). With her wanton sex drive and wholesome features, Sindee is one nympho that we'd love to take home for some one-on-one time.

# McKENZIE LEE

---

Interview by Eliza Starr.  
Photos courtesy of Digital Playground.

---

*McKenzie ventured across the Atlantic from her native England in 2006. With her suitcases and a royal appetite for raw sex in tow, this up and cumming porno queen had a burning desire to rule the hardcore kingdom.*

*Lee's first year here started off with a bang with producers lining up to feature the nasty and beautiful Brit in their movies. That year, McKenzie won AVN's "Best New Starlet" award, beating such future notables such as Joanna Angel, Taryn Thomas, Courtney Cummz, Hillary Scott, Tory Lane, Jenaveve Jolie and Sunny Lane. Around that, time she also became a contract star for Jenna Jameson and Club Jenna. But, as quickly as she arrived, Lee disappeared in a hurry to start a family.*

*Fast forward to 2009 and McKenzie came back into the biz with gusto. First, she signed with Digital Playground as a contract girl, complete with a new rack of luscious tits. However that contract was short-lived as the two parted ways just months after the signing. McKenzie went on to announce that she was going on her own to start her own adult talent agency—Bella Dolce Models.*

*We sat down with the British bombshell and found out what her top secret plans are in regaining her throne and ruling this XXX world...*

**GENESIS: McKenzie, welcome back after your hiatus! It didn't take long for a hot babe like you to land a contract with Digital Playground, but you chose to dissolve it after a few months. Can you tell us why you prefer to work independently?**

McKenzie Lee: Ah, thanks. Well, it's not that I actually prefer it, it's just that I have a lot going on with launching my talent agency, Bella Dolce Models and then adding on the feature dance division, Bella Dolce Stars. DP [Digital Playground] was great, but it just took a long time to get things approved that I wanted to do.

**Please tell us about your new ventures.**

Well, I am really excited about my agency and being the first to offer health, dental and vision insurance to the talent signed with the agency. I think it is so important to all talent out there. Everyone should have the ability to take care of

themselves and be proactive as well. Bella Dolce Models is the talent agency and Bella Dolce Stars is the feature dancing division. I have lowered the commission rate on my feature dance bookings to eight percent. Most agents charge 15 percent, and by lowering this rate, it is going to force other companies to provide better services to talent or lower their rates. I mean, we are the ones dancing our butts off, dealing with plane delays, hotel food and so on. I've been stripping in clubs my whole career and I love it. I love meeting different people and getting up close and personal with 'em.

**Sounds like you do have plenty going on. Did you still manage to do any scenes or movies for DP during your time with them?**

***I love cum in, out and all over me—doesn't matter. I also like to see how people taste. Yes, I'm a true cum whore!***

I did about five scenes and then my own movie, but I don't know the title yet. **Do you enjoy the wider variety of talent you're able to work with when you're not restricted by a contract?**

Actually, I really prefer working consistently with talent I am familiar with. I mean, it just creates better scenes since you have established chemistry. I always like the oldies—the experienced talent—because when it's a new person, you spend a bit of the scene trying to figure the person out. However, on the other hand, a new person can be very exciting, and when you get someone with a really nice cock that you haven't worked with before and he knows how to use it, the chemistry is definitely going to be there!

**Had you been with girls in your private life before getting into the business?**

Yes, I love girls—only certain girls, but yeah, I've been with girls since way back when. I'm completely bisexual. Totally. Being with a guy and being with a girl are totally different. I think that it's more sensual and more loving with a girl than it is with a guy.

**Who are some of your favorite performers to work with and what makes them special?**

I've got a few. I haven't really found my girls yet, but in the past I worked with Ariana Jollee and I love her. She's so sexual [and] dirty, but in the best way possible. Manuel Ferrara is awesome! He totally gets into you and makes good chemistry. Scott Nails always does a good scene—that guy's a sexual machine! [I] love Steve Holmes. He's got a great cock! Mick Blue is awesome and European; Mark Ashley is dirty and I love it! The list goes on and on...

**Is there anyone you'd like to work with that you haven't had yet?**

Belladonna! That chick oozes sexuality and I want some of that.

**Are you into group sex? What's the most people you've ever been with?**

Yes and Yes! On film, I shared five guys with Angelique Morreau in *Raw & Uncut Berlin* (Red Light); had four to myself in *Tear Me A New One #1* (Platinum X). You'll have to hunt for the others, as I can't remember them all! I've been with five or six guys in one scene. Once you get past three you start to lose count really, because you can't fit them all in at the same time!

**What's the most you think you can handle at once?**

I don't know, as I'm not sure I've hit my limit. Wanna put me to the test? Let's give it a go!

**I'm sure we'll have volunteers lining up, especially for that special McKenzie Lee blowjob. Tell us about it.**

I do have a very special style, but if I told you, it wouldn't be mine anymore. I will just say it's all about the perfect amount of sucking applied and major tongue action!

**I'm sure if you are doing the sucking, it would be perfect! In your experience, who do you think gives better head, men or women?**

Who knows? Maybe we should have a little competition?

**Now there's a challenge. Does size matter?**

Not really, at least to me. Any size will work fine, but I really like [them] cut, big, and kinda squashy.

**What do you think you're best at sexually?**

Making cocks cum, of course!

**Do you have a favorite sex scene from a movie you did?**

I have a few but one all time fave[s] is *Jack's Teen America 9* (Digital Playground) with Scott Nails. Let's just say we had a lot of fun with two gallons of milk. Watch it, people!

**Will your scenes still be those of the wild and crazy gonzo girl from earlier days?**

Crazy, crazy, crazy! That's what I like! I really like pushing the envelope. That's why I love it when I am on set and

the director is like, 'Okay, go for it and do what you want.' That's when I am ready to let it all go. I mean, most of my scenes have been with multiple men at the same time.

**Were you always a 'dirty girl' or did you get dirtier and more sexually adventurous through the industry?**

I think it took me a while to find my feet, but when I found 'em, boy, it was on! I did my first scene back when I was in England and I'm not sure of the performer's name, but I remember it feeling very natural to me. It didn't feel weird at all and I loved every minute of it. That was for a British company called Relish. My first American scene was not actually on American soil. I worked in Berlin for Red Light District.

**You have to have at least some exhibitionist in you to get in front of a camera naked. Before you got into this business, were there other times you showed off in public?**

Yes, early on I was a cheerleader and that's where it all started. I love people watching me! Then, I started stripping which was a great way to do what you love and make that cashola! What could

be better? I've also had my moments of spontaneous sex wherever—once on the gate of a field in England in the pouring rain with a few horses watching.

**Are you a voyeur as well? Do you like to watch?**

I love to watch. To be honest, I love cum. That's my fave part—to watch people cum. I don't really know why. I guess I gotta psychoanalyze myself on that one.

**Well, external cum shots are part of working in this business so you must get plenty of it. As a female performer you either wear it or eat it. What's your preference?**

Either. It doesn't bother me. I love cum in, out and all over me—doesn't matter. I also like to see how people taste. Yes, I'm a true cum whore!

**Do you have any sexual boundaries to speak of?**

Very few, if any! None that come to mind. I'm very up for sticking things into weird places. (laughs) I'm kind of crazy that way. But, I'm really just an all-around nasty girl. There's not a lot that I won't do really, and I say that in a good way! There's not really one thing that sticks out in my mind because I love them all. I'm never embarrassed by anything. I find things more funny than anything else. There are always the funny little noises that your body can make, but again, that's part and parcel of having sex on camera. I really have no inhibitions. I'm really open to anything.

**Do you like to dominate or are you submissive?**

Both. I like to definitely play both roles and it also depends on the situation and who's involved.

**Is it easy to make you cum?**

No, it's not. To get me off you should treat me like the nasty cum whore I am!

**What turns you on and/or excites you?**

Big cocks and lots of cum. Are you getting the idea here? On the more general side, I love eyes. So sexy! My nipples and lately my clit, are the most sensitive parts of my body. Obviously, this is awesome for me!

**Turns you off?**

Bad Smells. Keep them away from me!

**Do you have a favorite sexual position?**

My all-time favorite is on my back, but as long as I've got a dick in me I'm a happy girl.

**Are you able to have squirting orgasms?**

I have only ever squirted one time and it was with Manuel Ferrara and it was so good. It felt a little weird as I didn't really know what was happening, but it was good. I could feel the pressure building, but it didn't feel like an orgasm. I wondered what was going on because it was new to me. It only ever happened to me once and that was during my first ever boy/girl shoot for Club Jenna. I don't class it as an orgasm because it didn't really feel like one.

**In your opinion, what is good sex?**

An amazing connection, great chemistry and a lot of passion. Put them together and you've got really great—not just good sex. I like to have sex a lot! As often as I can, without my pussy getting sore. Yes people, we get sore, too. That feeling can be nice though, as you feel like you've been worked over really well!

**You were a big hit a couple of years ago, then took a break and now you are returning to action. What do you think will make you stand out from the current batch of younger talent? You're still a hot babe!**

Thanks! I have had two girls, but I don't have any stretch marks or cel-

lulite, so I think I am in pretty good shape. I bring years of experience to the table, along with a strong work ethic and professionalism. As previously [stated], I don't complain or expect any special treatment. I go to work and get done what they need without complaining and I enjoy it.

**What makes one of your movies special?**

Anyone who has heard of me or knows my scenes knows I give it my all and bring it! I'm just me in my performance, and I think that the viewer watching can relate. You definitely see the real me. A lot of people always try and be someone else. I've been me and stayed true to myself throughout my whole career. That's the way to go, I think.

**After having your children, has your sex drive increased or decreased?**

It has definitely gone into overdrive! I am so lucky my husband is open-minded and very secure with himself and our relationship. If I'm not on set, I am fucking his brains out at home. If I didn't know better, I would think he is secretly dropping Viagra in my coffee.

**You have a partner and you work in the adult industry. Do you still like to masturbate?**

My hubby gives me a run for my money. He loves sex. We are always doing something fun and crazy, but I still get myself off when I feel the urge. I don't use sex toys too much, but they come in handy. I especially like the big cocks that feel and look real and I fantasize about people cumming over me, on me and in me.

**Have you got any surprises in store for your fans this year?**

Oh yes, I am going to be shooting with Chris Streams and performing my first interracial scene in a movie called *The Brother Load #2*. I will be doing a boy/girl anal scene and after that performer cums on my face, four other guys will come in and cum on my face as well. It is produced by Chris Streams Productions and released through Jules Jordan Video. I have a fascination with cum and I really do love it. This project fit me perfectly since I have the opportunity to have six guys cum all over me. I don't know, it's like a euphoric state for me. I was quite aware of Chris Streams and *The Brother Load #1*, so as soon as I was a free agent again, we immediately started talking about the project. I think it turned out great and I am really looking forward to working with him in other projects.

### Nikki Benz

STATS: 36D-24-36

HOME COUNTRY: Canada

YEARS IN BIZ: 8

If eight years in XXX hasn't slowed Nikki Benz down, then lucky for us—her engines are as fierce as her name. Revving up her carnal career at 21, she began working with hardcore royalty with the likes of Gina Lynn in *Strap On Sally 20* for her first-ever on screen sex scene. One year later, she continued her tasty trail with Jill Kelly's production company as a contract star. Five years later, she shows no sign of slowing down and her scenes are hotter and dirtier than ever. We look forward to enjoying the ride as we continue to cruise Nikki's hardcore highway.

**HOME STATE:** California

**YEARS IN BIZ:** 4

With lips perfectly molded for sucking cock, this Californian cutie prefers her penchant of pussy play. Flawlessly contrasted with sexy partner, Nikki Benz, Audrey certainly knows a thing or two about the female anatomy; and we're happy to witness these two sluts getting nasty for the camera. This brunette bombshell got her start on a whim at the age of 20, and soon, her erotic encounters snowballed to nasty, new heights in features with companies like Wicked Pictures, Vivid, Digital Playground and Zero Tolerance to name a few. Her exotic Spanish and German background gives off an air of sexy and strong—a winning combination that directors and photographers find utterly fuckable. Keep your eyes peeled as Audrey has plenty more tricks up her sexy sleeve.

# BREE & TEAGAN

26608

**By Emma Edwards.**  
**Photos courtesy of Adam and Eve Pictures.**

Females reign supreme on the set of director, Andre Madness's, latest endeavor for Adam & Eve Pictures called *Bree & Teagan*. Not only is the production overloaded with the freshest female flesh on the market, but is also eager to roll out the red carpet in celebration of their latest contract acquisition, Teagan Presley. Joining their award-winning line-up of contract cuties, Teagan takes her spot amongst the bustling blondes as a beloved porn princess with an unrivaled penchant for sex that is a trait shared by her other contract sisters.

Her adoration and appetite for ladyfingers becomes the focal point of the cast and crew the moment Teagan gets one look at Bree Olson in the makeup room. With a red furry jacket covering her perfect home-grown hooters, Bree slowly eases herself into a lacy pair of black panties for Teagan. Anxious to inspect the goods before the show, Teagan takes a couple of playful licks of Bree's thick nipples before outfitting herself in a matching black jacket. What comes

next is what girl on girl enthusiasts thrive on, and is precisely why I have brought an extra pair of panties onto the set.

"Okay ladies, it's time to get better acquainted," Madness soon interjects when he sees the girls on the brink of sexually attacking each other. Wanting to contain and capture that heat for the camera, Madness rushes the crew, sets the girls up on a leather bench in front of huge industrial doors, and has them begin.

No sooner than Teagan sets herself up on the corner of the leather bench, is Bree crawling over to slide her hand down Teagan's pink panties. "Look into my eyes while you pet my pussy," Teagan purrs, resting back on her elbows and spreading her legs open when being separated by Bree's fingers. Once Bree's digits connect with her clit, Teagan rolls out her tongue and traces the curves of Bree's mouth before biting on her bottom lip. By now,

Bree's fingers have adopted a mind of their own and are rushing into and out of Teagan's wet hole like a jackhammer. "You're a big girl. You can take it," Bree insists, as the banging gets more intense.

Once her pussy throbs and plumps, Teagan lowers Bree's head down to her crotch and begs, "Enough teasing. Suck on me, Bree." Music to Bree's ears, she spreads Teagan's labia open with two fingers and lightly flicks the hood of her cher-

ry before suctioning her mouth over her pussy. With rock hard nipples that could cut glass, Bree continues to chug until Teagan's legs shoot out and Bree's face comes up covered in creamy cooze.

Eager to let the girls naturally continue, Madness slowly inches a few toys onto the set. Bree immediately spots a big, glass rod and arranges Teagan in pile driver position to take it. Fucking her hole harder than most men fuck her with their cocks, Bree goes wild on Teagan's twat. After several minutes of pussy plugging—and to initiate Teagan into the Adam & Eve family—Bree also treats Teagan to some anal finking. This gesture helps to sweeten the deal before their time together ends. With a bubbling asshole, it's safe to assume that Teagan got the message loud and clear.

Being a considerably tough act to follow,

***She soon opens up her legs and licks her bung before treating her beaver to a sound corking with the help of a hot pink vibrator.***

Karlie Montana and Charlie Laine prove to be up for the challenge. With incredible pedigrees and a longstanding history of lesbian excellence, both girls rise to the occasion by immediately locking their lips together for the camera. Wedging a comfy spot between her legs, Charlie sprawls out in doggie on the carpet and sniffs around Karlie's panties before taking them down with her teeth.

Once face to face with her beaver, Charlie noses around her hole and sniffs her bush before sticking out her tongue and going in for a taste. The instant her tongue connects with Karlie's twat, a glossy pussy stringer greets her mouth and stays attached to her lips as she slowly pulls away. "You're so fucking wet for me baby," Charlie moans as she sops up the sauce with her tongue and decides to give her fingers a go.

▲ Isis Taylor & Bree Olson

▼ Lexi Belle & Alyssa Reece

Like the two who came before, Charlie's appetite for poon is off the charts. Without frivolous thoughts about ruining her make-up or making things look pretty instead of hot, Charlie crams her face between Karlie's thighs to get her fill.

Before Karlie even knows what's hit her, Charlie is working a gold toy up her glossy hole. "More, more, more!" Karlie quickly pleads, once Charlie begins to rev up the speed of the vibration. After an impressive orgasmic blast, Karlie gets up and bends Charlie over the armrest of the sofa. Biting her way up from her ankles and ending at her ass, Karlie gets her teeth tangled in Charlie's fishnet body stocking. She soon opens up her legs and licks her bung before treating her beaver to a sound corking with the help of a hot pink vibrator. Their display is hot from start to finish!

Eager for another dose of vagina, Bree puts herself back in the hot seat. This time, Isis Taylor joins her—with both ladies looking like walking felonies in matching red lingerie and fine silk stockings. "Hot damn, you girls look amazing!" Madness interjects, the moment he sees the girls sitting pretty on the set he's crafted for them. He follows this up with, "I'm going to sit back and really enjoy this show."

Anxious to please their director and hot for each other, the girls begin their scene by worshiping and inspecting each other's curves. "My God you've got a perfect ass!" Isis compliments, when assembling Bree on her hands and knees to get a solid whiff and sampling of her buttock. Bree seemingly loves the admiration and pulls her butt flaps open, enabling Isis a better dining and visual experience. This quickly

gives way to her thick tongue being shoved up Bree's hole. A purple dildo that is being controlled by Isis's mouth follows closely behind. With plenty of giggling and cooing, Bree smashes her pretty face into the white leather and says, "I'm going to fuck you up when it's my turn."

True to her words, Bree completely devours Isis's slit and even urges her to lock the tops of her legs onto her chest in order to give her deeper access into her hole. So anxious to cum, Isis closes her eyes and later rolls them into the back of her head when Bree grants her wish. Excited to lick her milk off Bree's lips, the girls stack on top of one another and passionately kiss to end their scene as beautifully as it began.

After a quick finger diddle in the bathroom, I'm excited to see that Teagan is also going to be strutting her stuff once more in this production. Thankfully, I arrive right on time to watch her master, Kiara Diane's, gorgeous pussy by probing

it with a glass dildo. With both girls looking as glamorous as can be imagined, Kiara proves to be more than just a pretty face when she thrusts her body backwards to connect with Teagan's fuck stick. "I've waited all day to play with you," Kiara comments, just as Teagan flips her around spread eagle to fill her up from a whole new angle. With her mile long legs spread wide, Kiara rests her foot on Teagan's shoulder and begs her to go in harder, faster and deeper.

Happy to comply, Teagan also gets treated to some vaginal delights once Kiara folds her perfect porno body in half to tap her hole with a toy of her own. With both asses facing the camera and a monster cum blast strewn from Teagan's twat, the scene ends here with both girls super glued into one another. It's an incredible sight indeed!

The final scene of the day starring Lexi Belle and Alyssa Reece really hits the nail

on the head and proves to be the icing on the cake. Looking like high-class debutants in their sexy lingerie, both girls are more than eager to pounce after having watched so much lesbian sex all day. When given the final green light, the girls immediately contort into sixty nine. With Lexi on top, she does a fine job at burring the tip of her nose inside of Alyssa's hole. Meanwhile, on the other side of town, Alyssa has got a double handful of Lexi's little butt and is kneading her sweet cheeks together like pizza dough. "Fuck, this little ass is so damn squishy," she jokes while going in for a little bite of teenage tushy.

With plenty of oral action administered and a camera guy that is so close to the action that he might as well have stuck out his tongue to join in, the girls go nuts on each other and grab everything they can get their hands on. After solid dildo action is given to each, the two go above and

beyond the call of duty by setting themselves up side by side on the sofa to masturbate for one another. The result is so hot and realistic that the entire room falls silent, except for the girls in the makeup room who have decided to use this as their cue to go in for round two.

Once the lusty lesbians expend their energy with matching orgasms, I bid the cast and crew adieu and head off into the sunset. Now, if this production is an indication of what can be expected from Teagan Presley then Adam & Eve has definitely hit the jackpot with this sexual firecracker.

Whoever says that lightning never strikes the same spot twice has clearly never spent a day on set with Bree and Teagan. Watch these girls in action and you'll see what I mean. 🍆

Talk about blonde ambition! Since winning “Best New Starlet” at the 2010 AVN Awards, this Southern sexpot has been busy fucking to keep up with her prestigious title. After wrapping up the sequel to her claim to fame parody, *Not Married With Children 2*, she caught the imitation itch and was featured in *Dancing With Pornstars*—another entertaining rendition. Kagney will have more movies out with her two-year Zero Tolerance contract, and we’re tickled pink at what this vulgar vixen has to offer.

### Sandy Sweet

**STATS:** 32B-24-28

**HOME STATE:** California

**YEARS IN BIZ:** 3

It may be hard to spot Sandy Sweet in a crowd due to her 4'11" frame, however, in the adult industry, she's a gonzo giant! When porn became her calling, she knew she wanted to take her career to new heights and this pint-sized poon kept her word, but kept her "Sweetest Girl In Porn" attitude at the same time. Sandy is paving a sexy new way in the teen genre, with the help of her naturally youthful beauty and bubbly personality. However, her hardcore suck and fuck style is the ultimate complement to her good girl conviction.

# Bree Olson's BEDTIME STORIES

You know I'm never one to shy away from kissing and telling! Well this month's confession of my crazy and wild sex life will have to be a little more vague than usual to protect the guilty! Read on and you'll see why!

XOXO

## CELEBRITY CRUSH!

My life as a porn star is a whirlwind of sex and movie shoots, sex and modeling...and more sex! Along with that, I'm obligated to promote the movies I make for Adam and Eve, along with myself. I am constantly traveling for personal appearances and hosting parties. Inevitably, my path will cross with that of mainstream actors, musicians and athletes. And that's where the real action begins!

Celebs are a funny group of people. Many of them are so spoiled with all of the perks and attention they receive that they just don't know how to interact with the real world anymore. A lot are so used to having "yes" people around them, they don't know what to do when someone tells them no. In my experience, the more you tell them "no," the more they want what they think they can't have! At a recent party in Miami, I met one such celebrity. He was someone I'd had a crush on for a while, but I was surprised how strong he came on to me.

I was wearing a strapless sundress and of course I wasn't wearing any panties. He made a beeline to me and told me he appreciated my work. "Do you even know who I am?" I asked him. "Of course," he said. "Every man here knows who you are!

I have all of your movies and I want to take you back to my room and make one of my own with you!"

I giggled and teased him a bit, crossing and uncrossing my legs to give him a view of my clean-shaven pussy. "Baby, you are killing me," he whispered. "Please let me just have a taste of you tonight. One night. Just leave with me now."

I told him I was with someone and couldn't possibly leave my date. And normally I wouldn't have, but, this guy was my one big celebrity crush. Also he was practically begging me for a couple of hours of my time. It was fun to torment him for a while, but then I decided he'd really have to work to have me.

"Okay," I told him. "I will meet you in your room with one condition. You have to do whatever I want. You are not allowed to tell me no." He agreed. A bit later, I met him in his suite. He had ordered champagne and candles were lit. He'd planned a whole seduction scene.

"I would really love it if you were on your knees," I suggested. He knelt.

"You want to lick my porn star pussy, don't you?" I asked. He nodded and then started to lick, kiss and suck my clit like a pro. After I had cum a few times, I was ready to really make him sweat.

"It'll get me hotter to watch you stroke your cock," I told him. He moaned as he worked his rock-hard erection. I gave him the satisfaction of fondling his balls for a minute or two. Then I told him what I was going to do to him. "I am going to fuck you in the ass," I whispered. "And you are going to love it!"

I pulled a giant strap-on dildo out of my purse and buckled it on. His eyes were wide with surprise, but he had already agreed to this. I squirted a generous amount of lube onto my plastic shaft and his bare asshole, as I slowly inched my fake cock between his cheeks.

He worked his dick in time to my strokes, and soon he was moaning for more. This was a guy who all the women wanted and all the men wanted to be! And here I was fucking him in the butt! He came then—hard and fast. Before I could even pull my strap on out, he was thanking me again and again! It's like I'd introduced him to something he'd never even imagined!

We exchanged numbers and I've seen him a few times since then. The funny thing is, he always asks me to bring my strap on with me!

almost telepathic how we both moved closer to each other without saying a word and began to kiss. Her lips were soft and her touch was just sensual.

"You can't imagine how often I have thought about us doing this," she said as she slowly moved from kissing my neck and nibbled on my ears.

"Why didn't you ever say anything?" I asked her. "I have wanted to kiss you for a while, but was always too shy to do a thing about it. I guess we were both in the same boat."

With that said, I got even hotter for Nancy and began to kiss her harder with my tongue. Her hands ventured to my

firm breasts and played with my nipples. I returned the favor with my right hand, as my left one was guided down to her soft, moist crotch.

We both undressed and went to the bedroom where we got into a sixty-nine. Our licks were in synch as our hips ground in rhythm. I reached into my nightstand and pulled out a set of anal beads. Slowly, I inserted them into Nancy's perfect ass which pleased her so much that she pressed harder against my clit with her tongue.

My pace quickened as I lapped every bit of juice from her pussy inside and out. Nancy's tongue also flopped faster bringing me to the hilt. The muscles in my twat tightened and I could tell that she was on

the edge also. "Cum with me!" I screamed in delight. In a second or two we were both heaving sighs of pleasure.

When Eddie came home that night, I told him all about my experience and he wants to make Nancy our co-star!

Middle Eastern honey, Allie, is only 22, but looks even younger. She was so turned on before sex you could see the pussy juice on the fingers she slid inside. This brunette—originally from Jordan—has only been with four guys in her life, but the way she worships Bill's cock in her first-ever XXX encounter proves she's naturally dick-starved. Bill works her tiny slit balls-deep while her moans get louder. Allie loved every minute of being fucked hard and got a creamy facial as her just reward.

### ANAL PROSTITUTES ON VIDEO 7

Starring: Lisa Ann, Chayse Evans, Madison Parker,

Larissa Dee, Jessica Moore, Cecilia Vega and Erik Everhard. Directed by Erik Everhard. (Erik Everhard Entertainment)

Featured across two discs, Erik Everhard has assembled a decent gathering of named porn stars and a few up and cummers for the seventh edition to his all-anal series. Although A-List performers such as Lisa Ann and Chayse Evans are included, there is also a mishmash of B and C girls mixed in that are not as appealing as some of the other babes.

#### ▼ Cecilia Vega

As mentioned before, Lisa Ann is no such girl. Dressed as Mrs. Claus, Lisa Ann materializes to make all of Erik's Christmas wishes come true by sucking on his cock and letting him tinker around her experienced anus. What transpires is plenty of gaping asshole and enough holiday cheer to keep you hard all year 'round.

Hungarian hottie, Madison Parker, begins where Lisa Ann leaves off by being put to work after breaking Erik's bed in an early encounter. She pays dearly with her asshole when he plugs her up with plenty of prick.

Although she never really goes hog wild on his stick, she kind of just wiggles around. Nonetheless, Her butt is still beautiful to watch.

Chayse Evans, on the other hand, gives way better ass than the chick

before when she power fucks her experienced pucker all over Erik's dick. With come-hither eyes and a bright red pussy, this girl is the one to beat.

On the second disc, Cecilia Vega proves to be the hottest commodity when she takes to anal fucking like a fish to water. Her sexual style is infectious from the start, and her lust for keeping Erik's log up her ass is what porn fans hope for.

Jessica Moore is also quite beautiful, displaying a perfect pair of homegrown tits. Her anal skills are also quite nice. Sadly, however, Larissa Dee doesn't rise to the same anal excellence as the women who came before. She goes through the motions, but her visibly dry holes are off-putting at best.

**OIL SPILLS 2**

**Starring: Shyla Stylez, Rebeca Linares, Ann Marie Rios, Charley Chase, Chayse Evans, Asa Akira, Mick Blue, Pat Myne, David Perry, Ben English and Mr. Pete. Directed by Ray Bones. (Diabolic)**

If watching a bevy of top porn starlets getting slathered and shined with obscene amounts of mineral oil is your thing, then director, Ray Bones, has got the movie for you. From end to end, this star soaked extravaganza is positively pooling with liquid love that makes all of these harlots very slippery when wet.

Being spit-shined first is Ann Marie Rios, who douses herself with plenty of oil while masturbating poolside. The scads of grease does its part to accentuate her natural curves, although the real appeal of her scene happens when she grinds her body all over Pat Myne until both are dripping wet.

When finished there, Charley Chase and Chayse Evans double-up and entice each other's holes with oily fingers before unleashing their perfect bodies onto Mr. Pete. He puts both sets of pussies through the ringer, but not before all three of them play slip 'n' slide with each other against a rubber sheet. What happens next is an incredibly hot three-way session that is worth its weight in gold!

As if this movie couldn't get any hotter, Asa Akira busts through the gates to deliver a scorching scene alongside Pat Myne. With a mind-blowing hummer that leaves Pat's nuts squished up against Asa's chin, Asa goes for broke when taking his cock in missionary position. The constant dousing of oil throughout ensures the action stays perfectly live and lubed.

Never in a state to disappoint, Rebeca Linares proves why she's one of the hottest porn starlets around when she expertly takes on two cocks at once. She rides both out like a champ, and despite her small stature, and leaves the men panting in her wake instead of the other way around.

Shyla Stylez seals the deal with another explosive scene that has her humongous hooters bouncing out of control in Mick Blue's face when she takes control in cowgirl. Yeehaw!

**SEX ON SET**

**Starring:** Mikayla Mendez, Alektra Blue, Sativa Rose, Jennifer Dark, Tiffany Taylor, Danny Mountain,

Marco Banderas, Tommy Gunn and Mick Blue. Directed by Laurent Sky. (Wicked Pictures)

▲ Tiffany Tyler

Alektra Blue continues on where Mikayla leaves off by seducing the camera with her catlike eyes. With a perfect porno body that is decorated with heavy silver chains, Alektra gives plenty of tongue to Tommy Gunn before gathering up a puddle of blowjob spit on the cement floor below. He fucks her hard in cowgirl—their best position—as the naughty whore bangs her little asshole with her fingers.

Later on, Jennifer Dark and Mick Blue make a fine pair and ultimately deliver the hottest scene of the movie. Incredibly, their undeniable chemistry is showcased through impeccable oral skills administered on both. Although it's usually Jennifer's anal skills that earn her recognition, it's her juicy beaver this time that stands out amongst the pack.

Mikayla then shares a decent lesbian tryst with Sativa Rose in a makeup room. Even though their action is loud, the lack of juice lining their pussies makes their liaison feel more contrived than genuinely passionate. Their amazing lip-lock shared at the end, however, holds more weight and excitement than the sex itself.

Tiffany Taylor ends the show on a high note with Danny Mountain. With an incredible face and insatiable pussy that is prime for porking, we'll be keeping this girl on our porno radar.

—Chubby O'Dell

▲ Jennifer Dark

Director, Laurent Skye, is a wiz at creating visual intrigue with his camera. The impeccable lighting and stylish sets in this production are framed with silver photographic umbrellas, making for an interesting backdrop to this wall-to-wall feature being helmed by Mikayla Mendez.

She begins the show by moving and swaying for the camera before Marco Banderas enters the scene and seduces her from behind. The playful kissing and build up between the two makes for a great start, although the tease ends up being very short-lived. Soon, Mikayla is on her knees blowing horn and spreading her Latin legs wide for Marco's Spanish sausage. Hot!

**BIG TITS AT WORK 8**

**Starring:** Shyla Stylez, Jessica Jaymes, Jenny Hendrix, Kagny Linn Karter, Maddi Sinn, Jayden Jaymes, Jordan Ash, Johnny Sins, Keiran Lee and Scott Nails. Director not credited. (Brazzers)

I love big tits. I love them so much I even got a pair of them. To me—the bigger, the better—so needless to say I loved this movie from Brazzers!

When productivity and company morale are low, Shyla Stylez (one of my personal faves) is brought in to turn the company around. Her unconventional style and big fucking tits are exactly what is needed to get Jordan Ash on the same page as her.

The results are Shyla's legs being spread across his desk and a pussy that is repeatedly pounded to a pulp in a heap of positions.

When it's Jessica Jaymes's turn to shine, she takes on Johnny Sins. He gets lost in a fantasy about her ripe melons and soggy

Jayden Jaymes

Jessica Jaymes

panties, eventually leading up to him eating out her asshole and getting his cock stroked by her cleavage for real. Although great, Jessica nearly gets broken in two once she's stretched open like a vice on his desk.

After that display, Jenny Hendrix falls to her knees and sucks cock when her guy ends up winning the lottery. Eager to get her hands on his loot, she polishes his prick until it shines. She later works out her legs in reverse cowgirl so she is assured the money is hers. But just for insurance, she takes his protein blast to the teeth for good measure.

Jenny Hendrix

Shyla Stylez

Kagney Linn Karter & Maddi Sinn

Kagney Linn Karter—one of the hottest new girls out there—and Maddi Sinn, can also be counted on to give stand up performances when they try on a new line of bras for Jordan Ash.

With titties spilling over the lacy tops, the girls rub their nipples together. Kagney later commits to Jordan's cock and Maddi wrangles up his balls, making for memorable, big tit action.

I love big boobs, and I love watching big boobs bouncing when they're attached to a girl fucking!

### Angelina Ashe

**STATS:** 36D-26-36

**HOME STATE:** Ohio

**YEARS IN BIZ:** 3

Flowing blonde locks, a pretty pout and mountainous tits are only the seasonings to a delicious dish named Angelina Ashe. We're so glad this Ohio native relocated to Los Angeles to begin her smut career—and we're even happier she is eager for more dirty work. With only 38 titles to her name, this platinum princess is anything but an amateur when it comes to fucking on screen. She's easy to please, too. What's one way to get her panties soaked? Fast roller coaster rides. And by the looks of her talents, she likes it fast indeed.

# MINDY MCCREADY'S SEXCAPADES ON DVD

Country music singer and VH1 reality series star, Mindy McCready, shows off her sexual talents in a sizzling video being released by Vivid Entertainment through its Vivid-Celeb imprint; *Mindy McCready, Baseball Mistress*.

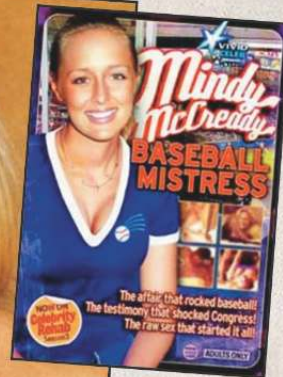

The 34-year-old McCready gets it on with a boyfriend named Peter in the action packed video that lasts nearly an hour. Between scenes showing her having enthusiastic relations with Peter, she talks at length about her past sexual conquests with former lovers, Red Sox and Yankees pitching great Roger Clemens, actor, Dean Cain ("The New Adventures Of Superman"), country singer, Alan Jackson and others."

The singer/actress also says that she became friendly with Robert F. Kennedy Jr., and thought she "could have had sex with him," but declined the opportunity. In addition, she reveals that country singer,

Alan Jackson, often brought her to his tour bus, but she declined to say what transpired during these visits.

McCready was one of nine cast members in the latest season of VH1's "Celebrity Rehab with Dr. Drew." She dis-

cusses some of her relationship with Clemens on the show and she performed the title single from her recently released album, *Mindy McCready I'm Still Here*, on the last episode. The album is her first in eight years

and she has placed 12 singles on the Billboard country music charts.

As a bonus feature, Vivid has included a second sex video, *Tom Sizemore Sex Scandal*, an explicit sex tape featuring the troubled actor, who is McCready's co-star on the *Celebrity Rehab* program. The Sizemore video was first released by Vivid in 2005.

## Vivid Comes To Octomom's Rescue

The world's leading adult film studio, Vivid Entertainment, told Nadya "Octomom" Suleman that it is prepared to save her home from foreclosure if she signs a movie contract.

It is the studio's latest offer to the mother of 14, who is on the verge of foreclosure on her California home because she has missed several monthly mortgage payments as well as a balloon payment.

The studio made two offers to Suleman last year to try and interest her in working on a movie deal.

"We remain interested in working with Nadya and we're prepared to make a new offer that would secure her living arrangements by having her home fully paid

for," said Steven Hirsch, Founder and Co-chairman of Vivid. "We have sent Nadya a letter offering to sit down and work out details that would be most comfortable for her. We understand that time is of the essence because, according to reports, she has until Tuesday to meet her mortgage obligations to the former owner of the house.

We can act quickly to meet with her and her representatives to secure her home and to work with her on a movie that she can be proud of."

Hirsch said that he will assure Suleman that she will be supported by top hair and makeup artists and will look glamorous. As is customary with the Vivid Girls, she will have

her choice of partners. "We can also schedule production so that it will take less than a week in the L.A. area. That way she can be with her children every night," he said.

Suleman would be joining a roster of famous personalities whose movies have been distributed under the Vivid-Celeb imprint. They include, Kim Kardashian, Shauna Sand, former Miss USA Kelli McCarty and many others.

## WICKED GIRLS GO GAGA

25203

Chart-topping 2010 Grammy winner, Lady Gaga, knows what's hot, and that's why she cast two of porn's hottest in her newest video, "Telephone." Wicked Pictures contract superstars Jessica Drake and Alektra Blue made potent, attention-grabbing guest appearances in the "Prison For Bitches" segment that was directed by acclaimed feature filmmaker Jonas Ackerlund (Spun), and played more like a short independent film, with funky 1970s Grindhouse-inspired credits introducing the high-profile cast, which is headlined by Lady Gaga, Beyonce, and Tyrese Gibson.

The mini-movie's opening sequence finds Lady Gaga portraying a garishly dressed prison inmate who's taunted by punked-out prisoners Jessica and Alektra as she's led through a grimy cellblock. The tense prelude's climax sees Ms. Drake literally licking the bars of her cell as Alektra gazes menacingly into the camera.

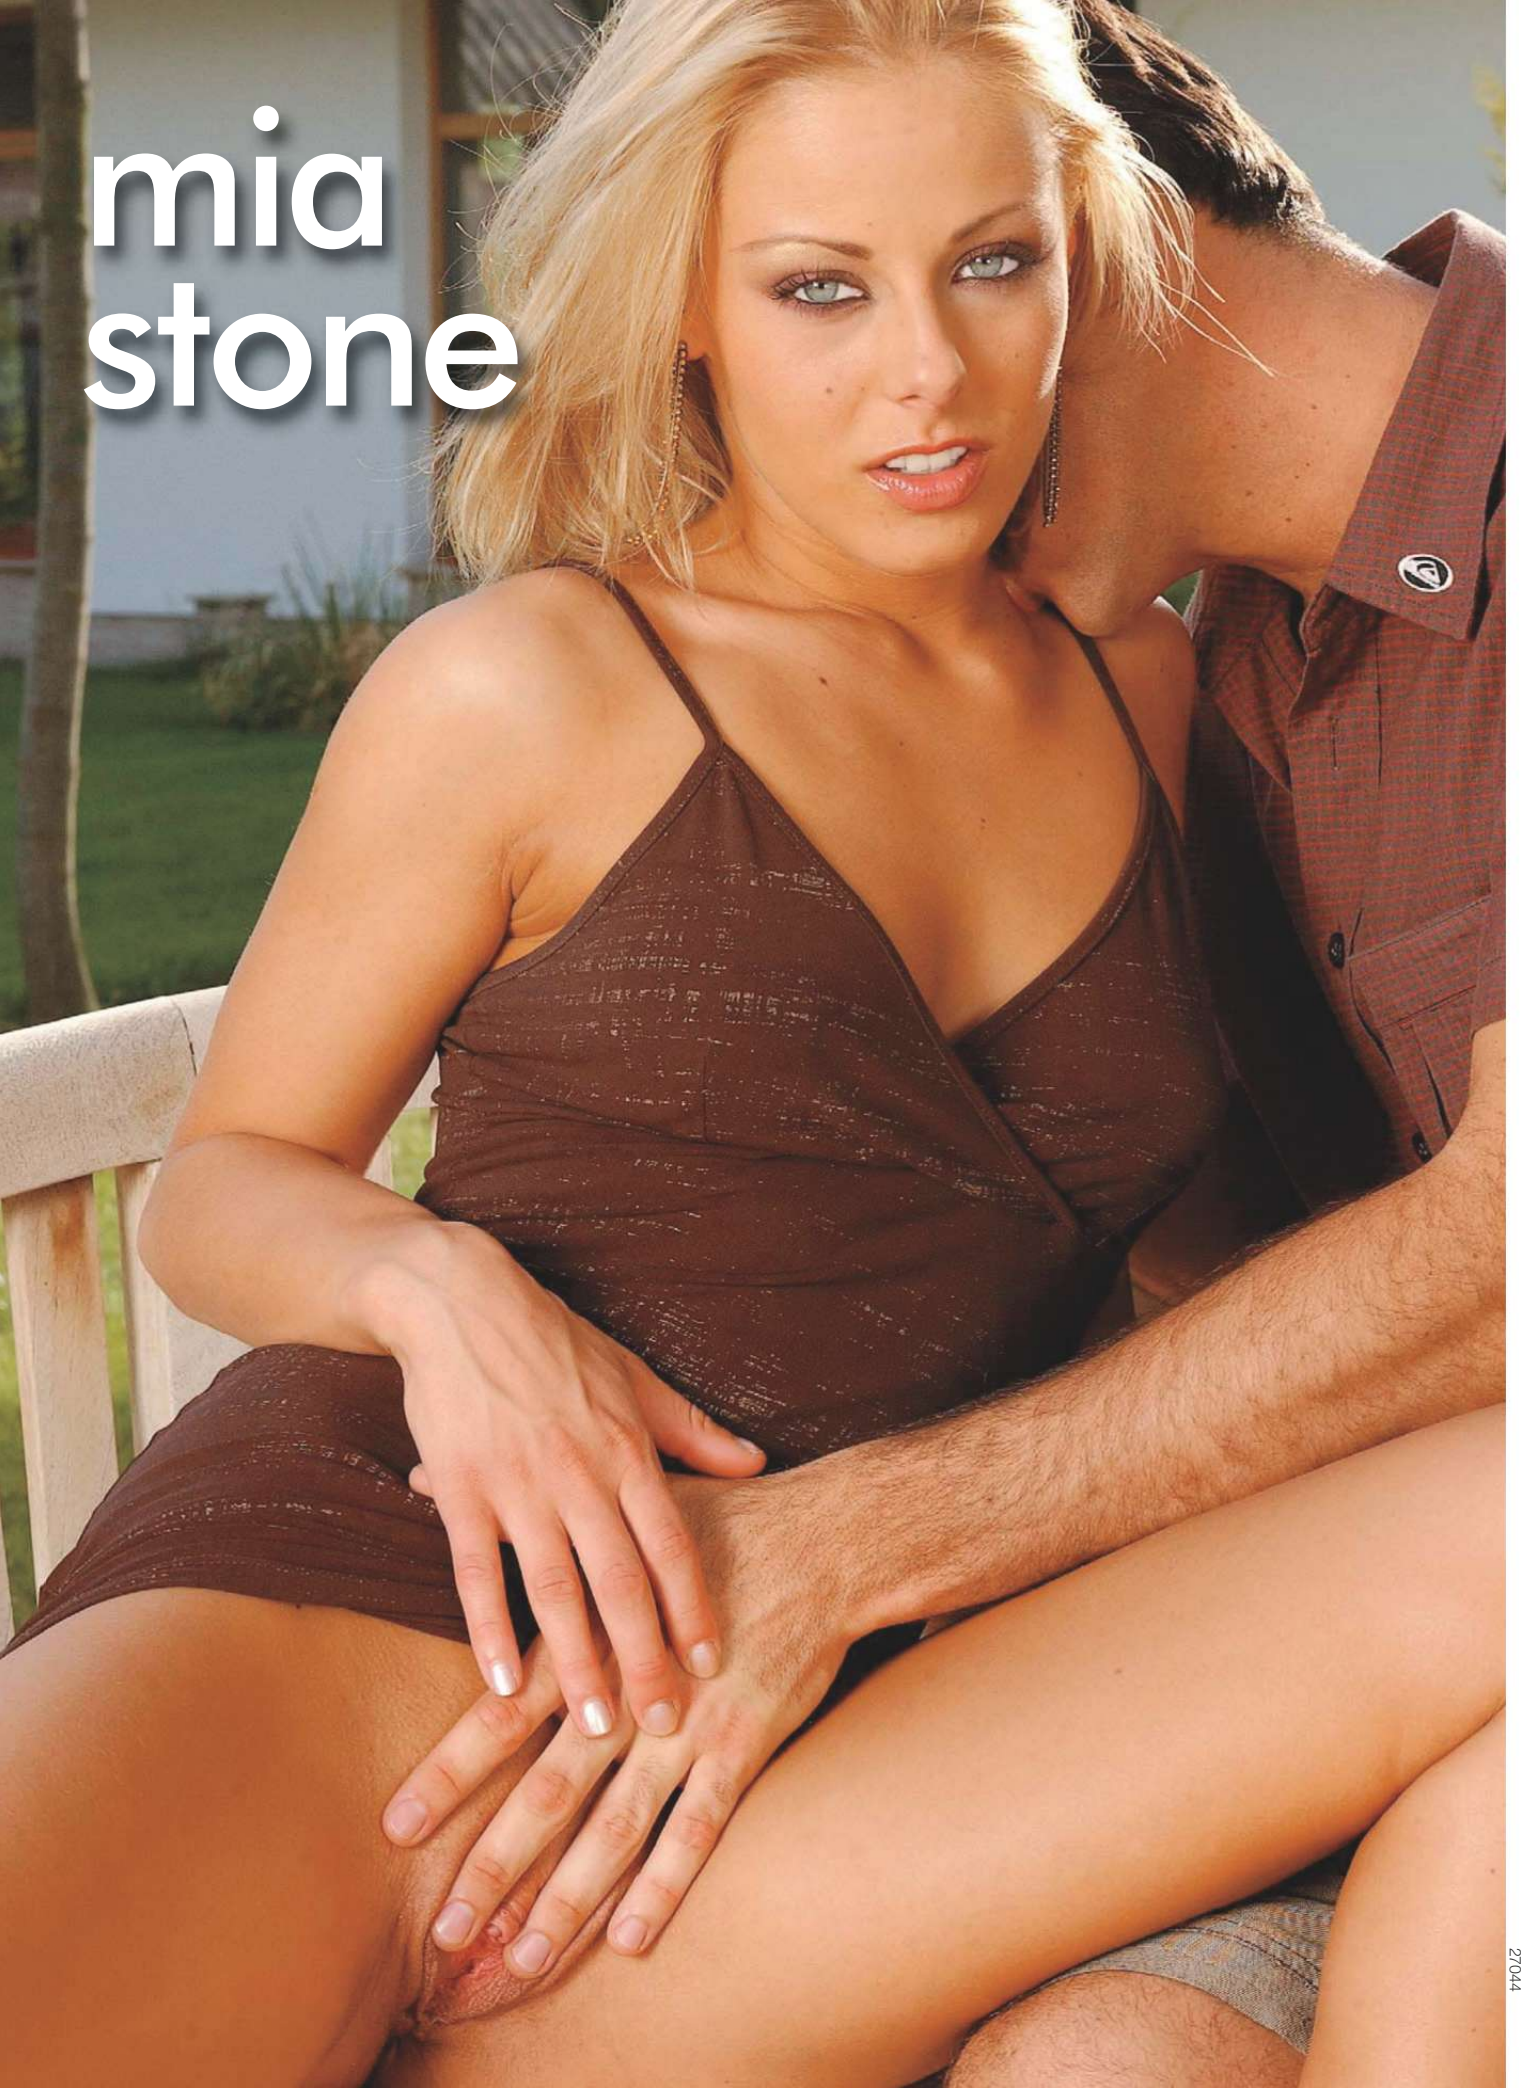

Interesting is just the word to describe the Wicked Ladies' experience on the mammoth production. "When I auditioned for the video I was nervous, but really excited," Jessica reveals. "As I got the callback, my excitement grew. While on the set, the entire experience was just so surreal to me. Being around Lady Gaga all day and watching her rehearse, sing, dance and create her own special kind of monster magic was one of the greatest things I've ever done. I'm delighted I made the final cut, and the only thing better than that is the fact that I got to share the experience with Alektra."

Alektra echoes her contract sister's happiness with the project, enthusing, "This really was a groundbreaking project, and it was great to be a part of its history."

### Mia Stone

**STATS:** 34A-24-34

**HOME COUNTRY:** Hungary

**YEARS IN BIZ:** 8 (2000-2008)

It's easy to find beautiful women in Eastern Europe, but the region knows how to make cocks throb when they share their filth queens with the U.S. adult industry. Mia Stone, for instance, is one such slut who makes her vulgar wishes come true. Her ardor for fucking is clearly evident as James Brossman invades her tight pink with his bulbous rod; as her passion is practically glowing on this fair-skinned beauty. Titles such as *Hardcore Fever 2* and *Adorable Girls 3* are just to name a few of the tantalizing talents that this gorgeous European brought to the lovely U. S. of A.
