START YOUR ENGINES

Most men are born with a lust for women and for things that go fast, so it makes sense that beautiful women and sexy cars end up in pictures together. It's a tradition of photography that goes back decades and certainly one that PLAYBOY has toyed with for years. In this Special Edition we bring you a bevy of exquisite models—cars and women—communing. Just don't look at this issue while you're driving, okay?
